Case No. 06-419-4

CONSENT AGREEMENT AND FINAL ORDER

NOW ON THIS 2nd day of December, 2008, the Kansas State Board of

Nursing, represented by Assistant Attorney General, Mark A. Knight, and the Respondent, Leigh Branscom, hereby enter into this agreement and proffer evidence and the hearing officer adopts those recommendations and makes the following findings of fact and orders:

AGREED FINDINGS OF FACT

1. Respondent is licensed to practice nursing in Kansas through 1/31/2009. The Kansas State Board of Nursing (KSBN) has jurisdiction over the Respondent and the subject matter of this action.
2. Respondent's address of record is 504 S Pine, Lindsborg, KS 67456.
3. The Respondent understands that pursuant to K.S.A. 77-515, respondent may be represented at respondent's expense by, an attorney during these proceedings.
4. After an investigation, the Board's investigative committee found reasonable grounds to believe that the respondent violated the Kansas Nurse Practice Act, K.S.A. 65-1120, and referred this matter for further proceedings.
5. The Kansas State Board of Nursing has the authority under K.S.A. 74-1106 et seq. to examine, license and renew license for duly qualified applicants and may limit, deny, suspend or revoke a license or authorization to practice nursing, may issue a public or private censure and levy administrative fines consistent with K.S.A. 74-1110, if a violation of K.S.A. 65-1120 is established.

6. (a) Between June of 2005 and May of 2006, Respondent was employed as a nurse at Wheatlands Health Care Center, Kingman, Kansas. During April and May of 2006 an investigation was conducted by Wheatlands administrative staff. During the investigation Wheatlands employees reported Respondent had on multiple occasions approached staff members at work to borrow money and or prescription medications. Staff members reported Respondent was persistent in her request for money and medications.

(b) The dollar amounts requested by Respondent ranged from approximately ten dollars to several hundred dollars. The medication usually requested by Respondent was the prescription only narcotic Lortab. Respondent provided information showing she had a prescription for Lortab.

(c) During the investigation Wheatlands staff learned Respondent had borrowed money from her co-workers. Wheatlands staff learned Respondent had borrowed Lortab from at least one co-worker. During this time Wheatlands had in place a policy prohibiting employees from soliciting in the workplace.

(d) The Wheatlands investigation revealed that during the spring of 2006, a Wheatlands employee was in the medication room with Respondent and observed Respondent enter a backpack belonging to another employee. Respondent was observed to remove Lortab from the backpack. Wheatlands had in place a policy prohibiting employees from committing theft in the workplace.

(e) Wheatlands staff found that on at least two occasions during April of 2006, Respondent signed out Lortab for a resident but failed to properly document it on the MAR.

(f) On or about 5/1/2006, Respondent submitted to a drug screen per Wheatlands policy. The drug screen was positive for hydrocodone and hydromorphone.

7. The above incidents are violations of the nurse practice act. The Respondent agrees that the board is prepared to prove that respondent has violated: K.S.A. 65-1120(a)(6), unprofessional conduct by K.A.R. 60-3-110(c), failing to take appropriate action or to follow

policies and procedures in the practice situation designed to safeguard each patient; K.S.A. 65-1120(a)(6), unprofessional conduct by K.A.R. 60-3-110(d), inaccurately recording, falsifying, or altering any record of a patient or agency or of the board; K.S.A. 65-1120(a)(3), Professional Incompetency by K.S.A. 65-1120(e)(3), a pattern of practice or other behavior which demonstrates a manifest incapacity or incompetence to practice nursing.

8. Respondent has the right to a hearing with evidence and witnesses and to seek review of the findings from that hearing in accordance with the Kansas Administrative Procedure Act and the Act for Judicial Review and Civil Enforcement of agency actions. Respondent is waiving those rights and voluntarily entering into this agreement instead of proceeding to such a hearing.

Respondent further acknowledges and agrees that to provide the Board with false information regarding compliance with this Consent Agreement is a violation of this Consent Agreement.

17. If Respondent does not meet these conditions and requirements, the Kansas State Board of Nursing may request additional sanctions against Respondent's license or application for a license. Respondent would be sent notice of such action and would be entitled to a hearing as to whether Respondent had complied with this Consent Agreement, but Respondent could not contest the violations listed in this agreement.

18. All parties understand that if an action based on failure to meet the conditions and requirements of this Consent Agreement is filed, K.S.A. 77-531 requires the Notice of Hearing to be served upon the Respondent and the Respondent's attorney of record, if any. Upon the Respondent providing said written verification the suspension will again be stayed.

22. The Board will inactivate this case file once respondent satisfies this agreement. This agreement does not prohibit the agency from taking disciplinary action against Respondent's license for any additional or cumulative violation of the Kansas Nurse Practice Act committed by the Respondent before or after this agreement is entered into.

23. This agreement is a discipline and must be reported on any future renewal or reinstatement applications. This agreement is a contract entered into by the parties to resolve an investigative case. The original of this agreement shall be placed in the Agency Record. This Agreement is a public record and will be reported to national disciplinary data banks.

24. After successful completion of all of the conditions and requirements of this Consent Agreement by the respondent, the Consent Agreement will be satisfied and the case will be inactivated.

25. By signing this Consent Agreement and Final Order, Respondent acknowledges that Respondent has read and understands the entire document, and agrees to be bound by its terms.
