KSBN

License No. 23-38390-091

Case No. 11-1086-5

SUMMARY ORDER

NOW ON THIS 1<sup>st</sup> day of November, 2012, THE ABOVE MATTER COMES BEFORE THE Kansas State Board of Nursing (Board) pursuant to authority granted to the Board by K.S.A. 65-1120. The Board hereby proposed to find facts and take disciplinary action against the renewal application of Applicant by way of Summary Order as provided by K.S.A. 77-537.

FINDINGS OF FACT

1. Applicant submitted a renewal application to practice nursing in the state of Kansas. The Board has jurisdiction over the Applicant and the subject matter of this action.
  2. Applicant's address of record is 2621 North Edgemoor Drive Wichita, Kansas 67220.
  3. On or about 15th day of August, 2011, the Board received Applicant's renewal application to practice nursing in the State of Kansas.
  4. Review of the Application and other information gathered by the Board revealed the following information upon which this action is based.
  5. Applicant answered "yes" to the question about whether he/she had obtained the 30 hours of Continuing Education (CNE) required for license renewal pursuant to K.S.A. 65-1117(a) and KAR 60-9-106(a).
  6. Applicant is not a first time renewal expiring within 30 months following licensure examination or a renewal expiring within 9 months of reinstatement or endorsement, either of which would be an exception to the requirement for CNE.
- 

7. Despite the written instructions on the 25<sup>th</sup> day of August, 2011 telling the applicant that the process could not be completed if the 30 hours of CNE was not obtained. Applicant has provided proof of the 30 hours of CNE on the 7<sup>th</sup> day of September, 2001 but not as required within the time period required.

8. Applicant upon request has not submitted proof of the required 30 hours of CNE allegedly obtained prior to the online renewal application in order to qualify for renewal of the nursing license.

#### CONCLUSIONS OF LAW

1. Pursuant to K.S.A. 65-1117(a) and KAR 60-9-106(a) each applicant for renewal of a Kansas nursing license shall submit proof of completion of 30 hours of CNE obtained within the prior licensing period.
2. Pursuant to K.S.A. 65-1120(a), the Kansas State Board of Nursing may deny, revoke, limit or suspend any license, certificate of qualification or authorization to practice nursing as a registered professional nurse , as a licensed practical nurse, as an advanced registered nurse practitioner or as a registered nurse anesthetist that is issued by the board or applied for under authorization, if the applicant, licensee or holder of a certificate of qualifications or authorization is found to have violated the Nurse Practice Act. The above fact findings established evidence that the applicant violated the following provisions of the Nurse Practice Act:

(a) K.S.A. 65-1120(a)(1), to be guilty of fraud or deceit in procuring or attempting to procure a license to practice nursing.

(b) K.S.A. 65-1120(a)(6), to be guilty of unprofessional conduct as defined by the rules and regulations of the Board, KAR 60-3-110(b) assuming duties and responsibilities within the practice of nursing without making or obtaining adequate preparation or maintaining competency.

(c) K.S.A. 65-1120(a)(7) willfully violating any of the provisions of the Kansas Nurse Practice Act and K.S.A. 65-1117(A) and KAR 60-9-106 every licensee with an active nursing license shall submit with the renewal application evidence of satisfactory completion of a program of CNE as required by the Board which is 30 hours or CNE obtained with the prior licensing period.

- 3 Applicant's conduct described herein violated the Kansas Nurse Practice Act and renders the applicant non-qualified for obtaining a renewal of his/her license.
- 4 K.S.A. 77-511(a)(2)(A) of the Kansas Administrative Procedure Act authorized by use of the summary proceedings does not violated any provision of law and the protection of the public interest does not require the state agency to give notice and opportunity to participate to persons other than the parties.
- 5 The role of the Kansas State Board of Nursing is to protect citizens of Kansas.
