Case No. 08-785-7, 05-106-7, 03-188-7

CONSENT AGREEMENT AND FINAL ORDER

NOW ON THIS 10th day of March, 2009, the Kansas State Board of Nursing, represented by Assistant Attorney General, Alma A. Heckler, and the Respondent, Angie M. Creason, hereby enter into this agreement and proffer evidence and the hearing officer adopts those recommendations and makes the following findings of fact and orders:

AGREED FINDINGS OF FACT

1. Respondent is licensed to practice nursing in Kansas through 3/31/2004. The Kansas State Board of Nursing (KSBN) has jurisdiction over the Respondent and the subject matter of this action.
2. Respondent's address of record is 11880 Switzer, Shawnee Mission, KS 66210. *Overland Park*
3. The Respondent understands that pursuant to K.S.A. 77-515, respondent may be represented at respondent's expense by, an attorney during these proceedings.
4. After an investigation, the Board's investigative committee found reasonable grounds to believe that the respondent violated the Kansas Nurse Practice Act, K.S.A. 65-1120, and referred this matter for further proceedings.
5. The Kansas State Board of Nursing has the authority under K.S.A. 74-1106 et seq. to examine, license and renew license for duly qualified applicants and may limit, deny, suspend or revoke a license or authorization to practice nursing, may issue a public or private censure and levy administrative fines consistent with K.S.A. 74-1110, if a violation of K.S.A. 65-1120 is established.

6. (a) Respondent filed a second reinstatement application on or about February 17, 2009 with the Kansas Board of Nursing. On 10/11/07 and 10/26/07 Respondent was convicted of two criminal cases of felony prescription fraud and sentenced to nine (9) months in a residential treatment center, 12 months of probation and 25 hours of community service. Respondent has provided documentation of her completion of the residential treatment program on or about 6/20/08.

(b) Respondent has two prior discipline cases with the Kansas Board of Nursing, #03-188-7 and #05-106-7. In the '05 case Respondent failed to comply with the Kansas Nurse Assistance program (KNAP) after she was directly referred to the program. Respondent was referred to the program because she admitted she called in scripts for herself without a Doctor's authorization. Respondent also continued to work without a license after her temporary permit expired on 11/24/2004. Respondent practiced unlicensed until 1/28/2005.

(c) In the '03 case Respondent failed to complete the KNAP verification process after she self referred. She self referred to KNAP after she attempted to pass a forged prescription for Trazadone and another drug and was caught.

(d) In the most recent case #08-785-7, Respondent admitted to a drug addiction, failure to complete KNAP and a conviction for the two felony convictions in 2007 listed in paragraph (a).

7. The above incidents are violations of the nurse practice act. The respondent agrees that the board is prepared to prove that Respondent has violated the following:

Count 1: K.S.A.65-1120(a)(1), to be guilty of fraud or deceit in practicing nursing or in procuring or attempting to procure a license to practice nursing.

Count 2: K.S.A. 65-1120(a)(2), to have been guilty of a felony or to have been guilty of a misdemeanor involving an illegal drug offense without establishing sufficient rehabilitation.

Count 3: K.S.A. 65-1120(a)(4), to be unable to practice with skill and safety due to current abuse of drugs or alcohol.

Count 4: K.S.A. 65-1120(a)(6), unprofessional conduct by K.A.R. 60-3-110(n), diverting drugs, supplies, or property of any patient or agency.

Count 5: K.S.A. 65-1120(a)(6), unprofessional conduct by K.A.R. 60-3-110(s), failing to complete the requirements of the impaired provider program of the board.

Count 6: K.S.A. 65-1120(a)(6), unprofessional conduct by K.A.R. 60-3-110(v), practicing without a license or while the license has lapsed.

8. Respondent has the right to a hearing with evidence and witnesses and to seek review of the findings from that hearing in accordance with the Kansas Administrative Procedure Act and the Act for Judicial Review and Civil Enforcement of agency actions. Respondent is waiving those rights and voluntarily entering into this agreement instead of proceeding to such a hearing.

