ORDER TO REMOVE NARCOTIC KEY LIMITATION

Now on this 21st day of December, 2011 the petitioner, the Board, through counsel Alma A. Heckler, moves to remove the Narcotic Key Restriction from Licensee's license to practice nursing in the state of Kansas. Licensee's license to practice nursing was limited pursuant to a Consent Agreement and Final Order entered in the above captioned case and dated November 12, 2009. Among the limitations is a narcotic key restriction which prohibits the Licensee from passing of narcotics, wasting of narcotics, having access to narcotics or from supervising nurses or others that have access to narcotics. Petitioner has received documentation showing that the Licensee has complied with the narcotic key restriction. The period of said narcotic key restriction has ended. The hearing officer orders that the limitation of narcotic key restriction on Licensee's license to practice nursing in the state of Kansas is removed. All other conditions and requirements, ordered in the Consent Agreement and Final Order, remain in place.

IT IS SO ORDERED.

CONSENT AGREEMENT AND FINAL ORDER

NOW ON THIS 10th day of November 2009, the Kansas State Board of Nursing, represented by Assistant Attorney General, Alma A. Heckler, and the Respondent, Stephanie A. McPhail, hereby enter into this agreement and proffer evidence and the hearing officer adopts those recommendations and makes the following findings of fact and orders:

AGREED FINDINGS OF FACT

1. Respondent is licensed to practice nursing in Kansas through 12/31/2009. The Kansas State Board of Nursing (KSBN) has jurisdiction over the Respondent and the subject matter of this action.
2. Respondent's address of record is 34182 W. 90th Circle, Desoto, KS 66018.
3. The Respondent understands that pursuant to K.S.A. 77-515, respondent may be represented at respondent's expense by, an attorney during these proceedings.
4. After an investigation, the Board's investigative committee found reasonable grounds to believe that the respondent violated the Kansas Nurse Practice Act, K.S.A. 65-1120, and referred this matter for further proceedings.
5. The Kansas State Board of Nursing has the authority under K.S.A. 74-1106 et seq. to examine, license and renew license for duly qualified applicants and may limit, deny, suspend or revoke a license or authorization to practice nursing, may issue a public or private censure and levy administrative fines consistent with K.S.A. 74-1110, if a violation of K.S.A. 65-1120 is established.

6. (a) A petition was filed September 8, 2009 to take disciplinary action against the licensee's license.

(b) While the respondent was employed by Cascade Health Services, based in Kansas City, Missouri and working in Kansas, respondent exhibited odd behaviors and was asked to take a UDS. Respondent had a positive urine drug screen for nordiazepam, oxazepam, temazepam, oxycodone, and morphine. Respondent did not supply any prescriptions or reasons for testing positive for these substances on or about November 8, 2008.

(c) Respondent was referred to the [REDACTED] in March, 2007 for an alcohol/drug evaluation after overdosing on medications which included methadone not prescribed for her. She was found unconscious and spent three days in ICU. Respondent completed the program in May 2008. Respondent denied any ongoing drug abuse when evaluated in 2007.

7. The above incidents are violations of the nurse practice act. The Respondent agrees that the board is prepared to prove that respondent has violated:

Count 1: K.S.A. 65-1120(a)(6), unprofessional conduct, by drug diversion K.A.R. 60-3-110(n);

Count 2: K.S.A. 65 1120(a)(4) to be unable to practice with skill and safety due to current abuse of drugs or alcohol;

8. Respondent has the right to a hearing with evidence and witnesses and to seek review of the findings from that hearing in accordance with the Kansas Administrative Procedure Act and the Act for Judicial Review and Civil Enforcement of agency actions. Respondent is waiving those rights and voluntarily entering into this agreement instead of proceeding to such a hearing.

CONCLUSIONS OF LAW

9. The Kansas State Board of Nursing has the authority under K.S.A. 74-1106 et seq. to examine, license and renew license for duly qualified applicants and may limit, deny, suspend or

revoke a license or authorization to practice nursing, may issue a public or private censure and levy administrative fines consistent with K.S.A. 74-1110, if a violation of K.S.A. 65-1120 is established.

10. Respondent has violated the Kansas Nurse Practice Act as follows:

Count 1: K.S.A. 65-1120(a)(6), unprofessional conduct, by drug diversion K.A.R. 60-3-110(n);

Count 2: K.S.A. 65 1120(a)(4) to be unable to practice with skill and safety due to current abuse of drugs or alcohol;

POLICY STATEMENT

11. The role of the Kansas State Board of Nursing is to protect citizens of Kansas.

DISPOSITION

12. By entering into this Consent Agreement and consenting to the entry of the Final Order, both parties waive their right to full administrative proceedings pursuant to K.S.A. 65-1120 and K.S.A.77-501 et seq. and to judicial review.

