IN THE MATTER OF  
ROBYN SUE STRASHEIM  
License No. 24-34471-032

KSBN

Case No: 12-1134-7

**SUMMARY ORDER TO REVOKE**

Now this 9<sup>th</sup> day of December, 2013, the above matter comes before the Kansas State Board of Nursing (Board) pursuant to authority granted to the Board by K.S.A. 65-1120. The Board hereby proposes to find facts and take disciplinary action against the licensed practical nurse license of Robyn Sue Strasheim, (Licensee) by way of Summary Order as provided by K.S.A. 77-537.

**FINDINGS OF FACT**

1. a. Licensee is licensed to practice nursing in the state of Kansas as a licensed practical nurse through 3/31/2014. The Board has jurisdiction over the Licensee and the subject matter of this action.
- b. Licensee's address of record is 12195 S. Blackbob Rd. Apt. #210, Olathe, Kansas 66062.
- c. Licensee was employed at Meadowbrook Rehabilitation Hospital in Gardner, Kansas 1/2009 to 6/10/2012. On or about 6/10/2012, Licensee administered morning medications. A patient complained that he did not receive all of his medications, specifically Ativan. When questioned Licensee appeared to be evasive and changed her story several times. She was given a Urinary Drug Screen (UDS) but was not tested for benzodiazepines.
- d. Licensee had several variances and incident reports while employed at Meadowbrook:
  - 4/21/2009 - omitted two doses of a controlled substance,
  - 10/9/2009 - administered Ativan instead of ordered Xanax,
  - 11/30/2010 - failed to properly assess a patient and document actions after a fall
  - 12/14/2010 - failed to document an assessment of a patient after a fall,
  - 4/14/2010 - incorrectly transcribed orders for Neurontin,
  - 7/8/2011 and 10/2/2011 - failed to provide complete and accurate assessments
  - 3/9/2011 - failed to transcribe medications on MAR,
  - 2/19/2012 - administered expired Jevity
  - 5/8/2012 - warned regarding poor attendance.
- e. Licensee did not respond to the Board's investigative letter. Letter returned with no response from Licensee.

2. Pursuant to K.S.A. 65-1120(a), the Kansas State Board of Nursing may deny, revoke, limit or suspend any license, certificate of qualification or authorization to practice nursing as a registered professional nurse, as a licensed practical nurse, as an advanced registered nurse practitioner or as a registered nurse anesthetist that is issued by the board or applied for under this act or may publicly or privately censure a licensee or holder of a certificate of qualification or authorization, if the applicant, licensee or holder of a certificate of qualification or authorization is found to have violated the Nurse Practice Act. The above fact findings establish evidence that the applicant violated the following provisions of the Nurse Practice Act:
  - (a) K.S.A. 65-1120(a)(1), to be guilty of fraud or deceit in practicing nursing or in procuring or attempting to procure a license to practice nursing;
  - (b) K.S.A. 65-1120(a)(4), unprofessional conduct, by failing to take appropriate action or to follow policies and procedures in the practice situation designed to safeguard each patient; K.A.R. 60-3-110(c);
  - (c) K.S.A. 65-1120(a)(6), unprofessional conduct, inaccurately recording, falsifying, or altering any record of a patient or agency or of the board; K.A.R. 60-3-110(d);
  - (d) K.S.A. 65-1120(a)(6), unprofessional conduct, diverting drugs, supplies or property of any patient or agency; K.A.R. 60-3-110(s);
3. Licensee's conduct described herein violates the Kansas Nurse Practice Act.
4. K.S.A. 77-511(a)(2)(A) of the Kansas Administrative Procedure Act authorizes the use of summary proceedings by a state agency if the use of summary proceedings does not violate any provision of law, the protection of the public interest does not require the state agency to give notice and an opportunity to participate to persons other than the parties, and the state agency believes in good faith, after investigation of the facts, that the allegations will be supported to the applicable standard of proof.
5. The role of the Kansas State Board of Nursing is to protect citizens of Kansas.

**IT IS THEREFORE ORDERED BY THE KANSAS STATE BOARD OF NURSING THAT**

- 1. Licensee's license is revoked.**
- 2. Licensee shall not practice nursing in the state of Kansas.**
- 3. Licensee shall pay \$70.00 costs of this action to the Board within thirty (30) days of the effective day of this Order.**
