AMY N. HUDSON

License No. 24-43108-061

Case No. 13-1051-6

SUMMARY ORDER TO REVOKE

Now this 25th day of March, 2014, the above matter comes before the Kansas State Board of Nursing (Board) pursuant to authority granted to the Board by K.S.A. 65-1120. The Board hereby proposes to find facts and take disciplinary action against the licensed practical nurse license of Amy N. Hudson, (Licensee) by way of Summary Order as provided by K.S.A. 77-537.

FINDINGS OF FACT

1.
 - a. Licensee is licensed to practice nursing in the state of Kansas as a registered nurse through 6/30/2015. The Board has jurisdiction over the Licensee and the subject matter of this action.
 - b. Licensee's address of record is 517B E. Washington, Pittsburg, Kansas 66762.
 - c. The Licensee renewed her nursing license in June of 2013. She failed to report past misdemeanor convictions on her renewal application.
 - d. The Board asked the Licensee to complete two (2) hours of continuing nurse education (CNE) to resolve the the above captioned case. The Licensee agreed in writing, by letter received by the Board on November 1, 2013.
 - e. The Board attempted to contact the Licensee to remind her of her obligation but the letters returned. Licensee has not completed the education or has not provided proof of completion to the Board as directed by the Board.
 - f. Licensee moved from her address of record and failed to provide any forwarding addresses to the United States Post Office or to the Board of Nursing. The Board is unable to contact the Licensee.
2. Pursuant to K.S.A. 65-1120(a), the Kansas State Board of Nursing may deny, revoke, limit or suspend any license, certificate of qualification or authorization to practice nursing as a registered professional nurse, as a licensed practical nurse, as an advanced registered nurse practitioner or as a registered nurse anesthetist that is issued by the board or applied for under this act or may publicly or privately censure a licensee or holder of a certificate of qualification or authorization, if the applicant, licensee or holder of a certificate of qualification or authorization is found to have violated the Nurse Practice Act. The above fact findings establish evidence that the applicant violated the following provisions of the Nurse Practice Act:

(a) K.S.A. 65-1120(a)(1) to be guilty of fraud or deceit in practicing nursing or in procuring or attempting to procure a license to practice nursing;

(b) K.S.A. 65-1120(a)(6) to be guilty of unprofessional conduct as defined by K.A.R. 60-3-110(t) failing to furnish the board, its investigators, or its representatives with any information legally requested by the Board.

3. Licensee's conduct described herein violates the Kansas Nurse Practice Act.
4. K.S.A. 77-511(a)(2)(A) of the Kansas Administrative Procedure Act authorizes the use of summary proceedings by a state agency if the use of summary proceedings does not violate any provision of law, the protection of the public interest does not require the state agency to give notice and an opportunity to participate to persons other than the parties, and the state agency believes in good faith, after investigation of the facts, that the allegations will be supported to the applicable standard of proof.
5. The role of the Kansas State Board of Nursing is to protect citizens of Kansas.

IT IS THEREFORE ORDERED BY THE KANSAS STATE BOARD OF NURSING THAT

- 1. Licensee's license is revoked.**
- 2. Licensee shall not practice nursing in the state of Kansas.**
- 3. Licensee shall pay \$70.00 costs of this action to the Board within thirty (30) days of the effective day of this Order.**

If a hearing is not requested in the time and manner stated, this Summary Order becomes effective as a final order, without further notice, upon the expiration of the time for requesting a hearing.