13. Upon the parties entering into this Consent Agreement and with the respondent having met all statutory requirements for reinstatement of respondent's Kansas Nursing license, the respondent's application for reinstatement of respondent's Kansas Nursing license will be granted.

14. Based upon this agreement, and pursuant to the disciplinary remedies available in K.S.A. 65-1120, the parties agree that this Consent Agreement will continue through any renewal periods of respondent's nursing license until respondent completes each of the conditions and requirements of this agreement. Further, the parties agree that in the event of a lapse of Respondent's nursing license, reinstatement of Respondent's nursing license shall be contingent upon this Consent Agreement and Final Order remaining in effect until Respondent completes each of the conditions and requirements of this agreement.

15. Based upon this agreement, and pursuant to the disciplinary remedies available in K.S.A. 65-1120, the parties agree that the Respondent's license to practice nursing in Kansas is immediately suspended. The suspension will be stayed as long as the requirements and conditions of this agreement are met.

16. Based upon this agreement, and pursuant to the disciplinary remedies available in K.S.A. 65-1120, the parties agree that the Respondent's license to practice nursing in Kansas is immediately limited. The limitations placed on the license and described below will remain in place until the requirements and conditions of this agreement are met or until the requirements and conditions of this agreement call for the modification of the limitations.

17. The Kansas State Board of Nursing will not take additional disciplinary action against respondent's nursing license for the violations stated above as long as respondent completes each of the following conditions and requirements:

(a) Respondent shall return his or her current license card to the Board with this Consent Agreement. Respondent shall receive a license card which shall be issued with an "S" placed in the status code portion of the license card to indicate that the license is suspended with a Stay. The card will have an "L" indicating the limitations on the practice.

(b) Respondent will participate in and complete the reasonable recommendations and requirements of the [REDACTED]; sign releases of information necessary for [REDACTED] to evaluate and monitor respondent and for [REDACTED] to report information to the board. Respondent will be deemed to have completed the [REDACTED] program when [REDACTED] issues written notification that respondent has completed the program. Respondent must enroll in the [REDACTED] program within thirty (30) days of entering this agreement. Noncompliance with [REDACTED] P is a violation of this agreement.

(c) Respondent must submit to random drug screens as determined or selected by the Board or by [REDACTED]. The costs of the drug screens will be paid by the respondent. Respondent agrees that a Positive Drug Screen is a violation of this agreement.

(d) Respondent shall have a narcotic key restriction on respondent's license for the first six (6) months after respondent secures employment that requires a nursing license. The narcotic key restriction prohibits the respondent from passing of narcotics, wasting of narcotics or having access to narcotics. The narcotic key restriction also prohibits the respondent from supervising nurses or others that have access to narcotics. After respondent completes six (6) months of employment that requires a nursing license, without violating any terms of this agreement, respondent may request that the narcotic key restriction be removed from respondent's license. Respondent's request shall include written verification from respondent's employer, to the Kansas State Board of Nursing, as to whether the respondent has been employed in a position that requires a nursing license; as to whether the respondent has held that position for at least six (6) months; as to whether the respondent has passed, wasted, had access to, or supervised others that had access to narcotics. With a showing that the narcotic key restriction term of this agreement has been met by the respondent, and the respondent is compliant with all other terms of this agreement, the narcotic key restriction will be removed from respondent's license.

(e) Respondent shall immediately notify the Legal Division of any use of alcohol, if prohibited by ████████ or controlled substances, or any violation of this Consent Agreement and Final Order.

(f) Respondent shall not work as a director of nursing (DON) or in a charge or supervising position for one year from the effective date of this Consent Agreement. After one (1) year without violating any terms of this agreement, Respondent may request that the employment limitation be removed from her license. Respondent's request shall include written verification from her employer, to the Kansas State Board of Nursing, as to whether the Respondent has been employed as a director of nursing or in a charge or supervising position during term of her employment limitations. With a showing that the employment limitation of this agreement has been met by the Respondent, and the Respondent is compliant with all other

terms of this agreement, the employment limitation will be removed from her license and she will be issued a license card with no limitations on the practice.

(g) Respondent shall not seek or accept employment with a nursing registry, a temporary nursing service or agency, a home health care service or agency, or as a private duty nurse without prior written consent of the Board.
