License No. 24-43708-121  
Case No. 14-2079-0

SUMMARY ORDER TO SUSPEND

Now on this 12 day of January, 2016, the above matter comes before the Kansas State Board of Nursing (Board) pursuant to authority granted to the Board by K.S.A. 65-1120. The Board hereby proposes to find facts and take disciplinary action against the nurse license of Jessica Lea Burnette, (Licensee) by way of Summary Order as provided by K.S.A. 77-537.

1. a. Licensee is licensed to practice nursing in the state of Kansas through 12-31-2017. The Board has jurisdiction over the Licensee and the subject matter of this action.  
b. Licensee's address of record is 8345 Kessler Street, Overland Park KS 66212.
2. The role of the Kansas State Board of Nursing is to protect citizens of Kansas.
3. Pursuant to K.S.A. 65-1120(a), the Kansas State Board of Nursing may deny, revoke, limit or suspend any license, certificate of qualification or authorization to practice nursing as a registered professional nurse, as a licensed practical nurse, as an advanced registered nurse practitioner or as a registered nurse anesthetist that is issued by the board or applied for under this act or may publicly or privately censure a licensee or holder of a certificate of qualification or authorization, if the applicant, licensee or holder of a certificate of qualification or authorization is found to have violated the Nurse Practice Act. Pursuant to K.S.A. 74-1110 the Kansas State Board of Nursing may also assess a civil fine not to exceed \$1,000.00 for the first violation of a law or rule and regulation applicable to the practice for which such person has been granted a license.
4. After an investigation, the Board's investigative committee found reasonable grounds to believe that the Applicant violated the Kansas Nurse Practice Act, K.S.A. 65-1120, and referred this matter for further proceedings.

FINDINGS OF FACT

5. The Missouri Board of Nursing suspended the Licensee's license on November 3, 2014.

VIOLATIONS

6. The above fact findings establish evidence that the Licensee violated the following provisions of the Kansas Nurse Practice Act:

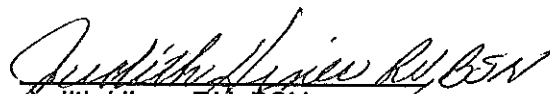

Count 1: K.S.A. 65-1120(a)(8), to have a license to practice nursing as a registered nurse or as a practical nurse denied, revoked, limited or suspended, or to be publicly or privately censured, by a licensing authority of another state, agency of the United States government, territory of the United States or country or to have other disciplinary action taken against the applicant or licensee by a licensing authority of another state, agency of the United States government, territory of the United States or country.

7. K.S.A. 77-511(a)(2)(A) of the Kansas Administrative Procedure Act authorizes the use of summary proceedings by a state agency if the use of summary proceedings does not violate any provision of law, the protection of the public interest does not require the state agency to give notice and an opportunity to participate to persons other than the parties, and the state agency believes in good faith, after investigation of the facts, that the allegations will be supported to the applicable standard of proof.

**IT IS THEREFORE ORDERED BY THE KANSAS STATE BOARD OF NURSING THAT**

- 1. Licensee's license is suspended.**
- 2. Licensee shall not practice nursing in the state of Kansas.**

If a hearing is requested, the prior issuance of a summary order shall not affect the burden of proof. Pursuant to K.S.A. 77-531, if the Summary Order is served by mail, three days are added to the time limits set out above.
