 - e. Leane M. Saucier will notify the Board in writing within five business days should any change occur in her nursing employment and/or an educational program in the field of nursing. Notice under this section shall include the place and position of employment or the nursing educational program. If during the period of probation, Ms. Saucier's employment as a nurse or educational program in the field of nursing terminates, she shall notify the Board in writing within five

business days after she is terminated or separated, regardless of cause, with a full explanation of the circumstances.

- f. Leane M. Saucier's employment is restricted during the period of probation to structured settings with on-site supervision by a registered professional nurse. Structured settings shall not include assignments from temporary employment agencies, home health, school nursing, work as a travel nurse or within the correctional system.
- g. Leane M. Saucier will notify any and all of her nursing employers and faculty involved in any clinical studies of the terms of this Agreement and provide them with a copy of it.
- h. Leane M. Saucier will arrange for and ensure the submission to the Board of quarterly reports from her nursing employer and/or clinical faculty regarding her general nursing practice, which is to include clinical competency, documentation, and adherence to policies/procedures.
8. Leane M. Saucier agrees and understands that the Board and the Office of the Attorney General shall have access to any and all medical records and all otherwise confidential or medically privileged information pertaining to her treatment for substance abuse which the Board deems necessary to evaluate her compliance with the Agreement and her continued recovery. Ms. Saucier shall provide such information, authorize the release of such records and information, and authorize any such discussions and communications with any and all persons involved in her care, counseling and employment as may be requested by the Board.
9. Leane M. Saucier agrees and understands that her license will remain on probationary status and subject to the terms of this Agreement beyond the above-referenced probationary period until and unless the Board, at her written request, votes to terminate her probation. When considering whether to terminate the probation, the Board will consider the extent to which Ms. Saucier has complied with the provisions of this Agreement.
10. Leane M. Saucier understands and agrees that if any member of the Board or the Board's Executive Director receives reasonably reliable information suggesting that she has not remained substance-free in accordance with this Agreement, her license will be immediately and automatically suspended pending further review by the Board. In the event any member of the Board or its Executive Director receives such information, it will be immediately forwarded to Ms. Saucier for response. Ms. Saucier understands and agrees that in such an event, her license shall remain suspended pending a hearing. The Board shall hold a hearing within 60 days of the automatic suspension unless both the Licensee and the Board agree to hold the hearing later, or the Executive Director and/or the Office of the Attorney General earlier determine that such information is without merit. If the information received is proven to be inaccurate or incorrect, either through hearing or determination by the Executive Director and/or the Office of the Attorney General, Ms. Saucier's license will be immediately reinstated retroactive to date of suspension.
11. If Ms. Saucier violates any other condition of her probation, the Board will give written notice to the Licensee regarding her failure to comply. The Licensee has 30 days from receipt of this notification to respond to the Board, in writing, regarding the alleged violation. The Board will review the Licensee's timely response to determine what action, if any, it determines to take. If the Licensee fails to timely respond to the Board's notification regarding her failure to comply, her license will be immediately suspended pending a hearing at the next regularly scheduled Board meeting. If after notice and a hearing, the Board finds that the Licensee has failed to meet the conditions of probation, the Board may take any disciplinary action which it deems

appropriate and impose any of the sanctions including, but not limited to, that found in Title 10 M.R.S.A. § 8003 and Title 32 M.R.S.A. § 2105-A.

12. The State of Maine is a "party state" that has adopted the Nurse Licensure Compact ("Compact"), which is set out in Chapter 11 of the Rules and Regulations of the Maine State Board of Nursing. The State of Maine is Ms. Saucier's "home state" of licensure and primary state of residence, which means she has declared the State of Maine as her fixed permanent and principle home for legal purposes; her domicile. Other party states in the Compact are referred to as "remote states," which means party states other than the home state that have adopted the Compact. Ms. Saucier understands this Agreement is subject to the Compact. She agrees that during the pendency of this Agreement, her nursing practice will be limited to the State of Maine as it pertains to the Compact. If Ms. Saucier wishes to practice in any other party state within the Compact, she shall arrange to have the party state in which she intends to practice provide the Board with written authorization that she has been approved to practice in that state; the Board will then make its determination.