CONCLUSIONS OF LAW

POLICY STATEMENT

11. The role of the Kansas State Board of Nursing is to protect citizens of Kansas.

DISPOSITION

12. By entering into this Consent Agreement and consenting to the entry of the Final Order, both parties waive their right to full administrative proceedings pursuant to K.S.A. 65-1120 and K.S.A.77-501 et seq. and to judicial review.

13. Upon the parties entering into this Consent Agreement and Final Order, the Respondent's application for reinstatement of Respondent's Kansas Nursing license will be granted once the following conditions have been met: (a) Respondent has met all statutory requirements for reinstatement of Respondent's Kansas Nursing License; (b) Respondent has entered the Kansas Nurses Assistance Program (KNAP); and (c) KNAP has issued a written statement to the Kansas State Board of Nursing which states that the **Respondent has completed twelve consecutive months of compliance in KNAP since entering this consent agreement** and that the Respondent is safe to practice nursing in the State of Kansas.

14. Based upon this agreement, and pursuant to the disciplinary remedies available in K.S.A. 65-1120, the parties agree that this Consent Agreement will continue through any renewal periods of respondent's nursing license until respondent completes each of the

conditions and requirements of this agreement. Further, the parties agree that in the event of a lapse of Respondent's nursing license, reinstatement of Respondent's nursing license shall be contingent upon this Consent Agreement and Final Order remaining in effect until Respondent completes each of the conditions and requirements of this agreement.

15. Based upon this agreement, and pursuant to the disciplinary remedies available in K.S.A. 65-1120, the parties agree that once Respondent's application for reinstatement of his license to practice nursing in Kansas is granted pursuant to paragraph thirteen (13) of this Consent Agreement and Final Order, then Respondent's license to practice nursing in Kansas will be immediately suspended. The suspension will be stayed as long as the requirements and conditions of this agreement are met.

16. Based upon this agreement, and pursuant to the disciplinary remedies available in K.S.A. 65-1120, the parties agree that once Respondent's application for reinstatement of his license to practice nursing in Kansas is granted pursuant to paragraph thirteen (13) of this Consent Agreement and Final Order, then Respondent's license to practice nursing in Kansas is immediately limited. The limitations placed on the license and described below will remain in place until the requirements and conditions of this agreement are met or until the requirements and conditions of this agreement call for the modification of the limitations.

17. The Kansas State Board of Nursing will not take additional disciplinary action against respondent's nursing license for the violations stated above as long as respondent completes each of the following conditions and requirements:

(a) Respondent shall return his or her current license card to the Board with this Consent Agreement. Once Respondent's license to practice nursing in Kansas has been granted pursuant to paragraph thirteen (13) of this Consent Agreement and Final Order, Respondent shall receive a license card which shall be issued with an "S" placed in the status code portion of the license card to indicate that the license is suspended with a Stay. The card will have an "L" indicating the limitations on the practice.

(b) Respondent will participate in and complete the reasonable recommendations and requirements of the Kansas Nurses Assistance Program (KNAP); sign releases of information necessary for KNAP to evaluate and monitor respondent and for KNAP to report information to the board. Respondent will be deemed to have completed the KNAP program when KNAP issues written notification that respondent has completed the program.

Respondent must enroll in the KNAP program within thirty (30) days of entering this agreement. Noncompliance with KNAP is a violation of this agreement.

(c) Respondent must submit to random drug screens as determined or selected by the Board or by KNAP. The costs of the drug screens will be paid by the respondent. Respondent agrees that a Positive Drug Screen is a violation of this agreement.

(d) Respondent shall have a narcotic key restriction on respondent's license for the first twelve (12) months after respondent is licensed and secures employment that requires a nursing license. The narcotic key restriction prohibits the respondent from passing of narcotics, wasting of narcotics or having access to narcotics. The narcotic key restriction also prohibits the respondent from supervising nurses or others that have access to narcotics. After respondent completes twelve (12) months of employment that requires a nursing license, without violating any terms of this agreement, respondent may request that the narcotic key restriction be removed from respondent's license. Respondent's request shall include written verification from respondent's employer, to the Kansas State Board of Nursing, as to whether the respondent has been employed in a position that requires a nursing license; as to whether the respondent has held that position for at least twelve (12) months; as to whether the respondent has passed, wasted, had access to, or supervised others that had access to narcotics. With a showing that the narcotic key restriction term of this agreement has been met by the respondent, and the respondent is compliant with all other terms of this agreement, the narcotic key restriction will be removed from respondent's license and respondent will be issued a license card with no limitations on the practice.

