STATEMENT OF ALLEGATIONS

The Board of Nursing alleges that:

1. At all times relevant hereto, Lori Beth Bailey, L.P.N. was licensed to practice practical nursing in the Commonwealth of Virginia.
2. Ms. Bailey violated Virginia Code § 54.1-3007(6) in that she is unsafe to practice practical nursing due to mental illness, physical illness, and/or substance abuse, as evidenced by the following:
 - a. From on or about October 6 through October 10, 2015, Ms. Bailey received inpatient psychiatric treatment at the Lewis Gale Medical Center, Roanoke, Virginia, due to increasing symptoms of depression and substance abuse. Her discharge diagnoses included major depressive disorder, recurrent, severe, no psychosis; alcohol abuse; and opiate misuse.
 - b. In or about June 2016, Ms. Bailey's treating psychiatrist and her primary care provider both told the investigator for the Department of Health Professions that they did not believe Ms. Bailey was capable of practicing as a nurse at this time.
3. Ms. Bailey violated Virginia Code § 54.1-3007(6) in that she is unsafe to practice practical nursing due to substance abuse, as more fully set out in Confidential Exhibit I.

Pursuant to Virginia Code § 54.1-2400.2(K), the Board considered whether to disclose or not disclose Ms. Bailey's health records or health services.
