13. Upon the parties entering into this Consent Agreement and with the respondent having met all statutory requirements for reinstatement of respondent's Kansas Nursing license, the respondent's application for reinstatement of respondent's Kansas Nursing license will be granted.

14. Based upon this agreement, and pursuant to the disciplinary remedies available in K.S.A. 65-1120, the parties agree that this Consent Agreement will continue through any renewal periods of respondent's nursing license until respondent completes each of the conditions and requirements of this agreement. Further, the parties agree that in the event of a lapse of Respondent's nursing license, reinstatement of Respondent's nursing license shall be contingent upon this Consent Agreement and Final Order remaining in effect until Respondent completes each of the conditions and requirements of this agreement.

15. Based upon this agreement, and pursuant to the disciplinary remedies available in K.S.A. 65-1120, the parties agree that the Respondent's license to practice nursing in Kansas is immediately suspended. The suspension will be stayed as long as the requirements and conditions of this agreement are met.

16. Based upon this agreement, and pursuant to the disciplinary remedies available in K.S.A. 65-1120, the parties agree that the Respondent's license to practice nursing in Kansas is immediately limited. The limitations placed on the license and described below will remain in place until the requirements and conditions of this agreement are met or until the requirements and conditions of this agreement call for the modification of the limitations.

17. The Kansas State Board of Nursing will not take additional disciplinary action against respondent's nursing license for the violations stated above as long as respondent completes each of the following conditions and requirements:

Respondent's request shall include written verification from respondent's employer, to the Kansas State Board of Nursing, as to whether the respondent has been employed in a position that requires a nursing license; as to whether the respondent has held that position for at least six (6) months; as to whether the respondent has passed, wasted, had access to, or supervised others that had access to narcotics. With a showing that the narcotic key restriction term of this agreement has been met by the respondent, and the respondent is compliant with all other terms of this agreement, the narcotic key restriction will be removed from respondent's license.
