**PETITION**

COMES NOW the petitioner, the Kansas State Board of Nursing, by and through Assistant Attorney General assigned to the Board, Alma A. Heckler, and for its cause of action states that:

1. Respondent, Juliet A. Herrman, is licensed to practice nursing in Kansas through 1/31/2012. The Board has jurisdiction over the respondent and the subject matter of this action.
2. Respondent's address of record is 1313 Gypsum, Salina, KS 67401.

The Kansas State Board of Nursing has the authority under K.S.A. 74-1106 et seq. to examine, license and renew license for duly qualified applicants and may limit, deny, suspend or revoke a license or authorization to practice nursing, may issue a public or private censure and levy administrative fines consistent with K.S.A. 74-1110, if a violation of K.S.A. 65-1120(a) is established.

**FACTS COMMON TO ALL COUNTS**

5. The facts below are common to all counts:
  - (a) In Case No. 07-896-3, respondent filed an initial licensed practical nurse application on October 8, 2007. Respondent had a criminal history to include; misdemeanor conviction for

expired tag, no driver's license in possession, no proof of insurance, failure to notify the Kansas Department of Motor Vehicles of name/address change and misdemeanor conviction for giving a worthless check. She was approved for a license and told by a letter from the Kansas Board of Nursing (KSNB) dated February 21, 2008, she was required to answer "yes" to both the misdemeanor conviction and disciplinary action questions on any and all future nursing applications submitted to KSNB.

(b) In Case No. 10-032-3, respondent failed to report the misdemeanor convictions on her 2010 renewal application and failed to report the prior discipline against her driver's license. Respondent was told of her responsibility to report these items in a letter from the Board dated February 21, 2008. The Board investigator made efforts to contact the respondent by letter but she has changed her address without notifying the Board of her new address.
