and levy administrative fines, consistent with K.S.A. 74-1110, if a violation of K.S.A. 65-1120 is established.

6. On or about 03/09/2006, the Board received information regarding Respondent, alleging that on or about 3/2/2006, Respondent called in unauthorized prescriptions and then tried to pick them up from the Dillons pharmacy in Hutchinson Kansas. Subsequently, case # 06-214-4 was opened.
7. On or about 8/27/2007, the Board received information regarding Respondent, alleging that on or about 7/27/2007, while employed at Summit Surgical, Hutchinson Kansas, Respondent failed to follow policy, resulting in a wrong site surgery on a patient. Subsequently, case # 07-810-4 was opened.

9. In a phone statement, given on 6/9/2006, Lisa Unruh, Registered Pharmacist at Dillons Pharmacy, Hutchinson Kansas, stated that Respondent called in a prescription for flexeril for her husband Donald and then called in a prescription for lortab for her husband Donald. Lisa Unruh stated that Respondent called the prescriptions in for Dr. Jackson's office, and she didn't work for Dr. Jackson's office. Lisa Unruh also stated that she recognized Respondent's voice because she was a nurse in a cardiology office, and the pharmacy had phone contact with Respondent 5-6 times a week, sometimes a couple or more times a day. Lisa Unruh stated she then called Dr. Jackson's office back since Respondent was not Dr. Jackson's nurse and was told that Dr. Jackson's office had not seen Donald Langford and had not ordered prescriptions for Donald Langford. Lisa Unruh stated that Respondent came through the drive through and tried to fill the prescriptions but was told by another pharmacy employee

that the pharmacy could not fill the prescriptions. Lisa Unruh stated that Respondent looked at the pharmacy employee in shock and just drove away.

10. In a statement dated 8/8/2007, regarding the wrong site surgery allegation in case # 07-810-4, Respondent stated, "I placed the tourniquet on the left leg and put the leg in the leg holder. I documented everything in the chart as left knee. **No time-out was done.** Charting was done during the procedure. I never saw markings on the right knee."
(emphasis added)

11. Summit Surgical facility policy titled, "Surgical Site Identification," states:

Pre-Op Verification

- The pre-op nurse will have the patient/family mark the site/side with a marker prior to going into the operating room. The site will be marked with the patient's initials.
- The operating room nurse will ask the patient and/or family what surgery and what site/side is to be done. Do not ask a yes or no question.
- The anesthesia provider will ask the patient and/or family what surgery and what site/side is to be done.
- The surgeon will ask the patient and /or family what surgery and what site/side is to be done.

Verification of the surgery site/side markings will be documented on the pre-op record.

Intra-Op Verification

- The patient will be positioned, prepped, and draped prior to the operative site being verified by the anesthesia provider, surgeon, circulating nurse, scrub tech and assistant if applicable in the operating room.
- The circulating nurse will read aloud the operative consent.
- The anesthesia provider will verify the patient name by viewing the patient armband.
- The surgeon and scrub tech will verify the patient initials on the operative site and that the markings are visible after the drapes have been placed.

- If all of the above are in agreement, the incision will be made.

The circulating nurse will document in the medical record that all staff present in the room were in agreement with the correct site/side and correct patient.

12. 

13. The above incidents are violations of the Nurse Practice Act. The Respondent agrees that the Board is prepared to prove that Respondent has violated:

- a. K.S.A. 65-1120(a)(6): to be guilty of unprofessional conduct as defined by rules and regulations of the board, by KAR 60-3-110(a), performing acts beyond the authorized scope of the level of nursing for which the individual is licensed;
- b. K.S.A. 65-1120(a)(6): to be guilty of unprofessional conduct as defined by rules and regulations of the board, by KAR 60-3-110(c), failing to take appropriate action or to follow policies and procedures in the practice situation designed to safeguard each patient;

14. Respondent has the right to a hearing with evidence and witnesses and to seek review of the findings from that hearing in accordance with the Kansas Administrative Procedure Act and the Judicial Review Act. Respondent is waiving those rights and voluntarily entering into this agreement instead of proceeding to such a hearing.

CONCLUSIONS OF LAW
