(d) Respondent violated the Diversion Agreement in May 2005 by ingesting oxycontin. Respondent admitted that she had used oxycontin, a drug that she was not prescribed, and that she had gotten the oxycontin from a friend. On May 10, 2005, the [REDACTED] notified the Board that the Respondent had relapsed, after the Respondent reported to [REDACTED] that she had taken oxycontin and [REDACTED] reported that the Respondent was not employed as nurse in May 2005.

(e) The Respondent entered a Consent Agreement to Suspend License with a Stay and Final Order dated September 8, 2005. Respondent agreed to participate and complete the requirements of the [REDACTED].

7. The above incidents are violations of the nurse practice act. The Respondent agrees that the board is prepared to prove that respondent has violated: K.S.A. 65-1120(a)(3), Professional Incompetency by K.S.A. 65-1120(e)(3), a pattern of practice or other behavior which demonstrates a manifest incapacity or incompetence to practice nursing.

8. Respondent has the right to a hearing with evidence and witnesses and to seek review of the findings from that hearing in accordance with the Kansas Administrative Procedure Act and the Act for Judicial Review and Civil Enforcement of agency actions. Respondent is waiving those rights and voluntarily entering into this agreement instead of proceeding to such a hearing.

### **POLICY STATEMENT**

11. The role of the Kansas State Board of Nursing is to protect citizens of Kansas.

## DISPOSITION

12. By entering into this Consent Agreement and consenting to the entry of the Final Order, both parties waive their right to full administrative proceedings pursuant to K.S.A. 65-1120 and K.S.A.77-501 et seq. and to judicial review.

13. Upon the parties entering into this Consent Agreement and with the respondent having met all statutory requirements for reinstatement of respondent's Kansas Nursing license, the respondent's application for reinstatement of respondent's Kansas Nursing license will be granted.

14. Based upon this agreement, and pursuant to the disciplinary remedies available in K.S.A. 65-1120, the parties agree that this Consent Agreement will continue through any renewal periods of respondent's nursing license until respondent completes each of the conditions and requirements of this agreement. Further, the parties agree that in the event of a lapse of Respondent's nursing license, reinstatement of Respondent's nursing license shall be contingent upon this Consent Agreement and Final Order remaining in effect until Respondent completes each of the conditions and requirements of this agreement.

15. Based upon this agreement, and pursuant to the disciplinary remedies available in K.S.A. 65-1120, the parties agree that the Respondent's license to practice nursing in Kansas is immediately suspended. The suspension will be stayed as long as the requirements and conditions of this agreement are met.

16. Based upon this agreement, and pursuant to the disciplinary remedies available in K.S.A. 65-1120, the parties agree that the Respondent's license to practice nursing in Kansas is immediately limited. The limitations placed on the license and described below will remain in place until the requirements and conditions of this agreement are met or until the requirements and conditions of this agreement call for the modification of the limitations.

17. The Kansas State Board of Nursing will not take additional disciplinary action against respondent's nursing license for the violations stated above as long as respondent completes each of the following conditions and requirements:

(a) **Respondent shall return his or her current license card to the Board with this Consent Agreement.** Respondent shall receive a license card which shall be issued with an "S" placed in the status code portion of the license card to indicate that the license is suspended with a Stay. The card will have an "L" indicating the limitations on the practice.

(b) **Respondent will participate in and complete the reasonable recommendations and requirements of the Kansas Nurses Assistance Program (KNAP);** sign releases of information necessary for KNAP to evaluate and monitor respondent and for KNAP to report information to the board. Respondent will be deemed to have completed the KNAP program when KNAP issues written notification that respondent has completed the program. Respondent must enroll in the KNAP program within thirty (30) days of entering this agreement. Noncompliance with KNAP is a violation of this agreement.

(c) **Respondent must submit to random drug screens as determined or selected by the Board or by KNAP.** The costs of the drug screens will be paid by the respondent. Respondent agrees that a Positive Drug Screen is a violation of this agreement.

(d) **Respondent shall have a narcotic key restriction on respondent's license for the first six (6) months after respondent secures employment that requires a nursing license.** The narcotic key restriction prohibits the respondent from passing of narcotics, wasting of narcotics or having access to narcotics. The narcotic key restriction also prohibits the respondent from supervising nurses or others that have access to narcotics. After respondent completes six (6) months of employment that requires a nursing license, without violating any terms of this agreement, respondent may request that the narcotic key restriction be removed from respondent's license. Respondent's request shall include written verification from respondent's employer, to the Kansas State Board of Nursing, as to whether the respondent

has been employed in a position that requires a nursing license; as to whether the respondent has held that position for at least six (6) months; as to whether the respondent has passed, wasted, had access to, or supervised others that had access to narcotics. With a showing that the narcotic key restriction term of this agreement has been met by the respondent, and the respondent is compliant with all other terms of this agreement, the narcotic key restriction will be removed from respondent's license.

