4. Respondent acknowledges that this agreement is an open record pursuant to the Kansas Open Records Act, K.S.A 45-215 et seq., and may be published or disseminated notwithstanding any state or federal law otherwise restricting public access to, or dissemination of, any personal or health care information, or any information or records of substance abuse evaluation and/or treatment contained herein.
5. After an investigation, the Board's investigative committee found reasonable grounds to believe that the respondent violated the Kansas Nurse Practice Act, K.S.A. 65-1120, and referred this matter for further proceedings.

6. The Kansas State Board of Nursing has the authority under K.S.A. 74-1106 et seq. to examine, license and renew license for duly qualified applicants and may limit, deny, suspend or revoke a license or authorization to practice nursing, may issue a public or private censure and levy administrative fines consistent with K.S.A. 74-1110, if a violation of K.S.A. 65-1120 is established.

7. (a) A petition was filed September 28, 2011 to take disciplinary action against the licensee's license based on the following allegations;

POLICY STATEMENT

12. The role of the Kansas State Board of Nursing is to protect citizens of Kansas.

DISPOSITION

13. By entering into this Consent Agreement and consenting to the entry of the Final Order, both parties waive their right to full administrative proceedings pursuant to K.S.A. 65-1120 and K.S.A. 77-501 et seq. and to judicial review.

14. Based upon this agreement, and pursuant to the disciplinary remedies available in K.S.A. 65-1120, the parties agree that this Final Order and Consent Agreement will continue through any renewal periods of respondent's nursing license until respondent completes each of the conditions and requirements of this agreement. Further, the parties agree that in the event of a lapse of Respondent's nursing license, reinstatement of Respondent's nursing license shall be contingent upon this Final Order and Consent Agreement remaining in effect until Respondent completes each of the conditions and requirements of this agreement.

15. Based upon this agreement, and pursuant to the disciplinary remedies available in K.S.A. 65-1120, the parties agree that the Respondent's license to practice nursing in Kansas is immediately suspended. The suspension will be stayed as long as the requirements and conditions of this agreement are met.

16. Based upon this agreement, and pursuant to the disciplinary remedies available in K.S.A. 65-1120, the parties agree that the Respondent's license to practice nursing in Kansas is immediately limited. The limitations placed on the license and described below will remain in place until the requirements and conditions of this agreement are met or until the requirements and conditions of this agreement call for the modification of the limitations.

17. The Kansas State Board of Nursing will not take additional disciplinary action against respondent's nursing license for the violations stated above as long as respondent completes each of the following conditions and requirements:

(a) Respondent shall return his or her current license card to the Board with this Final Order and Consent Agreement.
