Re: VA License No.: 0001-174833
Suspended: July 28, 2010

Dear Ms. Mock:

This is official notification that an informal conference will be held pursuant to §§ 2.2-4019, 2.2-4021, and 54.1-2400(10) of the Code of Virginia (1950), as amended ("Code"), **on June 3, 2013, at 10:30 a.m.**, at the Department of Health Professions, Perimeter Center, 9960 Mayland Drive, Suite 201, Henrico, Virginia 23233. You may be represented by an attorney at the conference. This informal conference will be convened as a public meeting pursuant to § 2.2-3700 *et seq.* of the Code.

The Special Conference Committee ("Committee"), which is comprised of at least two members of the Virginia Board of Nursing ("Board"), will receive and act upon your application for the reinstatement of your license to practice professional nursing in the Commonwealth of Virginia, which was suspended by an Order of the Board entered July 28, 2010, and will inquire into allegations that you may have violated certain laws and regulations governing nursing practice in Virginia.

Specifically:

1. You may have violated § 54.1-3007(4) of the Code in that:
 - a. On or about July 27, 2012, you were convicted of petit larceny in the Fairfax County, Virginia General District Court.
 - b. On or about February 8, 2013, you were convicted of petit larceny in the Fairfax County General District Court.

2. You may have violated § 54.1-3007(1) of the Code and 18 VAC 90-20-300(A)(1)(b) of the Regulations Governing the Practice of Nursing in that on your application for reinstatement of your license to practice professional nursing:

a. You answered "NO" to the question "Have you ever been convicted, pled guilty to or pled Nolo Contendere to the violation of any federal, state, or other statute or ordinance constituting a felony or misdemeanor?" when, in fact, you were convicted of two misdemeanor counts of petit larceny as evidenced above.

b. You answered "NO" to the question "Do you have a mental, physical, or chemical dependency which could interfere with your current ability to practice nursing?" when, in fact, your license to practice professional nursing was suspended due to your non-compliance with the Health Practitioners' Monitoring Program and your admitted substance abuse.

The burden of providing evidence satisfactory to the Board that you are prepared to resume the competent practice of professional nursing with reasonable skill and safety to patients rests with you.

Since the allegations listed above involve impairment, please be advised that you may make application to the Health Practitioners' Monitoring Program ("HPMP"), which is available to all health care practitioners licensed in Virginia. Information about the HPMP is enclosed. Should you enter into a written agreement with the HPMP prior to your informal conference, the Committee will take that into consideration when deciding your case.

After the informal conference, the Committee is authorized by § 54.1-2400(10) of the Code to take any of the following actions:

- The Committee may reinstate your license to practice professional nursing in the Commonwealth without restriction;
- The Committee may reinstate your license and place you on probation for such time as it may designate and subject to such terms and conditions as it may deem appropriate, reprimand you, or impose a monetary penalty; or
- The Committee may deny your application for reinstatement of your license;

Further, the Committee may refer the case to the Board of Nursing or a panel thereof for a formal hearing. If the Committee is of the opinion that suspension or revocation may be justified, the Committee may offer you a Consent Order for suspension or revocation in lieu of a formal hearing.

If you fail to appear at the informal conference, the Committee may proceed to hear the case in your absence and may take any of the actions outlined above. At least ten days prior to the scheduled date of the conference, please inform this office at (804) 367-4515, or in writing at the address listed above, of your telephone number and whether you intend to appear at the informal conference.

To facilitate this proceeding, you should submit five copies of any documents you wish the Committee to consider to the Department of Health Professions, Board of Nursing, Perimeter Center, 9960 Mayland Drive, Suite 300, Henrico, Virginia 23233, by May 24, 2013. Your documents may not be submitted by facsimile or email.

You have the right to the information on which the Board will rely in making its decision. Therefore, I have enclosed a copy of the documents that will be distributed to the members of the Committee and will be considered by the Committee when discussing any allegations with you and when deliberating on your case. **These documents are enclosed only with the original notice sent by certified mail, which you may be required to claim at the post office. Please bring these documents with you to the informal conference.**