(e) **Respondent shall immediately notify the Legal Division of any use of alcohol, if prohibited by KNAP, or controlled substances, or any violation of this Consent Agreement and Final Order.**

(f) **The respondent shall immediately inform all employers and prospective employers of this Consent Agreement and the Final Order.**

(g) Respondent **shall send a money order for \$70 to the Board** upon entering into this agreement to pay the cost of this action.

(h) Respondent **shall not violate the Kansas Nurse Practice Act** during the duration of this agreement.

(i) Respondent **shall not violate the laws of the United States, of State, or of any political subdivision of any State during the term of this agreement.** Traffic infractions shall not be considered violations of the law.

(j) **Respondent shall not practice without onsite supervision by a qualified nurse, for a period of one year from the date of nursing employment.** The parties agree that this provision prohibits the Respondent from practicing nursing unless the supervising nurse is present within the same facility as the Respondent and the supervising nurse is available for periodic inspection of Respondent's nursing tasks.

(k) **Respondent agrees to notify the Legal Division of any changes in address and phone number as well as all employment terminations or employer changes or**

**additions.** All such notifications shall be made in writing within fourteen (14) days of such a change.

18. Respondent acknowledges and agrees that Respondent is responsible for the costs related to satisfying the conditions and requirements of this Consent Agreement. Respondent further acknowledges and agrees that to provide the Board with false information regarding compliance with this Consent Agreement is a violation of this Consent Agreement.

19. If Respondent does not meet these conditions and requirements, the Kansas State Board of Nursing may request additional sanctions against Respondent's license or application for a license. Respondent would be sent notice of such action and would be entitled to a hearing as to whether Respondent had complied with this Consent Agreement, but Respondent could not contest the violations listed in this agreement.

20. All parties understand that if an action based on failure to meet the conditions and requirements of this Consent Agreement is filed, K.S.A. 77-531 requires the Notice of Hearing to be served upon the Respondent and the Respondent's attorney of record, if any. All parties agree that only serving the Notice of Hearing upon the Respondent will be proper service and it is the Respondent's responsibility to contact his or her attorney, if any, in reference to the action.

21. Respondent acknowledges and agrees that if any action based on failure to meet the conditions and requirements of this Consent Agreement is filed during the term of this Consent Agreement and Final Order, or within 30 days after the expiration date, the conditions of this Consent Agreement and Final Order shall continue in effect until the Board or a hearing/presiding officer designated pursuant to K.S.A. 77-514 and K.S.A. 77-526, rules on the action.

22. Respondent acknowledges and agrees that upon a first finding of Respondent not complying with any of the conditions or requirements of this Consent Agreement, the Stay of Suspension of Respondent's license to practice nursing in the State of Kansas, shall be lifted for

a period of six months from the date of said finding. Respondent will not be allowed to practice nursing in the state of Kansas during the period of suspension. Respondent acknowledges and agrees that all conditions and requirements of this Consent Agreement remain in effect during the period of suspension.

23. Respondent acknowledges and agrees that upon a second or subsequent finding of Respondent not complying with any of the conditions or requirements of this Consent Agreement the Stay of Suspension of Respondent's license to practice nursing in the State of Kansas, shall be lifted for a period of one year from the date of said finding. Respondent will not be allowed to practice nursing in the state of Kansas during the period of suspension. Respondent acknowledges and agrees that all conditions and requirements of this Consent Agreement remain in effect during the period of suspension.

24. Respondent acknowledges and agrees that upon the Stay of Suspension being lifted due to a finding of non-compliance with any of the conditions or requirements of this Consent Agreement, the Suspension will not again be Stayed until the Respondent has, following the prescribed time period of suspension, provided written verification to the Board that Respondent is in compliance and has remained in compliance during the period of suspension, with all conditions and requirements of this Consent Agreement. Upon the Respondent providing said written verification the suspension will again be stayed.

25. The Board will inactivate this case file once respondent satisfies this agreement. This agreement does not prohibit the agency from taking disciplinary action against Respondent's license for any additional or cumulative violation of the Kansas Nurse Practice Act committed by the Respondent before or after this agreement is entered into.

26. This agreement is a discipline and must be reported on any future renewal or reinstatement applications. This agreement is a contract entered into by the parties to resolve an investigative case. The original of this agreement shall be placed in the Agency Record. This Agreement is a public record and will be reported to national disciplinary data banks.

27. After successful completion of all of the conditions and requirements of this Consent Agreement by the respondent, the Consent Agreement will be satisfied and the case will be inactivated.

28. By signing this Consent Agreement and Final Order, Respondent acknowledges that Respondent has read and understands the entire document, and agrees to be bound by its terms. This Consent Agreement and Final Order constitute the entire agreement of the parties and may not be modified except in writing and approved by all parties. The effective date of this Consent Agreement and Final Order is the date shown on the certificate of service.

29. The hearing/presiding officer whose signature appears below has been designated pursuant to K.S.A. 77-514 and K.S.A. 77-526 to act on behalf of the Board/agency head and to hear discipline cases on behalf of the Board/agency head and to render either initial orders or final orders, if by agreement of both parties, in those discipline cases.

IN WITNESS WHEREOF, the parties hereto execute this CONSENT AGREEMENT AND FINAL ORDER.
