**IN THE MATTER OF  
MARRISSA R. HYDE  
License No. RN Application**

**Case No. 07-626-7**

**CONSENT AGREEMENT AND FINAL ORDER**

NOW ON THIS 18<sup>th</sup> day of Oct, 2007, the Kansas State Board of Nursing, represented by Assistant Attorney General, Alma A. Heckler, and the Respondent, MARRISSA R. HYDE, represented by Sheryl Feutz-Harder, Attorney at Law, hereby enter into this agreement and proffer evidence and the hearing officer adopts those recommendations and makes the following findings of fact and orders:

**AGREED FINDINGS OF FACT**

1. Respondent has submitted an initial application to be licensed to practice nursing in Kansas. The Kansas State Board of Nursing (Board) has jurisdiction over the Respondent and the subject matter of this action.
2. Respondent's address of record is 15821 Linden St, Overland Park, KS 66224.
3. The Respondent understands that pursuant to K.S.A. 77-515, respondent is represented by counsel, Sheryl Feutz-Harder, and such representation is at respondent's expense.
4. After an investigation, the Board's investigative committee found reasonable grounds to believe that the respondent violated the Kansas Nurse Practice Act, K.S.A. 65-1120, and referred this matter for further proceedings.
5. The Kansas State Board of Nursing has the authority under K.S.A. 74-1106 et seq. to examine, license and renew license for duly qualified applicants and may limit, deny, suspend or revoke a license or authorization to practice nursing, may issue a public or private censure and levy administrative fines consistent with K.S.A. 74-1110, if a violation of K.S.A. 65-1120 is established.

6. (a) The respondent recently graduated from Johnson County Community College in May 2007. She passed the NCLEX exam and has applied for a license to practice nursing in Kansas. The respondent's application indicated she has previously been convicted of a Felony.

(b) Further investigation revealed the respondent was convicted of **Attempts to Interfere with the Administration of Internal Revenue Laws, 26 U.S.C. Section 7212(a)** in March of 2005. The respondent participated with others in a scheme to develop, promote, sell and implement a tiered corporate structure, using both foreign and domestic entities, that purported to provide tax benefits but were actually intended to evade federal income taxes and to interfere with the due administration of the internal revenue laws. She served three (3) months in custody of the United States Bureau of Prisons and was on twelve (12) months supervised release. The respondent was fined \$5000.00 and has paid those fines and completed her post custody supervised release.

(c) Respondent does not have any other criminal convictions in the United States.

7. The above incident is a violation of the Kansas Nurse Practice Act. The Respondent agrees that the board is prepared to prove that respondent has committed the following violations of the Kansas Nurse Practice Act;

K.S.A. 65-1120(a)(2), to have been guilty of a felony or to have been guilty of a misdemeanor involving an illegal drug offense without establishing sufficient rehabilitation.

8. Respondent has the right to a hearing with evidence and witnesses and to seek review of the findings from that hearing in accordance with the Kansas Administrative Procedure Act and the Act for Judicial Review and Civil Enforcement of agency actions. Respondent is waiving those rights and voluntarily entering into this agreement instead of proceeding to such a hearing.

#### **CONCLUSIONS OF LAW**

9. The Kansas State Board of Nursing has the authority under K.S.A. 74-1106 et seq. to examine, license and renew license for duly qualified applicants and may limit, deny, suspend or

revoke a license or authorization to practice nursing, may issue a public or private censure and levy administrative fines consistent with K.S.A. 74-1110, if a violation of K.S.A. 65-1120 is established.

10. The Kansas Board of Nursing has determined the respondent has committed the following violation of the Kansas Nurse Practice Act:

**Count 1:** K.S.A. 65-1120(a)(2), to have been guilty of a felony or to have been guilty of a misdemeanor involving an illegal drug offense without establishing sufficient rehabilitation.

### **POLICY STATEMENT**

11. The role of the Kansas State Board of Nursing is to protect citizens of Kansas.

### **DISPOSITION**

12. By entering into this Consent Agreement and consenting to the entry of the Final Order, both parties waive their right to full administrative proceedings pursuant to K.S.A. 65-1120 and K.S.A.77-501 et seq. and to judicial review.

13. Upon the parties entering into this Consent Agreement and with the respondent having met all statutory requirements for initial issuance of respondent's Kansas Nursing license, the respondent's application for an initial Kansas Nursing license will be granted.

14. Based upon this agreement, and pursuant to the disciplinary remedies available in K.S.A. 65-1120, the parties agree that this Consent Agreement will continue through any renewal periods of respondent's nursing license until respondent completes each of the conditions and requirements of this agreement. Further, the parties agree that in the event of a lapse of Respondent's nursing license, reinstatement of Respondent's nursing license shall be contingent upon this Consent Agreement and Final Order remaining in effect until Respondent completes each of the conditions and requirements of this agreement.

15. Based upon this agreement, and pursuant to the disciplinary remedies available in K.S.A. 65-1120, the parties agree that the Respondent's license to practice nursing will be

issued when and if the respondent enters into this Consent Agreement by signing such and returning it to the Kansas State Board of Nursing and upon issuance the license shall be immediately suspended. The suspension will be stayed as long as the requirements and conditions of this agreement are met.

