CAITLIN SCHULTE
License No. 13-105179-012

Case No: 11-1481-0

INITIAL AGREED ORDER

NOW ON THIS 8th day of July, 2014, the Kansas State Board of Nursing, represented by Assistant Attorney General, Alma A. Heckler, and the Respondent, Caitlin Schulte, by and through her counsel, Carol Ruth Bonebrake and Megan Lewis of Holbrook & Osborn, 107 S.W. 6th Ave., Suite 210, Topeka, Kansas 66603, hereby enter into this agreement and proffer evidence and the hearing officer adopts those recommendations and makes the following findings of fact and orders:

AGREED FINDINGS OF FACT

1. Respondent is licensed to practice nursing in Kansas through 1/31/2016. The Kansas State Board of Nursing (KSBN) has jurisdiction over the Respondent and the subject matter of this action.
2. Respondent's address of record is 6226 Hallet Street, Shawnee, Kansas 66216.
3. The Respondent understands that pursuant to K.S.A. 77-515, respondent may be represented at respondent's expense by, an attorney during these proceedings.
4. Respondent acknowledges that this agreement is an open record pursuant to the Kansas Open Records Act, K.S.A 45-215 et seq., and may be published or disseminated notwithstanding any state or federal law otherwise restricting public access to, or dissemination of, any personal or health care information, or any information or records of substance abuse evaluation and/or treatment contained herein.

5. After an investigation, the Board's investigative committee found reasonable grounds to believe that the respondent violated the Kansas Nurse Practice Act, K.S.A. 65-1120, and referred this matter for further proceedings.

6. The Kansas State Board of Nursing has the authority under K.S.A. 74-1106 et seq. to examine, license and renew license for duly qualified applicants and may limit, deny, suspend or revoke a license or authorization to practice nursing, may issue a public or private censure and levy administrative fines consistent with K.S.A. 74-1110, if a violation of K.S.A. 65-1120 is established.

7. (a) A petition was filed on January 17, 2014 to take disciplinary action against the Respondent's license and states the following:

Respondent was employed at the University of Kansas Hospital on or about 12/27/2010 and admitted to removing percocet (hydrocodone) from the accudose machine, for a patient she was not assigned to. When confronted Respondent admitted to pulling medications on several patients and taking the medications home for her use. Respondent did not return to work after taking a personal leave of absence from 2/1/2011 to 2/9/2011. The hospital recorded her failure to return as a voluntary resignation.

Respondent entered the Kansas Nurse Assistance Program (KNAP) on or about 2/7/2011. Respondent violated her KNAP contract by testing positive for temazepam and benzodiazepines on or about 4/19/2011. Respondent did not have a prescription for temazepam or benzodiazepines. She failed to attend 12 step meetings from October 2011 to January 2012. Her KNAP case was closed by letter dated January 16, 2012. Respondent was allowed to re-enter KNAP by the Board. She entered the program again on 5/18/2012.

On October 17, 2013, the KNAP notified Respondent and the Board that her KNAP case had been closed again. Respondent failed to send in 12 step meeting reports on time.

Licensee admits to failing to send in reports on time twice but denies that she failed to submit timely reports a third time in October 2013. She said she had her husband submit them for her. KNAP closed her case because KNAP did not receive the reports timely.

Respondent admits to the facts as stated in the petition.

VIOLATIONS

8. The above incidents are violations of the nurse practice act. The Respondent agrees that the board is prepared to prove that respondent has violated:

Count 1: K.S.A. 65-1120(a)(6), to be guilty of unprofessional conduct as defined by rules and regulations of the board; K.A.R. 60-3-110(s) failing to complete the requirements of the impaired provider program of the board;

Count 2: K.S.A. 65-1120(a)(4), to be unable to practice with skill and safety due to current abuse of drugs or alcohol;

Count 3: K.S.A. 65-1120(a)(6), unprofessional conduct, by drug diversion K.A.R. 60-3-110(n);

9. Respondent has the right to a hearing with evidence and witnesses and to seek review of the findings from that hearing in accordance with the Kansas Administrative Procedure Act and the Act for Judicial Review and Civil Enforcement of agency actions. Respondent is waiving those rights and voluntarily entering into this agreement instead of proceeding to such a hearing.

