NOW ON THIS 14th day of February, 2006, the Kansas State Board of Nursing, represented by Assistant Attorney General, Mark A. Knight, and the Licensee, Cheryl A. **AGREED FINDINGS OF FACT**

1. Licensee is licensed to practice nursing in Kansas through 6/30/2008. The Kansas State Board of Nursing (Board) has jurisdiction over the Licensee and the subject matter of this action.
2. Licensee's address of record is 520 S. Belmont St., Wichita, KS 67218.
3. The Licensee understands that pursuant to K.S.A. 77-515, Licensee may be represented at Licensee's expense by, an attorney during these proceedings.
4. After an investigation, the Board's investigative committee found reasonable grounds to believe that the Licensee violated the Kansas Nurse Practice Act, K.S.A. 65-1120, and referred this matter for further proceedings.
5. The Kansas State Board of Nursing has the authority under K.S.A. 74-1106 et seq. to examine, license and renew license for duly qualified Licensees and may limit, deny, suspend or revoke a license or authorization to practice nursing, may issue a public or private censure and levy administrative fines consistent with K.S.A. 74-1110, if a violation of K.S.A. 65-1120 is established.
6. (a) Licensee has a history of drug abuse. On or about 9/10/1997 licensee's license to practice nursing in Kansas was suspended.

(b) On or about 10/31/2005 licensee submitted an application for reinstatement of her Kansas nursing license.

(c) On or about 12/14/2005 licensee's license to practice nursing in Kansas was reinstated.

(d) On or about 12/15/2005 licensee was notified of the Kansas State Board of Nursing Investigative Committee's decision to refer licensee to the [REDACTED] for a one year period of monitoring. (f) On or about 11/3/2006 KNAP issued a letter advising that Licensee tested positive for alcohol (ETG 1900ng/ml) on a urine drug sample submitted on or about 11/1/2006.

7. The above incidents are violations of the nurse practice act. The Licensee agrees that the board is prepared to prove that Licensee has violated: K.S.A. 65-1120(a)(6),

---

unprofessional conduct by K.A.R. 60-3-110 (s) failing to complete the requirements of the impaired provider program of the board; K.S.A. 65-1120(a)(4).

Licensee has the right to a hearing with evidence and witnesses and to seek review of the findings from that hearing in accordance with the Kansas Administrative Procedure Act and the Act for Judicial Review and Civil Enforcement of agency actions. Licensee is waiving those rights and voluntarily entering into this agreement instead of proceeding to such a hearing.

13. Based upon this agreement, and pursuant to the disciplinary remedies available in K.S.A. 65-1120, the parties agree that this Consent Agreement will continue through any renewal periods of Licensee's nursing license until Licensee completes each of the conditions and requirements of this agreement.

K.S.A. 65-1120, the parties agree that the Licensee's license to practice nursing in Kansas is immediately suspended. The suspension will be stayed as long as the requirements and conditions of this agreement are met.

15. The Kansas State Board of Nursing will not take additional disciplinary action against Licensee's nursing license for the violations stated above as long as Licensee completes each of the following conditions and requirements:

(a) **Licensee shall return his or her current license card to the Board with this Consent Agreement. Licensee shall receive a license card which shall be issued with an "S" placed in the status code portion of the license card to indicate that the license is suspended with a Stay.**

16. Licensee is responsible for the costs related to satisfying these conditions and requirements.

17. If Licensee does not meet these conditions and requirements, the Kansas State Board of Nursing may request additional sanctions against Licensee's license or application for a license. Licensee would be sent notice of such action and would be entitled to a hearing as to whether Licensee had complied with this Consent Agreement, but Licensee could not contest the violations listed in this agreement.

18. All parties understand that if an action based on failure to meet the conditions and requirements of this Consent Agreement is filed, K.S.A. 77-531 requires the Notice of Hearing to be served upon the Licensee and the Licensee's attorney of record, if any. All parties agree that only serving the Notice of Hearing upon the Licensee will be proper service and it is the Licensee's responsibility to contact his or her attorney, if any, in reference to the action.

19. Licensee acknowledges and agrees that upon a finding of Licensee not complying with the conditions or requirements of this Consent Agreement, the Stay of Suspension of Licensee's license to practice nursing in the State of Kansas, shall be lifted. Licensee will not be allowed to practice nursing in the state of Kansas during the period the Stay is lifted.

20. The Board will inactivate this case file once Licensee satisfies this agreement. This agreement does not prohibit the agency from taking disciplinary action against Licensee's license for any additional or cumulative violation of the Kansas Nurse Practice Act committed by the Licensee before or after this agreement is entered into.

21. This agreement is a discipline and must be reported on any future renewal applications. This agreement is a contract entered into by the parties to resolve an investigative case. The original of this agreement shall be placed in the Agency Record and is a public record.

22. By signing this Consent Agreement and Final Order, Licensee acknowledges that Licensee has read and understands the entire document, and agrees to be bound by its terms. This Consent Agreement and Final Order constitute the entire agreement of the parties and may not be modified except in writing and approved by all parties.
