NOW ON THIS 18<sup>th</sup> day of October, 2010, the Kansas State Board of Nursing, represented by Assistant Attorney General, Alma A. Heckler, and the Respondent, Michelle R. **AGREED FINDINGS OF FACT**

1. Respondent filed an endorsement application to practice nursing in Kansas on or about 9/21/2010. The Kansas State Board of Nursing (KSBN) has jurisdiction over the Respondent and the subject matter of this action.
2. Respondent's address of record is 7313 Richards Drive, Shawnee, Kansas 66216.
3. The Respondent understands that pursuant to K.S.A. 77-515, respondent may be represented at respondent's expense by, an attorney during these proceedings.
4. Respondent acknowledges that this agreement is an open record pursuant to the Kansas Open Records Act, K.S.A 45-215 et seq., and may be published or disseminated notwithstanding any state or federal law otherwise restricting public access to, or dissemination of, any personal or health care information, or any information or records of substance abuse evaluation and/or treatment contained herein.
4. After an investigation, the Board's investigative committee found reasonable grounds to believe that the respondent violated the Kansas Nurse Practice Act, K.S.A. 65-1120, and referred this matter for further proceedings.

5. The Kansas State Board of Nursing has the authority under K.S.A. 74-1106 et seq. to examine, license and renew license for duly qualified applicants and may limit, deny, suspend or revoke a license or authorization to practice nursing, may issue a public or private censure and levy administrative fines consistent with K.S.A. 74-1110, if a violation of K.S.A. 65-1120 is established.

6. (a) Respondent was charged with a Driving Under the Influence (DUI), Shawnee Municipal Court Case No. CN0704163, and accepted a diversion on or about 8/8/07. Respondent completed the diversion after one year license suspension and one year of ignition interlock.

(b) Respondent was convicted of a second DUI on or about July 28, 2010 in Lenexa Municipal Court. Respondent is on probation for 24 months and her vehicle has an interlock for two years. Respondent filed an application to endorse, on or about 9/21/2010.

7. The above incidents are violations of the nurse practice act. The Respondent agrees that the board is prepared to prove that respondent has violated:

Count 1: K.S.A. 65-1120(a)(4), to be unable to practice with skill and safety due to current abuse of drugs or alcohol.

Count 2: K.S.A. 65-1120(a)(2) "to have been guilty of a felony or to have been guilty of a misdemeanor involving an illegal drug offense unless the applicant or licensee establishes sufficient rehabilitation to warrant the public trust..."

Count 3: K.S.A. 65-1120(a)(8), to have a license to practice nursing as a registered nurse or as a practical nurse denied, revoked, limited or suspended, or to be publicly or privately censured, by a licensing authority of another state, agency of the United States government, territory of the United States or country or to have other disciplinary action taken against the

applicant or licensee by a licensing authority of another state, agency of the United States government, territory of the United States or country.

8. Respondent has the right to a hearing with evidence and witnesses and to seek review of the findings from that hearing in accordance with the Kansas Administrative Procedure Act and the Act for Judicial Review and Civil Enforcement of agency actions. Respondent is waiving those rights and voluntarily entering into this agreement instead of proceeding to such a hearing.

## POLICY STATEMENT

11. The role of the Kansas State Board of Nursing is to protect citizens of Kansas.

## DISPOSITION

12. By entering into this Consent Agreement and consenting to the entry of the Final Order, both parties waive their right to full administrative proceedings pursuant to K.S.A. 65-1120 and K.S.A.77-501 et seq. and to judicial review.

13. Upon the parties entering into this Final order and Consent Agreement and with the respondent having met all statutory requirements for endorsement into Kansas and otherwise being eligible for a Nursing license, the respondent's application for endorsement will be granted.

14. Based upon this agreement, and pursuant to the disciplinary remedies available in K.S.A. 65-1120, the parties agree that this Final Order and Consent Agreement will continue through any renewal periods of respondent's nursing license until respondent completes each of the conditions and requirements of this agreement. Further, the parties agree that in the event of a lapse of Respondent's nursing license, reinstatement of Respondent's nursing license shall be contingent upon this Final Order and Consent Agreement remaining in effect until Respondent completes each of the conditions and requirements of this agreement.

15. Based upon this agreement, and pursuant to the disciplinary remedies available in K.S.A. 65-1120, the parties agree that the Respondent's license to practice nursing in Kansas is immediately suspended. The suspension will be stayed as long as the requirements and conditions of this agreement are met.

16. Based upon this agreement, and pursuant to the disciplinary remedies available in K.S.A. 65-1120, the parties agree that the Respondent's license to practice nursing in Kansas is immediately limited. The limitations placed on the license and described below will remain in place until the requirements and conditions of this agreement are met or until the requirements and conditions of this agreement call for the modification of the limitations.

17. The Kansas State Board of Nursing will not take additional disciplinary action against respondent's nursing license for the violations stated above as long as respondent completes each of the following conditions and requirements:

(a) Respondent shall receive a license which when verified by the public will show an "S" to indicate that the license is suspended with a Stay. The license will have limitations on the practice, indicated by and "L".

(b) Respondent will participate in and complete the reasonable recommendations and requirements of the Kansas Nurses Assistance Program (KNAP); respondent will complete a three year contract with KNAP; sign releases of information necessary for KNAP to evaluate and monitor respondent and for KNAP to report information to the board. Respondent will be deemed to have completed the KNAP program when KNAP issues written notification that respondent has completed the program. Respondent must enroll in the KNAP program within thirty (30) days of entering this agreement. Noncompliance with KNAP is a violation of this agreement.

(c) Respondent must submit to random drug screens as determined or selected by the Board or by KNAP. The costs of the drug screens will be paid by the respondent. Respondent agrees that a Positive Drug Screen is a violation of this agreement.

(d) Respondent shall attend three meetings a week through KNAP for the first six months of her contract with KNAP and KNAP at its discretion, may reduce the frequency of the meetings, but only so long as the respondent has been compliant with all terms of her KNAP contract for the six months.

(e) Respondent shall not have a narcotic key restriction on respondent's license, **unless** respondent has a positive urine drug screen during the three year contract with KNAP. If respondent has a positive drug screen, a key restriction will be imposed for six (6) months during respondent's employment that requires a nursing license. The narcotic key restriction prohibits the respondent from passing of narcotics, wasting of narcotics or having access to

narcotics. The narcotic key restriction also prohibits the respondent from supervising nurses or others that have access to narcotics. After respondent completes six (6) months of employment that requires a nursing license, without violating any terms of this agreement, respondent may request that the narcotic key restriction be removed from respondent's license. Respondent's request shall include written verification from respondent's employer, to the Kansas State Board of Nursing, as to whether the respondent has been employed in a position that requires a nursing license; as to whether the respondent has held that position for at least six (6) months; as to whether the respondent has passed, wasted, had access to, or supervised others that had access to narcotics. With a showing that the narcotic key restriction term of this agreement has been met by the respondent, and the respondent is compliant with all other terms of this agreement, the narcotic key restriction will be removed from respondent's license.

(f) Respondent shall immediately notify the Legal Division of any use of alcohol, if prohibited by KNAP, or controlled substances, or any violation of this Final Order and Consent Agreement.

(g) The respondent shall immediately inform all employers and prospective employers of this Final Order and Consent Agreement.

(h) Respondent shall only accept employment as a nurse if she works under the supervision of an RN and RN must be on site.

Once respondent is employed in a position that utilizes his or her nursing license, or if respondent is currently employed in a position that utilizes his or her nursing license, a nursing performance report is due by the 10th day of every third Month until respondent has caused the submission of four (4) separate nursing performance reports.

Respondent is to submit the original certificates for proof of the completion of the hours by 11/15/2010. Respondent may not use these hours to meet the CNE requirements of any renewal period.

18. Respondent acknowledges and agrees that Respondent is responsible for the costs related to satisfying the conditions and requirements of this Final Order and Consent Agreement. Respondent further acknowledges and agrees that to provide the Board with false information regarding compliance with this Final Order and Consent Agreement is a violation of this Final Order and Consent Agreement.

19. If Respondent does not meet these conditions and requirements, the Kansas State Board of Nursing may request additional sanctions against Respondent's license or application for a license. Respondent would be sent notice of such action and would be entitled to a hearing as to whether Respondent had complied with this Final Order and Consent Agreement, but Respondent could not contest the violations listed in this agreement.

Respondent will not be allowed to practice nursing in the state of Kansas during the period of suspension. Respondent acknowledges and agrees that all conditions and requirements of this Final Order and Consent Agreement remain in effect during the period of suspension.

23. Respondent acknowledges and agrees that upon a second or subsequent finding of Respondent not complying with any of the conditions or requirements of this Final Order and Consent Agreement the Stay of Suspension of Respondent's license to practice nursing in the State of Kansas, shall be lifted for a period of one year from the date of said finding. Respondent will not be allowed to practice nursing in the state of Kansas during the period of suspension. Respondent acknowledges and agrees that all conditions and requirements of this Final Order and Consent Agreement remain in effect during the period of suspension.

Upon the Respondent providing said written verification the suspension will again be stayed.

25. The Board will inactivate this case file once respondent satisfies this agreement. This agreement does not prohibit the agency from taking disciplinary action against Respondent's

license for any additional or cumulative violation of the Kansas Nurse Practice Act committed by the Respondent before or after this agreement is entered into.

26. This agreement is a discipline and must be reported on any future renewal or reinstatement applications. This agreement is a contract entered into by the parties to resolve an investigative case. The original of this agreement shall be placed in the Agency Record. This Agreement is a public record and will be reported to national disciplinary data banks.

27. After successful completion of all of the conditions and requirements of this Final Order and Consent Agreement by the respondent, the Final Order and Consent Agreement will be satisfied and the case will be inactivated.