CONCLUSIONS OF LAW

The Kansas State Board of Nursing has the authority under K.S.A. 74-1106 et seq. to examine, license and renew license for duly qualified applicants and may limit, deny, suspend or revoke a license or authorization to practice nursing, may issue a public or private censure and levy administrative fines consistent with K.S.A. 74-1110, if a violation of K.S.A. 65-1120 is established.

11. Respondent has violated the Kansas Nurse Practice Act as follows:

Count 1: K.S.A. 65-1120(a)(6), to be guilty of unprofessional conduct as defined by rules and regulations of the board; K.A.R. 60-3-110(s) failing to complete the requirements of the impaired provider program of the board;

POLICY STATEMENT

12. The role of the Kansas State Board of Nursing is to protect citizens of Kansas.

DISPOSITION

13. By entering into this Initial Agreed Order (Agreement) and consenting to the entry of the Final Order, both parties waive their right to full administrative proceedings pursuant to K.S.A. 65-1120 and K.S.A.77-501 et seq. and to judicial review.

14. Based upon this agreement, and pursuant to the disciplinary remedies available in K.S.A. 65-1120, the parties agree that this Initial Agreed Order will continue through any renewal periods of respondent's nursing license until respondent completes each of the conditions and requirements of this agreement. Further, the parties agree that in the event of a lapse of Respondent's nursing license, reinstatement of Respondent's nursing license shall be contingent upon this Initial Agreed Order remaining in effect until Respondent completes each of the conditions and requirements of this agreement.

15. Based upon this agreement, and pursuant to the disciplinary remedies available in K.S.A. 65-1120, the parties agree that the Respondent's license to practice nursing in Kansas is immediately suspended. The suspension will be stayed as long as the requirements and conditions of this agreement are met.

16. Based upon this agreement, and pursuant to the disciplinary remedies available in K.S.A. 65-1120, the parties agree that the Respondent's license to practice nursing in Kansas is immediately limited. The limitations placed on the license and described below will remain in

place until the requirements and conditions of this agreement are met or until the requirements and conditions of this agreement call for the modification of the limitations.

17. The Kansas State Board of Nursing will not take additional disciplinary action against respondent's nursing license for the violations stated above as long as respondent completes each of the following conditions and requirements:

(a) Respondent shall return any paper license cards still in his/her possession to the Board with this Initial Agreed Order. Respondent shall receive a license which when verified by the public will show Suspended with a Stay to indicate that the license is suspended but such suspension is stayed so long as she continues to meet the requirements of this Agreed Order. The license will have limitations on the practice as stated below:

(b) Respondent shall participate in and complete the reasonable recommendations and requirements of the Kansas Nurses Assistance Program (KNAP); sign releases of information necessary for KNAP to evaluate and monitor respondent and for KNAP to report information to the board. Respondent will be deemed to have completed the KNAP program when KNAP issues written notification that respondent has completed the program.

Respondent must enroll in the KNAP program within thirty (30) days of entering this agreement. The Board is notified by KNAP when the respondent has enrolled in their program. Noncompliance with KNAP is a violation of this agreement.

(c) Respondent must submit to random drug screens as determined or selected by the Board or by KNAP. The costs of the drug screens will be paid by the respondent.

Respondent agrees that a Positive Drug Screen is a violation of this agreement.

(d) Respondent shall have a narcotic key restriction on respondent's license for the first six (6) months after respondent secures employment that requires a nursing license. The narcotic key restriction prohibits the respondent from passing of narcotics, wasting of narcotics or having access to narcotics. The narcotic key restriction also prohibits the respondent from supervising nurses or others that have access to narcotics. After respondent completes six (6)

months of employment that requires a nursing license, without violating any terms of this agreement, respondent may request that the narcotic key restriction be removed from respondent's license. Respondent's request shall include written verification from respondent's employer, to the Kansas State Board of Nursing, as to whether the respondent has been employed in a position that requires a nursing license; as to whether the respondent has held that position for at least six (6) months; as to whether the respondent has passed, wasted, had access to, or supervised others that had access to narcotics. With a showing that the narcotic key restriction term of this agreement has been met by the respondent, and the respondent is compliant with all other terms of this agreement, the narcotic key restriction will be removed from respondent's license.

