TERRI L. BROWN

License No. 23-034453-102

Case No. 07-654-8

CONSENT AGREEMENT AND FINAL ORDER

NOW ON THIS 10th day of February, 2009, the Kansas State Board of Nursing, represented by Assistant Attorney General, Alma A. Heckler, and the Respondent, Terri L. Brown, by and through her attorney, Pantaleon Florez, Jr. hereby enter into this agreement and proffer evidence and the hearing officer adopts those recommendations and makes the following findings of fact and orders:

AGREED FINDINGS OF FACT

1. Respondent is licensed to practice nursing in Kansas through 10/31/2010. The Kansas State Board of Nursing (KSBN) has jurisdiction over the Respondent and the subject matter of this action.
2. Respondent's address of record is 322 W 4th, Lyndon, KS 66451.
3. The Respondent understands that pursuant to K.S.A. 77-515, respondent is represented at respondent's expense by an attorney during these proceedings.
4. After an investigation, the Board's investigative committee found reasonable grounds to believe that the respondent violated the Kansas Nurse Practice Act, K.S.A. 65-1120, and referred this matter for further proceedings.
5. The Kansas State Board of Nursing has the authority under K.S.A. 74-1106 et seq. to examine, license and renew license for duly qualified applicants and may limit, deny, suspend or revoke a license or authorization to practice nursing, may issue a public or private censure and levy administrative fines consistent with K.S.A. 74-1110, if a violation of K.S.A. 65-1120 is established.

6. (a) A petition was filed October 22, 2008 to take disciplinary action against the licensee's license. Respondent was employed by Cascade Health Services in Kansas City, Missouri from 12/10/06 to 6/15/07. She was terminated by Cascade after she had a positive drug screen for amphetamine on 6/7/07. Testing was requested after the facility received two separate complaints of respondent's inappropriate behavior and respondent's confession of use of methamphetamines.

(b) Respondent was direct referred to the Kansas Nurse Assistance Program (KNAP) by the Kansas Board of Nursing on November 8, 2007. A drug and alcohol evaluation was completed on 11/19/07 with a recommendation that the respondent participate in the program, with a one (1) year contract and monitoring. The respondent was required to complete random Urinalysis and to enroll in Compass Vision.

(c) The respondent signed a contract with KNAP on 1/8/08. Respondent's KNAP case was closed for non-compliance on 6/17/08. Respondent completed only two drug screens since her entry into the program in January 2008.

7. The above incidents are violations of the nurse practice act. The Respondent agrees that the board is prepared to prove that respondent has violated:

JS *TS*
AAA Count 1: ~~K.S.A. 65-1120(a)(4) to be unable to practice with skill and safety due to~~
~~current abuse of drugs or alcohol;~~

Count 2: K.S.A. 65-1120(a)(6), unprofessional conduct, by failing to complete the requirements of the impaired provider program of the board; K.A.R. 30-3-110 (s).

8. Respondent has the right to a hearing with evidence and witnesses and to seek review of the findings from that hearing in accordance with the Kansas Administrative Procedure Act and the Act for Judicial Review and Civil Enforcement of agency actions. Respondent is waiving those rights and voluntarily entering into this agreement instead of proceeding to such a hearing.

CONCLUSIONS OF LAW

9. The Kansas State Board of Nursing has the authority under K.S.A. 74-1106 et seq. to examine, license and renew license for duly qualified applicants and may limit, deny, suspend or revoke a license or authorization to practice nursing, may issue a public or private censure and levy administrative fines consistent with K.S.A. 74-1110, if a violation of K.S.A. 65-1120 is established.

10. Respondent has violated the Kansas Nurse Practice Act as follows:

~~Count 1: K.S.A. 65-1120(a)(4) to be unable to practice with skill and safety due to current abuse of drugs or alcohol;~~

Count 2: K.S.A. 65-1120(a)(6), unprofessional conduct, by failing to complete the requirements of the impaired provider program of the board; K.A.R. 30-3-110 (s).

POLICY STATEMENT

11. The role of the Kansas State Board of Nursing is to protect citizens of Kansas.

DISPOSITION

12. By entering into this Consent Agreement and consenting to the entry of the Final Order, both parties waive their right to full administrative proceedings pursuant to K.S.A. 65-1120 and K.S.A. 77-501 et seq. and to judicial review.

~~13. Upon the parties entering into this Consent Agreement and with the respondent having met all statutory requirements for reinstatement of respondent's Kansas Nursing license, the respondent's application for reinstatement of respondent's Kansas Nursing license will be granted.~~

14. Based upon this agreement, and pursuant to the disciplinary remedies available in K.S.A. 65-1120, the parties agree that this Consent Agreement will continue through any renewal periods of respondent's nursing license until respondent completes each of the conditions and requirements of this agreement. Further, the parties agree that in the event of a lapse of Respondent's nursing license, reinstatement of Respondent's nursing license shall be

contingent upon this Consent Agreement and Final Order remaining in effect until Respondent completes each of the conditions and requirements of this agreement.

