INITIAL ORDER

Now on this 26th day of June, 1996, the above-captioned matter comes on for Scheduling Docket before Terry E. Beck, the Board's designated Hearing Officer, on the Petition filed with the Board. The Petitioner appears by and through Assistant Attorney General Mark S. Braun, Disciplinary Counsel for the Board. The Respondent, Bobbi Guerrero, appears in person and without counsel.

The Hearing Officer inquires of the Respondent whether she received the Petition and whether she understands the nature of the allegations contained in the Petition. Respondent states that she received and understands the allegations. Respondent inquires of the Respondent whether she has any objection to the Board's jurisdiction in this matter. Respondent states she has no objection.

The Hearing Officer advises the Respondent that she has the right to be represented by an attorney in these proceedings, if she chooses to obtain one. Respondent acknowledges this right, but wishes to proceed without counsel.

The Hearing Officer advises the Respondent she may either admit or deny the allegations in the Petition. If Respondent denies the allegations, the matter will proceed to hearing in which the Petitioner will have to prove, through witnesses and evidence, that the Respondent committed the act(s). The Respondent will have the opportunity to cross-examine the Petitioner's witnesses, as well as the opportunity to present witnesses and evidence on her own behalf. If Respondent admits the allegations, there will be no hearing. Based on the admission(s), the Hearing Officer will make a finding that the Respondent committed the act(s) complained of and that Respondent has violated the Kansas Nurse Practice Act as specified by the Petitioner. The matter will then proceed to disposition to determine and impose the appropriate discipline for the violation.

The Hearing Officer inquires of the Respondent if she understands her options regarding the allegations. Respondent states that she understands her options. The Hearing Officer inquires of the Respondent whether she admits or denies the violation alleged in Counts I, II, III, and IV. Respondent admits to the violations alleged in those counts.
