NOTICE OF SUSPENSION

You are hereby notified that pursuant to Tenn. Code Ann. §63-1-141, the Tennessee Student Assistance Corporation ("TSAC") has provided the Board of Nursing with a Final Order finding the Respondent has defaulted in paying his or her state or federal educational loan or service-conditional scholarship. You are further notified that under the authority of Tenn. Code Ann. §63-1-141 your Registered Nurse license is suspended indefinitely effective February 29, 2016.

Grounds for Suspension

Your Registered Nurse license is being suspended indefinitely based upon a Final Order from TSAC to Department of Health that you have failed to pay your student loans in full or through a payment plan approved by TSAC.

To Restore-Reinstate Your License

To have your Registered Nurse license restored or reinstated you must comply with the Final Order by:

1) **Paying-In-Full**

You may pay your student loans in full by immediately contacting TSAC shown on the Notice Prior to License or Certificate Suspension, Denial, or Revocation;

2) **Entering into a Payment Plan; or**

3) **Complying with a payment plan previously entered into and approved by TSAC.**

If you are not able to pay the full amount of the student loans that you owe, you should, as soon as possible, contact the TSAC Office shown on the Notice Prior to License or Certificate Suspension, Denial, or Revocation, which you recently received by certified mail, in order to make a plan to pay a portion of your students loans now and the rest over a reasonable period of time.

After Making Arrangements With the Department

Upon making a satisfactory arrangement with the TSAC to pay the students loans you owe in full or to pay it over a reasonable period of time, the TSAC will issue a Order to Terminate Suspension to Department of Health stating that you have paid your student loans in full, entered into a payment plan, or complied with a payment plan previously entered into and approved by TSAC. Upon receipt of the Order to Terminate Suspension, Board of Nursing will lift the suspension of your license; provided that you have met ALL other applicable licensing requirements.

If this agency received a Order to Terminate Suspension from TSAC, you will NOT be required to be re-tested or re-certified for your Registered Nurse license if it

was: 1) valid and held in good standing immediately prior to suspension and 2) you were in compliance with all renewal requirements triggered during the period of suspension, including but not limited to the payment of fees and submission of continuing education credits if applicable.

Although, you will not be required to pay a new licensing fee if such fee is otherwise current, you will be charged a five dollar (\$5.00) processing fee by the Board of Nursing for lifting the suspension.

Appeal

Tenn. Code Ann. §63-1-141 does not allow any appeal of the action to suspend your license after TSAC provides the Final Order to this agency that you have defaulted in paying your student loans and requesting suspension, denial, or revocation of your license. You have previously been notified by TSAC that your right to appeal the Notice Prior to License or Certificate Suspension, Denial or Revocation would have been to TSAC.

You should immediately contact TSAC shown on the Notice Prior to License or Certificate Suspension, Denial or Revocation sent to you by certified mail and make arrangements to pay back your student loans.
