**CONSENT AGREEMENT AND FINAL ORDER**

NOW ON THIS 3rd day of May, 2010, the Kansas State Board of Nursing, represented by Assistant Attorney General, Alma A. Heckler, and the Respondent, Carolyn D. Stoner, by and through her counsel, J. Joseph Weber, hereby enter into this agreement and proffer evidence and the hearing officer adopts those recommendations and makes the following findings of fact and orders:

**AGREED FINDINGS OF FACT**

1. Respondent is licensed to practice nursing in Kansas through 8/31/2011. The Kansas State Board of Nursing (KSBN) has jurisdiction over the Respondent and the subject matter of this action.
2. Respondent's address of record is 5513 W First St North, Wichita, KS 67212.
3. The Respondent understands that pursuant to K.S.A. 77-515, respondent may be represented at respondent's expense by, an attorney during these proceedings. Respondent acknowledges that this agreement will be an open record pursuant to the Kansas Open Records Act, K.S.A 45-215 et seq., and may be published or disseminated notwithstanding any state or federal law otherwise restricting public access to, or dissemination of, any personal or health care information, or any information or records of substance abuse evaluation and/or treatment contained herein.
4. After an investigation, the Board's investigative committee found reasonable grounds to believe that the respondent violated the Kansas Nurse Practice Act, K.S.A. 65-1120, and referred this matter for further proceedings.

5. The Kansas State Board of Nursing has the authority under K.S.A. 74-1106 et seq. to examine, license and renew license for duly qualified applicants and may limit, deny, suspend or revoke a license or authorization to practice nursing, may issue a public or private censure and levy administrative fines consistent with K.S.A. 74-1110, if a violation of K.S.A. 65-1120 is established.

6. (a) A petition was filed 11/23/2009 to take disciplinary action against the licensee's license.

(b) In Case No. 08-701-5, respondent was directly referred to the Kansas Nurse Assistance Program (KNAP) by the Board after discrepancies with the Via Christi Medical Center medication administration policy were found. Respondent's employment was terminated on or about 5/17/08. Further investigation by the hospital disclosed other discrepancies regarding narcotics charted and narcotics removed from the system by the respondent.

(c) Respondent signed contract on 5/15/09 with a completion date of 5/15/2010. Respondent initially failed to enroll in Compass Vision for random urine drug screens and shortly after she enrolled she missed two urine drug screens. Respondent's KNAP case was closed on 7/21/09.

(d) Respondent filed an application at Wesley Rehabilitation Hospital in Wichita, Kansas on or about 9/8/08. Respondent was hired by Wesley Rehab and started work on or about 10/9/08. Respondent was verbally counseled on 5/11/09 for absenteeism and placed on probationary status. Respondent received a written warning on 6/7/09 for absenteeism. Respondent was dismissed on 7/9/09 due to not following the employer's medication administration policy.

(e) Respondent e-mailed the Board on 7/13/09, after she had been terminated from Wesley, requesting the Board not require her to disclose her enrollment in KNAP to her employers. Respondent did not disclose her enrollment in KNAP to Wesley. Board responded

after the respondent had been closed by KNAP, on July 30, 2009, and indicated that the respondent must remain compliant with all of the requirements of KNAP including disclosing enrollment in KNAP.

7. The above incidents are violations of the nurse practice act. The Respondent agrees that the board is prepared to prove that respondent has violated:

Count 1: K.S.A. 65 – 1120(a)(6), unprofessional conduct by inaccurately recording, falsifying, or altering any record of a patient or agency or of the board; K.A.R. 60-3-110(d).

Count 2: K.S.A. 65-1120(a)(6), unprofessional conduct, by failing to complete the requirements of the impaired provider program of the board; K.A.R. 30-3-110 (s).

8. Respondent has the right to a hearing with evidence and witnesses and to seek review of the findings from that hearing in accordance with the Kansas Administrative Procedure Act and the Act for Judicial Review and Civil Enforcement of agency actions. Respondent is waiving those rights and voluntarily entering into this agreement instead of proceeding to such a hearing.