15. Based upon this agreement, and pursuant to the disciplinary remedies available in K.S.A. 65-1120, the parties agree that the Respondent's license to practice nursing in Kansas is immediately suspended. The suspension will be stayed as long as the requirements and conditions of this agreement are met.

16. Based upon this agreement, and pursuant to the disciplinary remedies available in K.S.A. 65-1120, the parties agree that the Respondent's license to practice nursing in Kansas is immediately limited. The limitations placed on the license and described below will remain in place until the requirements and conditions of this agreement are met or until the requirements and conditions of this agreement call for the modification of the limitations.

17. The Kansas State Board of Nursing will not take additional disciplinary action against respondent's nursing license for the violations stated above as long as respondent completes each of the following conditions and requirements:

(a) Respondent shall return her current license card to the Board with this Consent Agreement. Respondent shall receive a license card which shall be issued with an "S" placed in the status code portion of the license card to indicate that the license is suspended with a Stay. The card will have an "L" indicating the limitations on the practice.

(b) Respondent will participate in and complete the reasonable recommendations and requirements of the Kansas Nurses Assistance Program (KNAP); sign releases of information necessary for KNAP to evaluate and monitor respondent and for KNAP to report information to the board. Respondent will be deemed to have completed the KNAP program when KNAP issues written notification that respondent has completed the program. Respondent must enroll in the KNAP program within thirty (30) days of entering this agreement. Noncompliance with KNAP is a violation of this agreement.

(c) Respondent must submit to random drug screens as determined or selected by the Board or by KNAP. The costs of the drug screens will be paid by the respondent.

Respondent agrees that a Positive Drug Screen is a violation of this agreement.

(d) Respondent shall have a narcotic key restriction on respondent's license for the first six (6) months after respondent secures employment that requires a nursing license. The narcotic key restriction prohibits the respondent from passing of narcotics, wasting of narcotics or having access to narcotics. The narcotic key restriction also prohibits the respondent from supervising nurses or others that have access to narcotics. After respondent completes six (6) months of employment that requires a nursing license, without violating any terms of this agreement, respondent may request that the narcotic key restriction be removed from respondent's license. Respondent's request shall include written verification from respondent's employer, to the Kansas State Board of Nursing, as to whether the respondent has been employed in a position that requires a nursing license; as to whether the respondent has held that position for at least six (6) months; as to whether the respondent has passed, wasted, had access to, or supervised others that had access to narcotics. With a showing that the narcotic key restriction term of this agreement has been met by the respondent, and the respondent is compliant with all other terms of this agreement, the narcotic key restriction will be removed from respondent's license and respondent will be issued a license card with no limitations on the practice.

(e) Respondent shall immediately notify the Legal Division of any use of alcohol, if prohibited by KNAP, or controlled substances, or any violation of this Consent Agreement and Final Order.

(f) The respondent shall immediately inform all employers and prospective employers of this Consent Agreement and the Final Order.

(g) Respondent shall send a money order for \$70 to the Board upon entering into this agreement to pay the cost of this action.

(h) Respondent shall not violate the Kansas Nurse Practice Act during the duration of this agreement.

(i) Respondent shall not violate the laws of the United States, of State, or of any political subdivision of any State during the term of this agreement. Traffic infractions shall not be considered violations of the law.

Respondent further acknowledges and agrees that to provide the Board with false information regarding compliance with this Consent Agreement is a violation of this Consent Agreement.

19. If Respondent does not meet these conditions and requirements, the Kansas State Board of Nursing may request additional sanctions against Respondent's license or application for a license. Respondent would be sent notice of such action and would be entitled to a hearing as to whether Respondent had complied with this Consent Agreement, but Respondent could not contest the violations listed in this agreement.

20. All parties understand that if an action based on failure to meet the conditions and requirements of this Consent Agreement is filed, K.S.A. 77-531 requires the Notice of Hearing to be served upon the Respondent and the Respondent's attorney of record, if any. All parties agree that only serving the Notice of Hearing upon the Respondent will be proper service and it is the Respondent's responsibility to contact his or her attorney, if any, in reference to the action.

Upon the Respondent providing said written verification the suspension will again be stayed.

25. This agreement is a discipline and must be reported on any future renewal or reinstatement applications. This agreement is a contract entered into by the parties to resolve an investigative case. The original of this agreement shall be placed in the Agency Record. This Agreement is a public record and will be reported to national disciplinary data banks.

26. After successful completion of all of the conditions and requirements of this Consent Agreement by the respondent, the Consent Agreement will be satisfied and the case will be inactivated.

27. By signing this Consent Agreement and Final Order, Respondent acknowledges that Respondent has read and understands the entire document, and agrees to be bound by its

terms. This Consent Agreement and Final Order constitute the entire agreement of the parties and may not be modified except in writing and approved by all parties.
