**License No. 14-594410-091
Case No. 16-640-0**

EFFECTIVE AS A
FINAL ORDER
DATE: 1-17-2017

SUMMARY ORDER

The above matter comes before the Kansas State Board of Nursing (Board) pursuant to authority granted to the Board by K.S.A. 65-1120. The Board hereby proposes to find facts and take disciplinary action against the nurse license of Amy Butler, (Licensee) by way of Summary Order as provided by K.S.A. 77-537.

1. a. Licensee is licensed to practice nursing in the state of Kansas. The Board has jurisdiction over the Licensee and the subject matter of this action.
b. Licensee's address of record is PO Box 9015, Pueblo CO 81008.
2. The role of the Kansas State Board of Nursing is to protect citizens of Kansas.
3. Pursuant to K.S.A. 65-1120(a), the Kansas State Board of Nursing may deny, revoke, limit or suspend any license, certificate of qualification or authorization to practice nursing as a registered professional nurse, as a licensed practical nurse, as an advanced registered nurse practitioner or as a registered nurse anesthetist that is issued by the board or applied for under this act or may publicly or privately censure a licensee or holder of a certificate of qualification or authorization, if the applicant, licensee or holder of a certificate of qualification or authorization is found to have violated the Nurse Practice Act. Pursuant to K.S.A. 74-1110 the Kansas State Board of Nursing may also assess a civil fine not to exceed \$1,000.00 for the first violation of a law or rule and regulation applicable to the practice for which such person has been granted a license.
4. After an investigation, the Board's investigative committee found reasonable grounds to believe that the Applicant violated the Kansas Nurse Practice Act, K.S.A. 65-1120, and referred this matter for further proceedings.
5. K.S.A. 77-511(a)(2)(A) of the Kansas Administrative Procedure Act authorizes the use of summary proceedings by a state agency if the use of summary proceedings does not violate any provision of law, the protection of the public interest does not require the state agency to give notice and an opportunity to participate to persons other than the parties, and the state agency believes in good faith, after investigation of the facts, that the allegations will be supported to the applicable standard of proof.

FINDINGS OF FACT

6. (a) Licensee entered into an Initial Agreed Order with the Kansas State Board of Nursing that required licensee to be referred to and abide by the program of KNAP, the Board's impaired

provider program.

(b) While in that program the licensee had a positive drug screen for ethanol on or about November 16, 2016.

(c) Licensee's contract with KNAP specified that she was to abstain from alcohol.

(d) The Initial Agreed Order specified that a positive drug screen would be a violation of the Order.

VIOLATIONS

7. The above fact findings establish evidence that the Licensee violated the following provisions of the Kansas Nurse Practice Act:

Count 1: K.S.A. 65-1120(a)(6) and K.A.R. 60-3-110, to be guilty of unprofessional conduct as defined by rules and regulations of the board; to wit: failing to comply with any disciplinary order of the Board.

IT IS THEREFORE ORDERED BY THE KANSAS STATE BOARD OF NURSING THAT

- 1. Licensee's license is suspended until she completes the KNAP program.**
- 2. Licensee shall not practice nursing in the state of Kansas.**

Pursuant to K.S.A. 77-537, this decision, which is called a Summary Order, is subject to your request for a hearing. If you desire a hearing, you must submit or direct a written request for hearing to: Kansas State Board of Nursing, Legal Division, 900 SW Jackson, Suite 1051, Topeka, Kansas 66612-1230, (785) 296-4325. If a hearing is not requested in the time and manner stated, this Summary Order becomes effective as a final order, without further notice, upon the expiration of the time for requesting a hearing. If a hearing is requested, the prior issuance of a summary order shall not affect the burden of proof. Pursuant to K.S.A. 77-531, if the Summary Order is served by mail, three days are added to the time limits set out above.