16. Based upon this agreement, and pursuant to the disciplinary remedies available in K.S.A. 65-1120, the parties agree that the Respondent's license to practice nursing in Kansas is immediately limited. The limitations placed on the license and described below will remain in place until the requirements and conditions of this agreement are met or until the requirements and conditions of this agreement call for the modification of the limitations.

17. The Kansas State Board of Nursing will not take additional disciplinary action against respondent's nursing license for the violations stated above as long as respondent completes each of the following conditions and requirements:

(a) Respondent shall receive a license card when this Consent Agreement and Final Order is returned to Kansas Board of Nursing Legal Division, which shall be issued with an "S" placed in the status code portion of the license card to indicate that the license is suspended with a Stay. The card will have an "L" indicating the limitations on the practice.

(b) Respondent shall immediately notify the Legal Division of any violation of this Consent Agreement and Final Order.

(c) The respondent shall immediately inform all employers and prospective employers of this Consent Agreement and the Final Order.

(d) Respondent shall send a money order for \$70 to the Board upon entering into this agreement to pay the cost of this action.

(f) Respondent shall not violate the laws of the United States, of State, or of any political subdivision of any State during the term of this agreement. Traffic infractions shall not be considered violations of the law.

(g) The respondent cannot accept employment or work for, or in any home health or private duty agencies or positions. Nor can the respondent accept employment or work in any facility, agency, or in any setting without personal and continuous on site supervision by an RN.

(h) Respondent shall submit reports from the Respondent's employer to the attention of the Legal Division, Kansas State Board of Nursing, Landon State Office Building, 900 S.W. Jackson, Suite 1051, Topeka, Kansas 66612-1230 on the following schedule: Prior to Respondent securing employment that utilizes her nursing license, Respondent is to mail to the Kansas State Board of Nursing a statement indicating that Respondent has not yet secured employment which utilizes Respondent's nursing license. This statement is due by the 10th day of each month beginning the next month after signing this consent agreement. Once Respondent is employed in a position that utilizes his or her nursing license, or if Respondent is currently employed in a position that utilizes his or her nursing license, a nursing performance report is due by the 10th day of every third Month until Respondent has caused the submission of eight (8) separate nursing performance reports. (i) Respondent agrees to notify the Legal Division of the Kansas Board of Nursing and her attorney, Sheryl Feutz-Harder, of any changes in address and phone number as well as all employment terminations or employer changes or additions. All such notifications shall be made in writing within fourteen (14) days of such a change.

18. Respondent acknowledges and agrees that Respondent is responsible for the costs related to satisfying the conditions and requirements of this Consent Agreement. Respondent further acknowledges and agrees that to provide the Board with false information regarding compliance with this Consent Agreement is a violation of this Consent Agreement.

19. If Respondent does not meet these conditions and requirements, the Kansas State Board of Nursing may request additional sanctions against Respondent's license or application for a license. Respondent would be sent notice of such action and would be entitled to a hearing as to whether Respondent had complied with this Consent Agreement, but Respondent could not contest the violations listed in this agreement.

20. All parties understand that if an action based on failure to meet the conditions and requirements of this Consent Agreement is filed, K.S.A. 77-531 requires the Notice of Hearing to be served upon the Respondent and the Respondent's attorney of record, if any. All parties agree that only serving the Notice of Hearing upon the Respondent will be proper service and it is the Respondent's responsibility to contact his or her attorney in reference to the action.

21. Respondent acknowledges and agrees that upon a first finding of Respondent not complying with the conditions or requirements of this Consent Agreement, the Stay of Suspension of Respondent's license to practice nursing in the State of Kansas, shall be lifted for a period of six months from the date of said finding. lifted for a period of one year from the date of said finding. Respondent will not be allowed to practice nursing in the state of Kansas during the period of suspension.

23. Respondent acknowledges and agrees that upon the Stay of Suspension being lifted due to a finding of non-compliance with this Consent Agreement, the Suspension will not again be Stayed until the Respondent has, following the prescribed time period of suspension, provided written verification to the Board that Respondent is in compliance with all conditions and requirements of this Consent Agreement. Upon the Respondent providing said written verification the suspension will again be stayed.

24. The Board will inactivate this case file once respondent satisfies this agreement. This agreement does not prohibit the agency from taking disciplinary action against Respondent's license for any additional or cumulative violation of the Kansas Nurse Practice Act committed by the Respondent before or after this agreement is entered into.

25. This agreement is a discipline and must be reported on any future renewal or reinstatement applications. This agreement is a contract entered into by the parties to resolve an investigative case. The original of this agreement shall be placed in the Agency Record and is a public record.

26. After successful completion of all of the conditions and requirements of this Consent Agreement by the respondent, the Consent Agreement will be satisfied and the case will be inactivated.

27. By signing this Consent Agreement and Final Order, Respondent acknowledges that Respondent has read and understands the entire document, and agrees to be bound by its terms. It is solely the responsibility of the Respondent to follow and complete or insure completion of each and every one of the requirements of the Consent Agreement and Final Order. This Consent Agreement and Final Order constitute the entire agreement of the parties and may not be modified except in writing and approved by all parties.

28. The hearing/presiding officer whose signature appears below has been designated pursuant to K.S.A. 77-514 and K.S.A. 77-526 to act on behalf of the Board/agency head and to hear discipline cases on behalf of the Board/agency head and to render either initial orders or final orders, if by agreement of both parties, in those discipline cases.
