STATEMENT OF ALLEGATIONS

The Board alleges that:

1. At all times relevant hereto, Lynn Marie Vanderwerff, L.P.N., was licensed to practice practical nursing in the Commonwealth of Virginia.

2. Ms. Vanderwerff violated Virginia Code § 54.1-3007(2), (5), and (6) and 18 VAC 90-20-300(a)(2)(c) of the Regulations Governing the Practice of Nursing (currently found at 18 VAC 90-19-230(A)(2)(c), effective February 24, 2017) in that during the course of her employment with Lake Taylor Transitional Care Hospital, Norfolk, Virginia, by her own admission, between March and September 2016, she diverted morphine (C-II), oxycodone (C-II), and Dilaudid (hydromorphone, C-II). She accomplished this diversion by pocketing discontinued medications and then destroying corresponding inventory records when she was cleaning out the medication cart.

3. Ms. Vanderwerff violated Virginia Code § 54.1-3007(6) in that she is unsafe to practice practical nursing due to substance abuse, as evidenced by the following:

a. On or about September 30, 2016, she signed a Participation Contract with the Health Practitioners' Monitoring Program in which she acknowledged her opioid abuse.

b. Beginning in October 2016, she received therapy at the Cognitive Behavior Therapy Center, Chesapeake, Virginia for diagnoses including bipolar disorder and opiate dependence in early full remission.

Pursuant to Virginia Code § 54.1-2400.2(K), the Board considered whether to disclose or not disclose Ms. Vanderwerff's health records or health services.
