Case No. 13-1255-7

INITIAL AGREED ORDER

NOW ON THIS 15th day of April, 2014, the Kansas State Board of Nursing, represented by Assistant Attorney General, Alma A. Heckler, and the Respondent, Larmenki Sellers, pro se, hereby enter into this agreement and proffer evidence and the presiding officer adopts those recommendations and makes the following findings of fact and orders:

AGREED FINDINGS OF FACT

1. Respondent is licensed to practice nursing in Kansas through 3/31/2016. The Kansas State Board of Nursing (KSBN) has jurisdiction over the Respondent and the subject matter of this action.
2. Respondent's address of record is 6739 Lackman Rd. #201, Shawnee, Kansas 66217.
3. The Respondent understands that pursuant to K.S.A. 77-515, respondent may be represented at respondent's expense by, an attorney during these proceedings.
4. Respondent acknowledges that this agreement is an open record pursuant to the Kansas Open Records Act, K.S.A 45-215 et seq., and may be published or disseminated notwithstanding any state or federal law otherwise restricting public access to, or dissemination of, any personal or health care information, or any information or records of substance abuse evaluation and/or treatment contained herein.
5. After an investigation, the Board's investigative committee found reasonable grounds to believe that the respondent violated the Kansas Nurse Practice Act, K.S.A. 65-1120, and referred this matter for further proceedings.

6. The Kansas State Board of Nursing has the authority under K.S.A. 74-1106 et seq. to examine, license and renew license for duly qualified applicants and may limit, deny, suspend or revoke a license or authorization to practice nursing, may issue a public or private censure and levy administrative fines consistent with K.S.A. 74-1110, if a violation of K.S.A. 65-1120 is established.

7. A petition was filed on March 18, 2014 to take disciplinary action against the Respondent's license and states the following:

(a) Respondent was employed by Firstat Nursing Services, Overland Park, Kansas from 4/26/2013 through 6/11/2013. She provided home health care as a private duty nurse to a medically fragile pediatric patient.

(b) Respondent admitted to grabbing the genitals of the older sibling of the patient after he was "messing" with her in the kitchen on or about June 9, 2013. Respondent reported the contact was inadvertant. The victim indicated respondent grabbed his genitals and backed him into a corner while still holding his genitals.

(c) Respondent admitted to inappropriate and unprofessional conversations with adolescent boys visiting and living in the household of the medically fragile pediatric patient. Respondent admits she got too comfortable in the home and merely had a "reflex" reaction to the sexual comments and innuendo of the adolescent males in the patient's home.

(d) Respondent's employment with Firstat Nursing Services was terminated officially on 6/25/2013.

Respondent admits to the facts as stated in the petition.

VIOLATIONS

8. The above incidents are violations of the nurse practice act. The Respondent agrees that the board is prepared to prove that respondent has violated:

Count 1: K.S.A. 65-1120(a)(6), unprofessional conduct, by commission of any act of sexual abuse, sexual misconduct, or sexual exploitation related to the licensee's practice; K.A.R. 60-3-110(f);

Count 2: K.S.A. 65-1120(a)(3), to have committed an act of professional incompetency as defined in subsection (e)(1); one or more instances involving failure to adhere to the applicable standard of care to a degree which constitutes gross negligence, as determined by the board.

9. Respondent has the right to a hearing with evidence and witnesses and to seek review of the findings from that hearing in accordance with the Kansas Administrative Procedure Act and the Act for Judicial Review and Civil Enforcement of agency actions. Respondent is waiving those rights and voluntarily entering into this agreement instead of proceeding to such a hearing.

CONCLUSIONS OF LAW

10. The Kansas State Board of Nursing has the authority under K.S.A. 74-1106 et seq. to examine, license and renew license for duly qualified applicants and may limit, deny, suspend or revoke a license or authorization to practice nursing, may issue a public or private censure and levy administrative fines consistent with K.S.A. 74-1110, if a violation of K.S.A. 65-1120 is established.

11. Respondent has violated the Kansas Nurse Practice Act as follows:

Count 1: K.S.A. 65-1120(a)(6), unprofessional conduct, by commission of any act of sexual abuse, sexual misconduct, or sexual exploitation related to the licensee's practice; K.A.R. 60-3-110(f);

Count 2: K.S.A. 65-1120(a)(3), to have committed an act of professional incompetency as defined in subsection (e)(1); one or more instances involving failure to adhere to the applicable standard of care to a degree which constitutes gross negligence, as determined by the board.

14. Based upon this agreement, and pursuant to the disciplinary remedies available in K.S.A. 65-1120, the parties agree that this Initial Agreed Order will continue through any renewal periods of respondent's nursing license until respondent completes each of the conditions and requirements of this agreement. Further, the parties agree that in the event of a lapse of Respondent's nursing license, reinstatement of Respondent's nursing license shall be contingent upon this Initial Agreed Order remaining in effect until Respondent completes each of the conditions and requirements of this agreement.

15. Based upon this agreement, and pursuant to the disciplinary remedies available in K.S.A. 65-1120, the parties agree that the Respondent's license to practice nursing in Kansas is immediately suspended. 16. Based upon this agreement, and pursuant to the disciplinary remedies available in K.S.A. 65-1120, the parties agree that the Respondent's license to practice nursing in Kansas is immediately limited. (a) Respondent shall receive a license which when verified by the public will show Suspended with a Stay to indicate that the license is suspended but such suspension is stayed so long as she continues to meet the requirements of this Agreed Order. The license will have limitations on the practice as stated below:

(b) The respondent shall immediately inform all employers and prospective employers of this Initial Agreed Order.

(c) The Respondent shall only work in nursing positions where she is supervised by an RN at all times.

26. The Board will inactivate this case file once respondent satisfies this agreement.
