PETITION

COMES NOW the petitioner, the Kansas State Board of Nursing, by and through Assistant Attorney General assigned to the Board, Alma A. Heckler, and for its cause of action states that:

1. Respondent, Shannon K. Franks, is licensed to practice nursing in Kansas through 4/30/2011. The Board has jurisdiction over the respondent and the subject matter of this action.
2. Respondent's address of record is 10114 SE Berryton Road, Berryton, KS 66409.
3. After an investigation, the Board's investigative committee found reasonable grounds to believe that the respondent violated the Kansas Nurse Practice Act, K.S.A. 65-1120, and referred this matter for further proceedings.
4. The Kansas State Board of Nursing has the authority under K.S.A. 74-1106 et seq. to examine, license and renew license for duly qualified applicants and may limit, deny, suspend or revoke a license or authorization to practice nursing, may issue a public or private censure and levy administrative fines consistent with K.S.A. 74-1110, if a violation of K.S.A. 65-1120(a) is established.

FACTS COMMON TO ALL COUNTS

5. The facts below are common to all counts:
 - (a) Respondent was referred to the Kansas Nurse Assistance Program (KNAP) on or about 2/1/2008 by her former employer, Lawrence Memorial Hospital, after the respondent was caught writing prescriptions for Lortab for herself. Records show respondent called in as

many as thirteen (13) prescriptions during a period beginning in October 2007 and ending in December of 2008.

(b) The respondent failed to follow through with the referral to KNAP and her KNAP case was closed on or about 4/1/2008. The board entered into discussions with respondent. The board agreed to make a referral on behalf of the respondent to KNAP in April 2010, rather than formally discipline respondent. Respondent agreed to sign a contract with KNAP for monitoring and not return to work as a nurse until KNAP was satisfied she was safe to practice.

(c) Respondent informed KNAP by voice mail on or about August 2, 2010, she would not enroll in KNAP and would in fact surrender her license to practice nursing to the Board. KNAP closed respondent's case once again.

(d) Respondent has not surrendered her nursing license to the Board. Respondent cannot show she is safe to practice, has twice failed to complete the impaired provider program and comply with monitoring.

VIOLATIONS

6. Respondent has violated the Kansas Nurse Practice Act as follows:

Count 1: K.S.A. 65-1120(a)(6), unprofessional conduct, by drug diversion K.A.R. 60-3-110(n);

Count 2: K.S.A. 65 1120(a)(4) to be unable to practice with skill and safety due to current abuse of drugs or alcohol;

Count 3: K.S.A. 65 – 1120(a)(6), unprofessional conduct by inaccurately recording, falsifying, or altering any record of a patient or agency or of the board; K.A.R. 60-3-110(d).

Count 4: K.S.A. 65-1120(a)(6), unprofessional conduct, by failing to complete the requirements of the impaired provider program of the board; K.A.R. 30-3-110 (s)

WHEREFORE, petitioner requests a finding that the respondent has violated the Nurse Practice Act, that respondent's license to practice nursing in Kansas be revoked, and that costs of this action be assessed to the respondent in the amount of \$70.00.

Respectfully submitted,

Stephen N. Six
Kansas Attorney General,
