IN RE:

BONNIE DRAPER TILLER, R.N.

ORDER OF SUMMARY SUSPENSION

Pursuant to § 54.1-110 of the Code of Virginia (1950), as amended, a quorum of the Board of Nursing (hereinafter "the Board") met by telephone conference call after a good faith effort to convene a regular meeting of the Board had failed on February 11, 2004. The purpose of the meeting was to receive and act upon certain information indicating that Bonnie Draper Tiller, R.N., may have violated certain laws and regulations relating to the practice of professional nursing in the Commonwealth of Virginia, as more fully set forth in the attached "NOTICE OF HEARING and STATEMENT OF PARTICULARS," which is attached hereto and incorporated by reference herein.

WHEREUPON, pursuant to its authority under § 54.1-2408.1(A) of the Code of Virginia (1950), as amended, the Board concludes that a substantial danger to public health or safety warrants this action and ORDERS that the license of Bonnie Draper Tiller, R.N., to practice professional nursing in the Commonwealth of Virginia be, and hereby is, SUSPENDED. It is further ORDERED that a hearing be convened forthwith to receive and act upon evidence in this cause and that the Executive Director of the Board shall be authorized to execute this Order and all other documents, notices and orders on behalf of the Board necessary to bring this matter to hearing.

Upon entry of this Order, the license of Bonnie Draper Tiller, R.N., will be recorded as suspended and no longer current. Consistent with the terms of this Order, in the event that Ms. Tiller seeks reinstatement of her license, she shall be responsible for any fees that may be required for the reinstatement and renewal of her license prior to issuance of her license to

resume practice.

Pursuant to § 2.2-4023 of the Code of Virginia (1950), as amended, the signed original of this Order shall remain in the custody of the Department of Health Professions as public record and shall be made available for public inspection or copying on request.
