CONSENT AGREEMENT AND FINAL ORDER

NOW ON THIS 6th day of November, 2008, the Kansas State Board of Nursing, represented by Assistant Attorney General, Alma A. Heckler, and the Respondent, Erikka L. Crooms, by and through her attorney, Richard W. Benson, hereby enter into this agreement and proffer evidence and the hearing officer adopts those recommendations and makes the following findings of fact and orders:

AGREED FINDINGS OF FACT

1. Respondent was licensed to practice nursing in Kansas through 5/27/2008. Her license to practice nursing was revoked. The Kansas State Board of Nursing (KSBN) has jurisdiction over the Respondent and the subject matter of this action.
2. Respondent's address of record is 2800 Villa West Dr. #66, Topeka, KS 66607.
3. The Respondent understands that pursuant to K.S.A. 77-515, respondent may be represented at respondent's expense by, an attorney during these proceedings.
4. After an investigation, the Board's investigative committee found reasonable grounds to believe that the respondent violated the Kansas Nurse Practice Act, K.S.A. 65-1120, and referred this matter for further proceedings.
5. The Kansas State Board of Nursing has the authority under K.S.A. 74-1106 et seq. to examine, license and renew license for duly qualified applicants and may limit, deny, suspend or revoke a license or authorization to practice nursing, may issue a public or private censure and levy administrative fines consistent with K.S.A. 74-1110, if a violation of K.S.A. 65-1120 is established.

6. a) In Case No. 05-428-7, respondent failed to complete the Continuing Nurses Education ordered by the Kansas Board of Nursing: two (2) hours on the Kansas Nurse Practice Act, three (3) hours on LPN IV Therapy and three (3) hours on Nursing Ethics. The education was to be completed by 3/31/06. Efforts have been made to contact Respondent and remind Respondent of education deadlines, but Respondent did not respond.

(b) The Respondent had agreed to complete the education listed above to settle Case No. 05-428-7. Respondent failed to appropriately administer medications, while employed by a staffing agency and assigned to a hospital in Overland Park, Kansas. Respondent also failed to report her misdemeanor criminal convictions to the staffing agency on her employment application.

(c) The Respondent had a prior discipline case with the Board, Case No. 00-156-8. On her initial licensure application to the Board of Nursing in Kansas, the Respondent failed to report a 1994 conviction for misdemeanor assault and marijuana possession but did report a 1996 misdemeanor conviction of battery. The Board found that the Respondent had committed fraud and deceit. She was approved for licensure on 6/1/2000 but was warned to report the convictions on all future applications.

(d) In Case No. 06-638-7, when a question arose about possible diversion of Roxanol at Johnson County Nursing Center, the facility requested Respondent complete a UDS. Respondent did complete the UDS and it tested positive for marijuana.

(e) The Respondent failed to respond to the petition filed by the Board and her license to practice nursing was revoked on May 27, 2008. Those issues listed in items (a), (b), (c), (d) and (e) are now settled. The Respondent was found "guilty" of several violations of the Kansas Nurse Practice Act, including K.S.A. -1120(a)(4), to be unable to practice with skill and safety due to current abuse of drugs or alcohol. Respondent has not shown proof of her ability to safely practice.

(f) The Respondent filed an application for reinstatement on August 14, 2008. She submitted proof to the Board of competition of two (2) hours of Continuing Nurse Education (CNE) on the Kansas Nurse Practice act on August 22, 2008. She completed the two hours on August 20, 2008, months after her license was revoked. She has failed to submit proof of completion of three (3) hours on LPN IV Therapy or three (3) hours on Nursing Ethics.

(g) The Respondent responded "No" to Item 10 on the reinstatement application she submitted on August 14, 2008, which asks "Have you ever been convicted of a misdemeanor?" The Investigative Committee of the Board reviewed the Respondent's application materials and denied her application. The summary denial was served on the Respondent and she filed a timely appeal.

7. The above incidents are violations of the nurse practice act. The Respondent agrees that the board is prepared to prove that respondent has violated:

Count 1: K.S.A.65-1120(a)(1), to be guilty of fraud or deceit in practicing nursing or in procuring or attempting to procure a license to practice nursing.

Count 2: K.S.A. 65-1120(a)(3), Professional Incompetency by K.S.A. 65-1120(e)(3), a pattern of practice or other behavior which demonstrates a manifest incapacity or incompetence to practice nursing.

Count 3: K.S.A. 65-1120(a)(4), to be unable to practice with skill and safety due to current abuse of drugs or alcohol.

Count 4: K.S.A. 65-1120(a)(6), unprofessional conduct by K.A.R. 60-3-110(d), inaccurately recording, falsifying, or altering any record of a patient or agency or of the board.

Count 5: K.S.A. 65-1120(a)(6), unprofessional conduct, by failing to complete the requirements of the impaired provider program of the board; K.A.R. 30-3-110 (s)

8. Respondent has the right to a hearing with evidence and witnesses and to seek review of the findings from that hearing in accordance with the Kansas Administrative Procedure Act and the Act for Judicial Review and Civil Enforcement of agency actions. Respondent is waiving

those rights and voluntarily entering into this agreement instead of proceeding to such a hearing.

POLICY STATEMENT

11. The role of the Kansas State Board of Nursing is to protect citizens of Kansas.

DISPOSITION

12. By entering into this Consent Agreement and consenting to the entry of the Final Order, both parties waive their right to full administrative proceedings pursuant to K.S.A. 65-1120 and K.S.A. 77-501 et seq. and to judicial review.

