

VIRGINIA:

BEFORE THE BOARD OF NURSING

**IN RE: ROBIN BIDOT, R.N.
 License No.: 0001-212222**

CONSENT ORDER

Pursuant to §§ 2.2-4019, 2.2-4021 and 54.1-2400(10) of the Code of Virginia (1950), as amended ("Code"), an informal conference was held before a Special Conference Committee ("Committee") of the Board of Nursing ("Board") on December 14, 2015, in Henrico County, Virginia, to inquire into evidence that Robin Bidot, R.N., may have violated certain laws and regulations governing the practice of nursing in Virginia and that Ms. Bidot may have violated an Order of the Board entered November 10, 2014. Ms. Bidot was present and was not represented by counsel.

Upon consideration of the evidence presented, the Committee adopted the following Findings of Fact and Conclusions of Law.

FINDINGS OF FACT

1. Robin Bidot, R.N., was issued License No. 0001-212222 to practice professional nursing by the Virginia Board of Nursing on May 2, 2008. Said license is set to expire on May 31, 2017. Ms. Bidot's primary state of residence is Virginia.
2. By letter dated November 19, 2015, the Board of Nursing sent a Notice of Informal Conference ("Notice") to Ms. Bidot notifying her that an informal conference would be held on December 14, 2015. The Notice was sent by certified and first class mail to 2109 Grey Fox Lane, Virginia Beach, Virginia, 23456, the address of record on file with the Board of Nursing.

3. The Board entered an Order November 10, 2014, reinstating Ms. Bidot's license to practice professional nursing and making findings that she had a previous diagnosis of substance/opioid dependency, depression, anxiety disorder and attention deficit disorder. Term No. 1 of the Board's Order required her to remain in compliance with the Health Practitioners' Monitoring Program ("HPMP").

3. Ms. Bidot signed a Participation Contract with the HPMP on May 17, 2014, in which she acknowledged her opioid and benzodiazepine abuse and ongoing treatment.

4. Ms. Bidot had difficulty remaining in compliance with the HPMP. She failed to enter and complete treatment as recommended, she failed to comply with the toxicology screening program and she submitted a letter of resignation to the HPMP on February 23, 2015.

5. Ms. Bidot was dismissed from the HPMP on March 5, 2015.

6. At the time of her dismissal from the HPMP, Ms. Bidot had not been approved to return to work as a nurse. Ms. Bidot last worked as a nurse in mid-2013.

7. In a June 24, 2015, interview with the investigator for the Department of Health Professions, Ms. Bidot's psychiatrist stated that she did have some concerns about Ms. Bidot returning to nursing. Ms. Bidot's therapist stated on June 24, 2015, that she would be concerned with Ms. Bidot working in a critical care type of environment because of her attention and focus issues.

8. Ms. Bidot is currently prescribed Paxil and Vyvanse and she sees her psychiatrist quarterly.
