Now on this 10<sup>th</sup> day of March, 2011 the petitioner, the Board, through counsel Alma A. 2. Respondent's address of record is 503 Canterbury Drive, Hays, KS 67601.
3. The Respondent understands that pursuant to K.S.A. 77-515, respondent may be represented at respondent's expense by, an attorney during these proceedings.

5. The Kansas State Board of Nursing has the authority under K.S.A. 74-1106 et seq. to examine, license and renew license for duly qualified applicants and may limit, deny, suspend or revoke a license or authorization to practice nursing, may issue a public or private censure and levy administrative fines consistent with K.S.A. 74-1110, if a violation of K.S.A. 65-1120 is established.

PS  
June,

6. (a) Respondent was employed by Fort Hays University Student Health from 1996 to 2008 and at Rooks County Health Department. Respondent, when questioned by Kansas State Board of Nursing Investigator Karen Peschka, admitted to diversion of Tussinex (codeine) for her own use, self prescribing narcotics and asking other nursing staff to call in the prescriptions for her. Respondent admitted to her over use of Tramadol. Pharmacy records obtained by the Board confirm respondent's statements.

Board of Nursing Investigator Karen Peschka, admitted to diversion of Tussinex (codeine) for her own use, self prescribing narcotics and asking other nursing staff to call in the prescriptions for her. Respondent admitted to her over use of Tramadol. Pharmacy records obtained by the Board confirm respondent's statements.

(b) She also admitted to prescribing narcotics and either Viagra or Levitra in 2007 for a person, D.D. The individual had not been a student at Fort Hays University since 2003. Respondent did not have appropriate protocols to continue to prescribe medications for an individual who was no longer a student or staff at Fort Hays. Pharmacy records confirm respondent's statements to the board investigator. Fort Hays University student records confirm that D.D. had not been a student since 2003.

(c) Respondent also admitted that her record keeping was not up to date and inadequate. University records show there were approximately 169 charts that were incomplete, and some had not been updated since 2003. An onsite visit and review by board investigator in 2007 confirmed the inadequate and incomplete record keeping.

7. The above incidents are violations of the nurse practice act. The Respondent agrees that the board is prepared to prove that respondent has violated:

Count 1: K.S.A. 65-1120(a)(4), to be unable to practice with skill and safety due to current abuse of drugs or alcohol.

Count 2: K.S.A. 65-1120(a)(6), unprofessional conduct by K.A.R. 60-3-110(n), diverting drugs, supplies, or property of any patient or agency.

Count 3: K.S.A. 65-1120(a)(6), unprofessional conduct by K.A.R. 60-3-110(a) Performing acts beyond the authorized scope of the level of nursing for which the individual is licensed.

Count 4: K.S.A. 65-1120(a)(6), unprofessional conduct by K.A.R. 60-3-110(d), inaccurately recording, falsifying, or altering any record of a patient or agency or of the board.

Count 5: K.S.A. 65-1120(a)(6), unprofessional conduct by K.A.R. 60-3-110(c), failing to take appropriate action or to follow policies and procedures in the practice situation designed to safeguard each patient.

8. Respondent has the right to a hearing with evidence and witnesses and to seek review of the findings from that hearing in accordance with the Kansas Administrative Procedure Act and the Act for Judicial Review and Civil Enforcement of agency actions. Respondent is waiving those rights and voluntarily entering into this agreement instead of proceeding to such a hearing.

#### **POLICY STATEMENT**

11. The role of the Kansas State Board of Nursing is to protect citizens of Kansas.

#### **DISPOSITION**

12. By entering into this Consent Agreement and consenting to the entry of the Final Order, both parties waive their right to full administrative proceedings pursuant to K.S.A. 65-1120 and K.S.A.77-501 et seq. and to judicial review.

13. Upon the parties entering into this Consent Agreement and with the respondent having met all statutory requirements for reinstatement of respondent's Kansas Nursing license, the respondent's application for reinstatement of respondent's Kansas Nursing license will be granted.

14. Based upon this agreement, and pursuant to the disciplinary remedies available in K.S.A. 65-1120, the parties agree that this Consent Agreement will continue through any renewal periods of respondent's nursing license until respondent completes each of the conditions and requirements of this agreement. Further, the parties agree that in the event of a lapse of Respondent's nursing license, reinstatement of Respondent's nursing license shall be contingent upon this Consent Agreement and Final Order remaining in effect until Respondent completes each of the conditions and requirements of this agreement.

