O R D E R

NOW, on this 4th day of March, 1983, the above-captioned matter comes on for hearing. Petitioner appears by and through its attorney, Julia L. Young, Assistant Attorney General. The respondent appears in person and by and through his attorney, Alan D. Herman. The petitioner and respondent present evidence and rest.

THEREUPON, the Board, having heard and considered the evidence and statements of counsel, the respondent, and witnesses, and being duly advised in the premises, finds as follows:

The respondent has violated the provisions of K.S.A. 1982 Supp. 65-1120(a)(6) in that while employed at Osteopathic Hospital, Wichita, Kansas, between June 1, 1982, and July 27, 1982, he mischarted various entries on the hospital's narcotics records forms and the medical records of specific patients, as shown by the evidence and testimony introduced at the hearing. During the same time period, certain narcotics were signed out for patients more frequently than ordered by the physician, as shown by the evidence and testimony presented at the hearing. During the same time period, narcotic wastage was not documented or witnessed, as shown by the evidence and testimony presented at the hearing.

THE BOARD UNANIMOUSLY FINDS the above acts constitute unprofessional conduct as provided by K.S.A. 1982 Supp. 65-1120(a)(6).

IT IS, THEREFORE, ORDERED AND DECREED BY THE BOARD
that respondent's license to practice professional nursing shall be revoked.
