CASE NO. 99-20-8

DEFAULT ORDER DENYING LICENSE

NOW ON THIS 29th day of January, 2002, petitioner appears by disciplinary counsel, Alma A. Heckler, for a pre-hearing conference on the petition. Respondent does not appear.

Wherefore, the hearing officer finds as follows:

1. Respondent filed a reinstatement application on July 26, 2001. By order effective February 10, 2000, the board denied respondent's application to renew her L.P.N. license after a finding that the respondent had violated the nurse practice act. The order cited K.S.A. 65-1120(a)(6), unprofessional conduct for diversion of Demerol from an agency, and K.S.A. 65-1120(a)(7), willful or repeated violations of the act, because respondent had previous cases from 1990 and 1991 for felony drug convictions and 1997 for fraud or deceit in attempting to procure a nursing license and for denial of licensure in Missouri. The respondent has also failed to receive an evaluation from the Kansas Nurses Assistance Program. The board has jurisdiction over this matter.
2. Petitioner sent a copy of the petition and notice of this hearing to respondent's last known address and service is proper.
3. Petitioner moves for issuance of a proposed default order granting the petition.
4. The petition is hereby granted and incorporated into this order as if set forth herein.
5. Per petitioner's request, respondent's application for a license to practice nursing is denied. Respondent may not practice nursing in Kansas.
7. Costs of the action of \$70 are assessed to respondent to be paid to the board by cash or money order within 30 days of the effective date of this order.
8. Disciplinary counsel shall mail a copy of this order to respondent's last known address.

IT IS SO ORDERED.