15. Based upon this agreement, and pursuant to the disciplinary remedies available in K.S.A. 65-1120, the parties agree that the Respondent's license to practice nursing in Kansas is immediately suspended. The suspension will be stayed as long as the requirements and conditions of this agreement are met.

16. Based upon this agreement, and pursuant to the disciplinary remedies available in K.S.A. 65-1120, the parties agree that the Respondent's license to practice nursing in Kansas is

immediately limited. The limitations placed on the license and described below will remain in place until the requirements and conditions of this agreement are met or until the requirements and conditions of this agreement call for the modification of the limitations.

17. The Kansas State Board of Nursing will not take additional disciplinary action against respondent's nursing license for the violations stated above as long as respondent completes each of the following conditions and requirements:

(a) Respondent shall return his or her current license card to the Board with this Consent Agreement. Respondent shall receive a license card which shall be issued with an "S" placed in the status code portion of the license card to indicate that the license is suspended with a Stay. The card will have an "L" indicating the limitations on the practice.

(b) Respondent will participate in and complete the reasonable recommendations and requirements of the Kansas Nurses Assistance Program (KNAP); sign releases of information necessary for KNAP to evaluate and monitor respondent and for KNAP to report information to the board. Respondent will be deemed to have completed the KNAP program when KNAP issues written notification that respondent has completed the program. (c) Respondent must submit to random drug screens as determined or selected by the Board or by KNAP. The costs of the drug screens will be paid by the respondent. Respondent agrees that a Positive Drug Screen is a violation of this agreement.

(d) Respondent shall have a narcotic key restriction on respondent's license for the first six (6) months after respondent secures employment that requires a nursing license. The narcotic key restriction prohibits the respondent from passing of narcotics, wasting of narcotics or having access to narcotics. The narcotic key restriction also prohibits the respondent from supervising nurses or others that have access to narcotics. After respondent completes six (6) months of employment that requires a nursing license, without violating any terms of this

agreement, respondent may request that the narcotic key restriction be removed from respondent's license. Respondent's request shall include written verification from respondent's employer, to the Kansas State Board of Nursing, as to whether the respondent has been employed in a position that requires a nursing license; as to whether the respondent has held that position for at least six (6) months; as to whether the respondent has passed, wasted, had access to, or supervised others that had access to narcotics. With a showing that the narcotic key restriction term of this agreement has been met by the respondent, and the respondent is compliant with all other terms of this agreement, the narcotic key restriction will be removed from respondent's license and respondent will be issued a license card with no limitations on the practice.

(e) Respondent shall immediately notify the Legal Division of any use of alcohol, if prohibited by KNAP, or controlled substances, or any violation of this Consent Agreement and Final Order.

19. If Respondent does not meet these conditions and requirements, the Kansas State Board of Nursing may request additional sanctions against Respondent's license or application for a license. Respondent would be sent notice of such action and would be entitled to a

hearing as to whether Respondent had complied with this Consent Agreement, but Respondent could not contest the violations listed in this agreement.

20. All parties understand that if an action based on failure to meet the conditions and requirements of this Consent Agreement is filed, K.S.A. 77-531 requires the Notice of Hearing to be served upon the Respondent and the Respondent's attorney of record, if any. All parties agree that only serving the Notice of Hearing upon the Respondent will be proper service and it is the Respondent's responsibility to contact his or her attorney, if any, in reference to the action.

Upon the Respondent providing said written verification the suspension will again be stayed.

24. The Board will inactivate this case file once respondent satisfies this agreement. This agreement does not prohibit the agency from taking disciplinary action against Respondent's

license for any additional or cumulative violation of the Kansas Nurse Practice Act committed by the Respondent before or after this agreement is entered into.

25. This agreement is a discipline and must be reported on any future renewal or reinstatement applications. This agreement is a contract entered into by the parties to resolve an investigative case. The original of this agreement shall be placed in the Agency Record. This Agreement is a public record and will be reported to national disciplinary data banks.

26. After successful completion of all of the conditions and requirements of this Consent Agreement by the respondent, the Consent Agreement will be satisfied and the case will be inactivated.

27. By signing this Consent Agreement and Final Order, Respondent acknowledges that Respondent has read and understands the entire document, and agrees to be bound by its terms. This Consent Agreement and Final Order constitute the entire agreement of the parties and may not be modified except in writing and approved by all parties.