#### **CONCLUSIONS OF LAW**

9. The Kansas State Board of Nursing has the authority under K.S.A. 74-1106 et seq. to examine, license and renew license for duly qualified applicants and may limit, deny, suspend or revoke a license or authorization to practice nursing, may issue a public or private censure and levy administrative fines consistent with K.S.A. 74-1110, if a violation of K.S.A. 65-1120 is established.

10. Respondent has violated the Kansas Nurse Practice Act as follows:

Count 1: K.S.A. 65 – 1120(a)(6), unprofessional conduct by inaccurately recording, falsifying, or altering any record of a patient or agency or of the board; K.A.R. 60-3-110(d).

Count 2: K.S.A. 65-1120(a)(6), unprofessional conduct, by failing to complete the requirements of the impaired provider program of the board; K.A.R. 30-3-110 (s)

## POLICY STATEMENT

11. The role of the Kansas State Board of Nursing is to protect citizens of Kansas.

## DISPOSITION

12. By entering into this Consent Agreement and consenting to the entry of the Final Order, both parties waive their right to full administrative proceedings pursuant to K.S.A. 65-1120 and K.S.A. 77-501 et seq. and to judicial review.

13. Based upon this agreement, and pursuant to the disciplinary remedies available in K.S.A. 65-1120, the parties agree that this Consent Agreement will continue through any renewal periods of respondent's nursing license until respondent completes each of the conditions and requirements of this agreement. Further, the parties agree that in the event of a lapse of Respondent's nursing license, reinstatement of Respondent's nursing license shall be contingent upon this Consent Agreement and Final Order remaining in effect until Respondent completes each of the conditions and requirements of this agreement.

14. Based upon this agreement, and pursuant to the disciplinary remedies available in K.S.A. 65-1120, the parties agree that the Respondent's license to practice nursing in Kansas is immediately suspended. The suspension will be stayed as long as the requirements and conditions of this agreement are met.

15. Based upon this agreement, and pursuant to the disciplinary remedies available in K.S.A. 65-1120, the parties agree that the Respondent's license to practice nursing in Kansas is immediately limited. The limitations placed on the license and described below will remain in place until the requirements and conditions of this agreement are met or until the requirements and conditions of this agreement call for the modification of the limitations.

16. The Kansas State Board of Nursing will not take additional disciplinary action against respondent's nursing license for the violations stated above as long as respondent completes each of the following conditions and requirements:

(a) Respondent shall return his or her current license card to the Board with this Consent Agreement. Respondent shall receive a license card which shall be issued with an "S" placed in the status code portion of the license card to indicate that the license is suspended with a Stay. The card will have an "L" indicating the limitations on the practice.

(b) Respondent will participate in and complete the reasonable recommendations and requirements of the Kansas Nurses Assistance Program (KNAP); sign releases of information necessary for KNAP to evaluate and monitor respondent and for KNAP to report information to the board. The narcotic key restriction prohibits the respondent from passing of narcotics, wasting of narcotics or having access to narcotics. The narcotic key restriction also prohibits the respondent from supervising nurses or others that have access to narcotics. After respondent completes six (6) months of employment that requires a nursing license, without violating any terms of this agreement, respondent may request that the narcotic key restriction be removed from respondent's license. Respondent's request shall include written verification from respondent's employer, to the Kansas State Board of Nursing, as to whether the respondent has been employed in a position that requires a nursing license; as to whether the respondent has held that position for at least six (6) months; as to whether the respondent has passed, wasted, had access to, or supervised others that had access to narcotics. With a showing that the narcotic

key restriction term of this agreement has been met by the respondent, and the respondent is compliant with all other terms of this agreement, the narcotic key restriction will be removed from respondent's license.

(e) Respondent shall immediately notify the Legal Division of any use of alcohol, if prohibited by KNAP, or controlled substances, or any violation of this Consent Agreement and Final Order.
