STATEMENT OF ALLEGATIONS

The Board alleges that:

1. At all times relevant hereto, Lisa T. Dawson, L.P.N., was licensed to practice practical nursing in the Commonwealth of Virginia.

2. Ms. Dawson violated Virginia Code § 54.1-3007(6) in that she is unsafe to practice practical nursing due to mental illness and/or physical illness and/or substance abuse, as evidenced by the following:

a. On or about January 10, 2016, she was hospitalized following a suicide attempt. She was intoxicated at the time, having admittedly consumed alcohol, clonazepam, and Neurontin. She was discharged on or about January 12, 2016, with diagnoses of chronic adjustment disorder with mixed anxiety and depressed mood; pain disorder with both psychological and physical factors; rule out primary anxiety disorder; rule out opioid use disorder; and alcohol use disorder.

b. In an interview with an investigator for the Department of Health Professions in August 2016, Ms. Dawson's mental health treatment provider stated that Ms. Dawson reported excessive use of alcohol. The provider indicated that Ms. Dawson's alcohol use had caused problems and turmoil in her personal life and that Ms. Dawson was not safe to practice while she was using alcohol. She further indicated that Ms. Dawson was resistant to discussing non-medication options for treatment of her chronic pain and treatment for substance abuse.

Pursuant to Virginia Code § 54.1-2400.2(K), the Board considered whether to disclose or not disclose Ms. Dawson's health records or health services.
