IN THE MATTER OF
JANNA J. GLASGOW
License No. 23-29241-041
Case No: 11-193-9

SUMMARY ORDER TO REVOKE

Now this 10th day of December, 2012, the above matter comes before the Kansas State Board of Nursing (Board) pursuant to authority granted to the Board by K.S.A. 65-1120. The Board hereby proposes to find facts and take disciplinary action against the licensed practical nurse (LPN) license of Janna J. Glasgow, (Licensee) by way of Summary Order as provided by K.S.A. 77-537.

FINDINGS OF FACT

1.
 - a. Licensee is licensed to practice nursing in the state of Kansas as a registered nurse through 4/30/2013. The Board has jurisdiction over the Licensee and the subject matter of this action.
 - b. Licensee's address of record is 806 Lincoln #3, Wamego, Kansas 66547.
 - c. Licensee on or about November 24, 2010, while employed by Big Lakes Developmental Center in Manhattan, Kansas, left a medically fragile client alone in a vehicle, while licensee completed a personal errand. Client was described as blind, non-verbal, deaf, dependent on mobility and dependent for all care. When licensee returned to the vehicle, licensee was unable to rouse the client. Licensee was not aware whether or not the client had a do not resuscitate (DNR) order and performed CPR on the client and had others perform CPR on the client. Client did have a DNR order on file. Licensee also divulged personal and health related information about the client to medical personnel outside of Big Lakes Developmental Center facility and staff.
 - d. Licensee agreed to complete nursing education by letter dated 6/27/2011 to resolve the investigation in the above captioned case. Licensee has not completed the education.
 - e. Licensee has an active license but has notified the Board that she surrendered her license to the Board.
2. Pursuant to K.S.A. 65-1120(a), the Kansas State Board of Nursing may deny, revoke, limit or suspend any license, certificate of qualification or authorization to practice nursing as a registered professional nurse, as a licensed practical nurse, as an advanced registered nurse practitioner or as a registered nurse anesthetist that is issued by the board or applied for under this act or may publicly or privately censure a licensee or holder of a certificate of qualification or authorization, if the applicant, licensee or holder of a certificate of qualification or authorization is found to have violated the Nurse Practice Act. The above fact findings establish evidence that the applicant violated the following provisions of the Nurse Practice Act:

(a) K.S.A. 65-1120(a)(3), to have committed an act of professional incompetency as defined by K.S.A. 65-1120(e)(1) on or more instances involving failure to adhere to the applicable standard of care to a degree which constitutes gross negligence....

(b) K.S.A. 65-1120(a)(6), unprofessional conduct, by violating the confidentiality of information or knowledge concerning any patient;

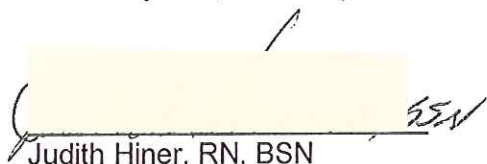

(c) K.S.A. 65-1120(a)(6), unprofessional conduct, by failing to take appropriate action or to follow policies and procedures in the practice situation designed to safeguard each patient, K.A.R. 60-3-110(c);

3. Licensee's conduct described herein violates the Kansas Nurse Practice Act.
4. K.S.A. 77-511(a)(2)(A) of the Kansas Administrative Procedure Act authorizes the use of summary proceedings by a state agency if the use of summary proceedings does not violate any provision of law, the protection of the public interest does not require the state agency to give notice and an opportunity to participate to persons other than the parties, and the state agency believes in good faith, after investigation of the facts, that the allegations will be supported to the applicable standard of proof.
5. The role of the Kansas State Board of Nursing is to protect citizens of Kansas.

IT IS THEREFORE ORDERED BY THE KANSAS STATE BOARD OF NURSING THAT

- 1. Licensee's license is revoked.**
- 2. Licensee shall not practice nursing in the state of Kansas.**
- 3. Licensee shall pay \$70.00 costs of this action to the Board within thirty (30) days of the effective day of this Order.**
