**Case No. 10-381-8**

**FINAL ORDER AND CONSENT AGREEMENT**

NOW ON THIS 29<sup>th</sup> day of November, 2011, the Kansas State Board of Nursing, represented by Assistant Attorney General, Alma A. Heckler, and the Respondent, Brenda R. Kolbaba, hereby enter into this agreement and proffer evidence and the hearing officer adopts those recommendations and makes the following findings of fact and orders:

**AGREED FINDINGS OF FACT**

1. Respondent is licensed to practice nursing in Kansas through 7/31/2012. The Kansas State Board of Nursing (KSBN) has jurisdiction over the Respondent and the subject matter of this action.
2. Respondent's address of record is 3509 SW Oak Parkway, Topeka, KS 66614.
3. The Respondent understands that pursuant to K.S.A. 77-515, respondent may be represented at respondent's expense by, an attorney during these proceedings. Respondent acknowledges that this agreement will be an open record pursuant to the Kansas Open Records Act, K.S.A 45-215 et seq., and may be published or disseminated notwithstanding any state or federal law otherwise restricting public access to, or dissemination of, any personal or health care information, or any information or records of substance abuse evaluation and/or treatment contained herein.

4. After an investigation, the Board's investigative committee found reasonable grounds to believe that the respondent violated the Kansas Nurse Practice Act, K.S.A. 65-1120, and referred this matter for further proceedings.

5. The Kansas State Board of Nursing has the authority under K.S.A. 74-1106 et seq. to examine, license and renew license for duly qualified applicants and may limit, deny, suspend or revoke a license or authorization to practice nursing, may issue a public or private censure and levy administrative fines consistent with K.S.A. 74-1110, if a violation of K.S.A. 65-1120 is established.

6. (a) A petition was filed September 29, 2011 to take disciplinary action against the licensee's license.

(b) The petition stated: Respondent was employed by St. Francis Health Center, Topeka, Kansas and allegedly while employed there administered more of the controlled substance, Lortab, than any other emergency department employee, employed from March 19, 2009 to August 31, 2009.

(c) Discrepancies were noted by staff in the Respondent's administration of Lortab and Percocet, to include administration without a physicians order, and no documentation of administration or waste. The discrepancies were noted between the dates of March 19, 2009 and August 31, 2009.

7. The above incidents are violations of the nurse practice act. The Respondent agrees that the board is prepared to prove that respondent has violated:

Count 1: K.S.A. 65-1120(a)(6), unprofessional conduct, by drug diversion K.A.R. 60-3-110(n);

Count 2: K.S.A. 65 – 1120(a)(6), unprofessional conduct by inaccurately recording, falsifying, or altering any record of a patient or agency or of the board; K.A.R. 60-3-110(d).

8. Respondent has the right to a hearing with evidence and witnesses and to seek review of the findings from that hearing in accordance with the Kansas Administrative Procedure Act and the Act for Judicial Review and Civil Enforcement of agency actions. Respondent is waiving those rights and voluntarily entering into this agreement instead of proceeding to such a hearing.

#### **CONCLUSIONS OF LAW**

9. The Kansas State Board of Nursing has the authority under K.S.A. 74-1106 et seq. to examine, license and renew license for duly qualified applicants and may limit, deny, suspend or revoke a license or authorization to practice nursing, may issue a public or private censure and levy administrative fines consistent with K.S.A. 74-1110, if a violation of K.S.A. 65-1120 is established.

10. Respondent has violated the Kansas Nurse Practice Act as follows:

Count 1: K.S.A. 65-1120(a)(6), unprofessional conduct, by drug diversion K.A.R. 60-3-110(n);

#### **POLICY STATEMENT**

11. The role of the Kansas State Board of Nursing is to protect citizens of Kansas.

#### **DISPOSITION**

12. By entering into this Consent Agreement and consenting to the entry of the Final Order, both parties waive their right to full administrative proceedings pursuant to K.S.A. 65-1120 and K.S.A.77-501 et seq. and to judicial review.

13. Based upon this agreement, and pursuant to the disciplinary remedies available in K.S.A. 65-1120, the parties agree that this Final Order and Consent Agreement will continue

through any renewal periods of respondent's nursing license until respondent completes each of the conditions and requirements of this agreement. Further, the parties agree that in the event of a lapse of Respondent's nursing license, reinstatement of Respondent's nursing license shall be contingent upon this Final Order Consent Agreement remaining in effect until Respondent completes each of the conditions and requirements of this agreement.

14. Based upon this agreement, and pursuant to the disciplinary remedies available in K.S.A. 65-1120, the parties agree that the Respondent's license to practice nursing in Kansas is immediately suspended. The suspension will be stayed as long as the requirements and conditions of this agreement are met.

15. Based upon this agreement, and pursuant to the disciplinary remedies available in K.S.A. 65-1120, the parties agree that the Respondent's license to practice nursing in Kansas is immediately limited. The limitations placed on the license and described below will remain in place until the requirements and conditions of this agreement are met or until the requirements and conditions of this agreement call for the modification of the limitations.

16. The Kansas State Board of Nursing will not take additional disciplinary action against respondent's nursing license for the violations stated above as long as respondent completes each of the following conditions and requirements:

(a) Respondent shall receive a license which shall be suspended with a Stay. The Board's reporting system will reflect limitations.

(b) Respondent will participate in and complete the reasonable recommendations and requirements of the Kansas Nurses Assistance Program (KNAP); sign releases of information necessary for KNAP to evaluate and monitor respondent and for KNAP to report information to the board. Respondent will be deemed to have completed the KNAP program when KNAP issues written notification that respondent has completed the program.

**Respondent must enroll in the KNAP program within thirty (30) days of entering this agreement. Noncompliance with KNAP is a violation of this agreement.**

(c) Respondent must submit to random drug screens as determined or selected by the Board or by KNAP. The costs of the drug screens will be paid by the respondent.

Respondent agrees that a Positive Drug Screen is a violation of this agreement.

(d) Respondent shall have a narcotic key restriction on respondent's license for the first six (6) months after respondent secures or maintains employment that requires a nursing license. The narcotic key restriction prohibits the respondent from passing of narcotics, wasting of narcotics or having access to narcotics. The narcotic key restriction also prohibits the respondent from supervising nurses or others that have access to narcotics. After respondent completes six (6) months of employment that requires a nursing license, without violating any terms of this agreement, respondent may request that the narcotic key restriction be removed from respondent's license. Respondent's request shall include written verification from respondent's employer, to the Kansas State Board of Nursing, as to whether the respondent has been employed in a position that requires a nursing license; as to whether the respondent has held that position for at least six (6) months; as to whether the respondent has passed, wasted, had access to, or supervised others that had access to narcotics. With a showing that the narcotic key restriction term of this agreement has been met by the respondent, and the respondent is compliant with all other terms of this agreement, the narcotic key restriction will be removed from respondent's license.

(e) Respondent shall immediately notify the Legal Division of any use of alcohol, if prohibited by KNAP, or controlled substances, or any violation of this Consent Agreement and Final Order.

(f) The respondent shall immediately inform all employers and prospective employers of this Consent Agreement and the Final Order.

is in compliance and has remained in compliance during the period of suspension, with all conditions and requirements of this Final Order and Consent Agreement. Upon the Respondent providing said written verification the suspension will again be stayed.

24. The Board will inactivate this case file once respondent satisfies this agreement. This agreement does not prohibit the agency from taking disciplinary action against Respondent's license for any additional or cumulative violation of the Kansas Nurse Practice Act committed by the Respondent before or after this agreement is entered into.