13. Upon the parties entering into this Consent Agreement and with the respondent having met all statutory requirements for reinstatement of respondent's Kansas Nursing license, the respondent's application for reinstatement of respondent's Kansas Nursing license will be granted but only after the respondent submits proof of the following:

(a) Proof of completion of three (3) hours on LPN IV Therapy or three (3) hours on Nursing Ethics.

(b) Enrollment in and full compliance with the Kansas Nurse Assistance Program (KNAP) for a period of three months. KNAP must prepare a letter of confirmation of respondent's compliance and forward same to the Board.

14. Based upon this agreement, and pursuant to the disciplinary remedies available in K.S.A. 65-1120, the parties agree that this Consent Agreement will continue through any renewal periods of respondent's nursing license until respondent completes each of the conditions and requirements of this agreement. Further, the parties agree that in the event of a lapse of Respondent's nursing license, reinstatement of Respondent's nursing license shall be contingent upon this Consent Agreement and Final Order remaining in effect until Respondent completes each of the conditions and requirements of this agreement.

15. Based upon this agreement, and pursuant to the disciplinary remedies available in K.S.A. 65-1120, the parties agree that the Respondent's license to practice nursing in Kansas, when respondent's license is issued, is immediately suspended. The suspension will be stayed as long as the requirements and conditions of this agreement are met.

16. Based upon this agreement, and pursuant to the disciplinary remedies available in K.S.A. 65-1120, the parties agree that the Respondent's license to practice nursing in Kansas is

immediately limited. The limitations placed on the license and described below will remain in place until the requirements and conditions of this agreement are met or until the requirements and conditions of this agreement call for the modification of the limitations.

17. The Kansas State Board of Nursing will not take additional disciplinary action against respondent's nursing license for the violations stated above as long as respondent completes each of the following conditions and requirements:

(a) Respondent's license card, when it is issued, shall be issued with an "S" placed in the status code portion of the license card to indicate that the license is suspended with a Stay. The card will have an "L" indicating the limitations on the practice.

(b) Once the respondent's license is issued, she will continue to participate in and complete the reasonable recommendations and requirements of the Kansas Nurses Assistance Program (KNAP); sign releases of information necessary for KNAP to evaluate and monitor respondent and for KNAP to report information to the board. Respondent will be deemed to have completed the KNAP program when KNAP issues written notification that respondent has completed the program. Noncompliance with KNAP is a violation of this agreement.

(c) Respondent must submit to random drug screens as determined or selected by the Board or by KNAP. The costs of the drug screens will be paid by the respondent. Respondent agrees that a Positive Drug Screen is a violation of this agreement.

(d) Respondent shall have a narcotic key restriction on respondent's license for the first six (6) months **after** respondent secures employment that requires a nursing license. The narcotic key restriction prohibits the respondent from passing of narcotics, wasting of narcotics or having access to narcotics. The narcotic key restriction also prohibits the respondent from supervising nurses or others that have access to narcotics. After respondent completes six (6) months of employment that requires a nursing license, without violating any terms of this agreement, respondent may request that the narcotic key restriction be removed from respondent's license. Respondent's request shall include written verification from respondent's

employer, to the Kansas State Board of Nursing, as to whether the respondent has been employed in a position that requires a nursing license; as to whether the respondent has held that position for at least six (6) months; as to whether the respondent has passed, wasted, had access to, or supervised others that had access to narcotics. With a showing that the narcotic key restriction term of this agreement has been met by the respondent, and the respondent is compliant with all other terms of this agreement, the narcotic key restriction will be removed from respondent's license and respondent will be issued a license card with no limitations on the practice.

(e) Respondent shall immediately notify the Legal Division of any use of alcohol, if prohibited by KNAP, or controlled substances, or any violation of this Consent Agreement and Final Order.

(f) The respondent shall immediately inform all employers and prospective employers of this Consent Agreement and the Final Order.

(g) Respondent shall send a money order for \$70 to the Board upon entering into this agreement to pay the cost of this action.

(h) Respondent shall not violate the Kansas Nurse Practice Act during the duration of this agreement.

(i) Respondent shall not violate the laws of the United States, of State, or of any political subdivision of any State during the term of this agreement. Traffic infractions shall not be considered violations of the law.

(j) The respondent will complete and submit proof of completion of three (3) hours on LPN IV Therapy or three (3) hours on Nursing Ethics. The respondent must submit proof of completion before issuance of her license will be considered. Respondent may not use these hours to meet the CNE requirements of any renewal period.

Respondent further acknowledges and agrees that to provide the Board with false information regarding compliance with this Consent Agreement is a violation of this Consent Agreement.

19. If Respondent does not meet these conditions and requirements, the Kansas State Board of Nursing may request additional sanctions against Respondent's license or application for a license. Respondent would be sent notice of such action and would be entitled to a hearing as to whether Respondent had complied with this Consent Agreement, but Respondent could not contest the violations listed in this agreement.

Upon the Respondent providing said written verification the suspension will again be stayed.

24. The Board will inactivate this case file once respondent satisfies this agreement. 25. This agreement is a discipline and must be reported on any future renewal or reinstatement applications. This agreement is a contract entered into by the parties to resolve an investigative case. The original of this agreement shall be placed in the Agency Record. This Agreement is a public record and will be reported to national disciplinary data banks.

26. After successful completion of all of the conditions and requirements of this Consent Agreement by the respondent, the Consent Agreement will be satisfied and the case will be inactivated.

27. By signing this Consent Agreement and Final Order, Respondent acknowledges that Respondent has read and understands the entire document, and agrees to be bound by its terms.