(e) Respondent shall immediately notify the Legal Division of any use of alcohol, if prohibited by KNAP, or controlled substances, or any violation of this Initial Agreed Order.

(f) The respondent shall immediately inform all employers and prospective employers of this Initial Agreed Order.

(g) The Respondent shall only work in nursing positions where she is supervised by an RN at all times.

(h) Respondent shall not work as a director of nursing or in a charge or supervising position while these restrictions on her license continue.

(i) Respondent shall not seek or accept employment with a nursing registry, a temporary nursing service or agency, a nursing home, a home health care service or agency, or as a private duty nurse without prior written consent of the Board for the term of this Agreement.

indicating that respondent has not yet secured employment which utilizes respondent's nursing license. This statement is due by the 10th day of each month beginning the next month after signing this Initial Agreed Order. (A statement from the respondent that she has not yet secured employment in nursing, is not a nursing performance report).

Once respondent is employed in a position that utilizes his or her nursing license, or if respondent is currently employed in a position that utilizes his or her nursing license, a nursing performance report is due by the 10th day of each of the following months; September 2014, December 2014, March 2015, and June 2015 or until respondent has caused the submission of four (4) separate nursing performance reports.

The report shall be prepared and signed by respondent's immediate supervisor or by an R.N. who evaluates respondent's performance on a regular basis and be based on the following guidelines:

Respondent shall not use these hours to meet the CNE requirements of any renewal period.

19. Respondent acknowledges and agrees that Respondent is responsible for the costs related to satisfying the conditions and requirements of this Initial Agreed Order. Respondent further acknowledges and agrees that to provide the Board with false information regarding compliance with this Initial Agreed Order is a violation of this Initial Agreed Order.

20. If Respondent does not meet these conditions and requirements, the Kansas State Board of Nursing may request additional sanctions against Respondent's license or application for a license. Respondent would be sent notice of such action and would be entitled to a hearing as to whether Respondent had complied with this Initial Agreed Order, but Respondent could not contest the violations listed in this agreement.

21. All parties understand that if an action based on failure to meet the conditions and requirements of this Initial Agreed Order is filed, K.S.A. 77-531 requires the Notice of Hearing to be served upon the Respondent and the Respondent's attorney of record, if any. All parties agree that only serving the Notice of Hearing upon the Respondent will be proper service and it is the Respondent's responsibility to contact his or her attorney, if any, in reference to the action.

23. Respondent acknowledges and agrees that upon a first finding of Respondent not complying with any of the conditions or requirements of this Initial Agreed Order, the Stay of Suspension of Respondent's license to practice nursing in the State of Kansas, shall be lifted for a period of six months from the date of said finding. Respondent will not be allowed to practice nursing in the state of Kansas during the period of suspension. Respondent acknowledges and agrees that all conditions and requirements of this Initial Agreed Order to remain in effect during the period of suspension.

Respondent will not be allowed to practice nursing in the state of Kansas during the period of suspension. Respondent acknowledges and agrees that all conditions and requirements of this Initial Agreed Order remain in effect during the period of suspension.

Upon the Respondent providing said written verification the suspension will again be stayed.

26. The Board will inactivate this case file once respondent satisfies this agreement. This agreement does not prohibit the agency from taking disciplinary action against Respondent's license for any additional or cumulative violation of the Kansas Nurse Practice Act committed by the Respondent before or after this agreement is entered into.

27. This agreement is a discipline and must be reported on any future renewal or reinstatement applications. This agreement is a contract entered into by the parties to resolve an investigative case. The original of this agreement shall be placed in the Agency Record. This Agreement is a public record and will be reported to national disciplinary data banks:
