To Deloris Price

This is in regards to letter I received from you dated Sept 25, 1996 in regards to my action on Feb 27, 1996.

I contacted you and you clarified my options to me at that time. At this time I have no choice but to surrender my license with the understanding that should I be able to return to Kansas I can have this case reopened and have my license reinstated at that time, depending upon the decision of the Investigation Committee of the Board.

RE: Case #96-0170-8

Dear Louise:

The above named case was presented to the Investigative Committee of the Board at the July 15, 1996 meeting. It was their decision to ask you if you would surrender your license. This would be recorded as a revocation in the records. If you do not wish to do this the case will be taken to the committee in December for a resolution of the case.

Should you choose to surrender the license please send your license along with a statement that effect to my attention. In the future should you decide to reinstate the license, the case of diversion would have to be resolved.

If you have any concerns or questions, please call.

Sincerely,

A handwritten signature in cursive script that reads "Delores Price".
