**PETITION**

COMES NOW the petitioner, the Kansas State Board of Nursing, by and through Assistant Attorney General assigned to the Board, Alma A. Heckler, and for its cause of action states that:

1. Respondent, Bethany Moser, is licensed to practice nursing in Kansas through 7/31/2012. The Board has jurisdiction over the respondent and the subject matter of this action.
2. Respondent's address of record is 1010 N. Ridge Road, #1115, Wichita, Kansas 67212.
3. After an investigation, the Board's investigative committee found reasonable grounds to believe that the respondent violated the Kansas Nurse Practice Act, K.S.A. 65-1120, and referred this matter for further proceedings.
4. The Kansas State Board of Nursing has the authority under K.S.A. 74-1106 et seq. to examine, license and renew license for duly qualified applicants and may limit, deny, suspend or revoke a license or authorization to practice nursing, may issue a public or private censure and levy administrative fines consistent with K.S.A. 74-1110, if a violation of K.S.A. 65-1120(a) is established.

**FACTS COMMON TO ALL COUNTS**

5. The facts below are common to all counts:
  - (a) In Case No. 11-181-7, an investigation completed by a board investigator, indicated that the respondent admitted to stealing drugs from the Olathe Medical Center, Olathe, Kansas. She was employed by Olathe from 2008 until 5/28/2010. In 2010 the respondent was observed

to have difficulty with concentration, hand tremors, confusion, falling asleep at the nursing desk, poor decision making and she gave duplicate medications to patients. After she terminated her employment, a Pyxis system review revealed a pattern of diversion by the respondent, of Percocet and Tylenol #3.

(b) Respondent was referred to the Kansas Nurse Assistance Program (KNAP) by the board. She signed a contract with KNAP on 8/9/2011, but withdrew from KNAP on or about 8/24/2011, prior to completion of any urinary drug screens.

(c) In Case No. 11-1178-5, an investigation showed that the respondent was employed at Wesley Medical Center, Wichita, Kansas from 6/12/2011 to 8/2/2011. She was terminated by the facility after a pattern of possible diversion by the respondent was discovered. Records showed the respondent failed to accurately document the administration and waste of the drug, Dilaudid. Respondent attempted to resign but the facility terminated her employment.

### VIOLATIONS

6. Respondent has violated the Kansas Nurse Practice Act as follows:

Count 1: K.S.A. 65-1120(a)(6), unprofessional conduct, by drug diversion K.A.R. 60-3-110(n);

Count 2: K.S.A. 65 1120(a)(4) to be unable to practice with skill and safety due to current abuse of drugs or alcohol;

Count 4: K.S.A. 65-1120(a)(6), unprofessional conduct, by failing to complete the requirements of the impaired provider program of the board; K.A.R. 30-3-110 (s)

WHEREFORE, petitioner requests a finding that the respondent has violated the Nurse Practice Act, that respondent's license to practice nursing in Kansas be revoked, and that costs of this action be assessed to the respondent in the amount of \$70.00.

Respectfully submitted,