(e) Respondent shall immediately notify the Legal Division of any use of alcohol, if prohibited by KNAP, or controlled substances, or any violation of this Consent Agreement and Final Order.

(f) The respondent shall immediately inform all employers and prospective employers of this Consent Agreement and the Final Order.

(g) Respondent shall send a money order for \$70 to the Board upon entering into this agreement to pay the cost of this action.

(h) Respondent shall not violate the Kansas Nurse Practice Act during the duration of this agreement.

(i) Respondent shall not violate the laws of the United States, of State, or of any political subdivision of any State during the term of this agreement. Traffic infractions shall not be considered violations of the law.

Jackson, Suite 1051, Topeka, Kansas 66612-1230 on the following schedule: Prior to Licensee securing employment that utilizes his or her nursing license, Licensee is to mail to the Kansas State Board of Nursing a statement indicating that Licensee has not yet secured employment which utilizes Licensee's nursing license. This statement is due by the 10th day of each month beginning the next month after signing this consent agreement. Once Licensee is employed in a position that utilizes his or her nursing license, or if Licensee is currently employed in a position that utilizes his or her nursing license, a nursing performance report is due by the 10th day of every third Month until Licensee has caused the submission of four (4) separate nursing performance reports. (l) Respondent agrees to notify the Legal Division of any changes in address and phone number as well as all employment terminations or employer changes or additions. All such notifications shall be made in writing within fourteen (14) days of such a change.

18. Respondent acknowledges and agrees that Respondent is responsible for the costs related to satisfying the conditions and requirements of this Consent Agreement. Respondent further acknowledges and agrees that to provide the Board with false information regarding compliance with this Consent Agreement is a violation of this Consent Agreement.

19. If Respondent does not meet these conditions and requirements, the Kansas State Board of Nursing may request additional sanctions against Respondent's license or application for a license. Respondent would be sent notice of such action and would be entitled to a hearing as to whether Respondent had complied with this Consent Agreement, but Respondent could not contest the violations listed in this agreement.

20. All parties understand that if an action based on failure to meet the conditions and requirements of this Consent Agreement is filed, K.S.A. 77-531 requires the Notice of Hearing to be served upon the Respondent and the Respondent's attorney of record, if any. All parties

agree that only serving the Notice of Hearing upon the Respondent will be proper service and it is the Respondent's responsibility to contact his or her attorney, if any, in reference to the action.

21. Respondent will not be allowed to practice nursing in the state of Kansas during the period of suspension.

23. Respondent acknowledges and agrees that upon the Stay of Suspension being lifted due to a finding of non-compliance with this Consent Agreement, the Suspension will not again be stayed until the Respondent has, following the prescribed time period of suspension, provided written verification to the Board that Respondent is in compliance with all conditions and requirements of this Consent Agreement. Upon the Respondent providing said written verification the suspension will again be stayed.

24. The Board will inactivate this case file once respondent satisfies this agreement. This agreement does not prohibit the agency from taking disciplinary action against Respondent's license for any additional or cumulative violation of the Kansas Nurse Practice Act committed by the Respondent before or after this agreement is entered into.

25. This agreement is a discipline and must be reported on any future renewal or reinstatement applications. This agreement is a contract entered into by the parties to resolve

an investigative case. The original of this agreement shall be placed in the Agency Record.
This Agreement is a public record and will be reported to national disciplinary data banks.

26. After successful completion of all of the conditions and requirements of this Consent Agreement by the respondent, the Consent Agreement will be satisfied and the case will be inactivated.

27. By signing this Consent Agreement and Final Order, Respondent acknowledges that Respondent has read and understands the entire document, and agrees to be bound by its terms. This Consent Agreement and Final Order constitute the entire agreement of the parties and may not be modified except in writing and approved by all parties.
