IN THE MATTER OF JUDY OTEY
License No. 14-3344-051
Case No. 13-1228-8

AGREED ORDER TO SURRENDER LICENSE

1. Licensee, Judy Otey is licensed to practice nursing in Kansas. The Kansas State Board of Nursing (KSBN) has jurisdiction over the Licensee and the subject matter of this action.
2. After an investigation, the Board's investigative committee found reasonable grounds to believe that Licensee violated the Kansas Nurse Practice Act, K.S.A. 65-1120.
3. The Kansas State Board of Nursing has the authority under K.S.A. 74-1106 et seq. to examine, license and renew license for duly qualified applicants and may limit, deny, suspend or revoke a license or authorization to practice nursing, may issue a public or private censure and levy administrative fines consistent with K.S.A. 74-1110, if a violation of K.S.A. 65-1120 is established.
4. Licensee has the right to a hearing with evidence and witnesses and to seek review of the findings from that hearing in accordance with the Kansas Administrative Procedure Act and the Act for Judicial Review and Civil Enforcement of agency actions. Licensee is waiving those rights and voluntarily entering into this agreement to Surrender his/her license instead of proceeding to such a hearing.
5. The Licensee understands that pursuant to K.S.A. 77-515, Licensee may be represented at Licensee's expense by, an attorney during these proceedings.
6. Licensee understands that surrender of his/her license will be considered by the Board to be a disciplinary action and will be reported to the appropriate entities, as required by state and/or federal guidelines.

7. Licensee acknowledges that this agreement is an open record pursuant to the Kansas Open Records Act, K.S.A 45-215 et seq., and may be published or disseminated notwithstanding any state or federal law otherwise restricting public access to, or dissemination of, any personal or health care information, or any information or records of substance abuse evaluation and/or treatment contained herein. This order will be disseminated to national data banks.

8. Licensee acknowledges that the Board was prepared to prove Licensee violated the Kansas nurse practice act with the following facts:

On or about July 10, 2013, Licensee had applied for reinstatement of her RN license in Kansas and reported a DUI conviction. Prior to approving licensure, the Board referred Licensee to KNAP for an evaluation and subsequent monitoring if recommended. On or about August 29, 2013, Licensee entered a monitoring contract with KNAP and soon after received a nursing license.

On or about October 21, 2015, Licensee tested positive for alcohol. The positive test was considered a relapse and KNAP restarted Licensee's 3 year contract. On or about January 5, 2016, Licensee tested positive for alcohol and her contract was once again restarted. On or about May 26, 2016, Licensee informed KNAP that she did not wish to participate in the program and requested her case be closed. She further shared that she did not feel that she could be successful at the time.

9. Licensee hereby agrees to surrender his/her license or privilege to practice as a nurse for a minimum of three (3) years, effective on date of service. In exchange the Board agrees to consider reinstatement of Licensee's license upon request.

10. Prior to requesting reinstatement, Licensee must contact the Board to determine what information will be needed for reinstatement to be considered, and submit the requested information with Licensee's reinstatement application.

11. By signing this Agreed Order to Surrender License, Licensee acknowledges that Licensee has read and understands the entire document, and agrees to be bound by its terms.
