Case No. 2015-001250

**VOLUNTARY SURRENDER OF REGISTERED NURSE LICENSE**

I, Angela Young (Young), voluntarily surrender my Alaska Registered Nurse License No. 36284, which was first issued to me on August 26, 2013, and which has an expiration date of November 30, 2016.

I am surrendering my license at this time with the understanding the Alaska Department of Commerce, Community, and Economic Development, Division of Corporations, Business and Professional Licensing (Division), is conducting an investigation under case number 2015-001250, concerning my noncompliance with the continuing competency requirements of 12 AAC 44.

I understand the Division has filed an accusation against my license in this matter. I have filed a notice of defense, and the matter has been referred to the Office of Administrative Hearings. I understand by surrendering my license, I am giving up my right to an administrative hearing in this matter, except I do not lose those rights if the Board does not approve this agreement.

I understand the Division will ask the Office of Administrative Hearings to dismiss the accusation filed against me in this matter if the Board approves this agreement. I understand this request requires approval of the Office of Administrative Hearings, and the Division cannot guarantee it will be granted. I further understand the Division will not ask the Office of Administrative Hearings to dismiss the accusation filed against me in this matter if the Board does not approve this agreement.

To renew my registered nurse license for the period beginning December 1, 2014, and ending on November 30, 2016 (2014-2016 licensing period), AS 08.68.276 requires me to comply with continuing competency requirements established by the Board under 12 AAC 44.600 *et seq.* These requirements include completion of two of the following three methods for maintaining continuing competency: 1) 320 hours of nursing employment; 2) 30 contact hours of continuing education; or 3) 30 hours of volunteer professional activities.

The continuing competency requirements may also be met by one of the alternate methods described under 12 AAC 44.640.

As part of my 2014-2016 Registered Nurse Biennial License Renewal application, I indicated satisfying the continuing competency requirement by completion of 320 hours of nursing employment and 30 contact hours of continuing education during the concluding licensing period (December 1, 2012 -- November 30, 2014).

Department of Commerce, Community, and Economic Development  
Division of Corporations, Business, and Professional Development  
P.O. Box 110805, Juneau, Alaska 99811-0805

1 My signature on the renewal application, dated November 13, 2014, certified the information  
 2 furnished in the application was true and correct, and my license was renewed in reliance upon the  
 information in my renewal application.

3 Subsequent to the renewal of my Alaska registered nurse's license, notification was sent to my  
 4 address of record my renewal application was among the group randomly selected for audit to  
 monitor compliance with the continuing competency requirements. As part of the audit procedure and  
 5 in accordance with 12 AAC 44 and 12 AAC 02.960 *et seq.*, I was instructed to submit documentation  
 to verify completion of the claimed continuing competency activities.

6 In response, I submitted documentation verifying my completion of 320 hours of nursing  
 employment during the concluding licensing period. However, I now admit I cannot verify my  
 7 completion of 30 contact hours of continuing education during the concluding licensing period, as  
 required by AS 08.68.276 and 12 AAC 44.600 *et seq.* to lawfully renew my license.

8 I am not working as a registered nurse in the state of Alaska nor do I anticipate doing so in the  
 9 foreseeable future.

10 I understand under 12 AAC 44, I am required to complete continuing competency activities  
 for the lawful renewal of my license, and failure to verify having done so may subject my license to  
 11 disciplinary action by the Board under AS 08.68.270, 12 AAC 44.710 and 12 AAC 44.720. I have  
 chosen to surrender my registered nurse license in lieu of the possible revocation, suspension, or  
 12 imposition of other disciplinary sanctions against my license that may result through an accusation  
 filed by the Division and the formal hearing process.

13 I further understand the Board may address such disciplinary action should I request  
 reinstatement of this license or issuance of a new license to me in the future.

14 I understand as a result of this surrender, I cannot act as a registered nurse in the state of  
 15 Alaska and will not be able to do so until the Board approves the reinstatement of this license or  
 issuance of a new license to me. I also understand before I may again act as a registered nurse in  
 16 Alaska, I will need to demonstrate to the Board I possess the skills and knowledge to work as a  
 registered nurse in Alaska. I further understand I may be required to reapply and meet the initial  
 17 licensing requirements under AS 08.68 and 12 AAC 44. In the event a request for a nursing license is  
 made and denied by the Board, I have the right to a hearing pursuant to the Administrative Procedure  
 18 Act (AS 44.62).

19 I understand this action shall take effect immediately upon its adoption by the Board  
 and is a public record of the Board and the State of Alaska. The State may provide a copy of  
 20 this agreement to any person, professional licensing board, federal, state or local government  
 agency, or other entity making a relevant inquiry. This license action will be reported to the  
 21 National Council of State Boards of Nursing (NCSBN), Healthcare Integrity and Protection  
 Data Bank (HIPDP) and any other entities as may be required by law.

22 I understand and agree in the event any part or parts of this agreement are deemed invalid by a  
 court of competent jurisdiction, all other parts of this agreement shall remain in full force and effect.

23 I am hereby surrendering this license and relinquishing my right to an administrative hearing  
 24 voluntarily and of my own free will. I declare I am not under the influence of any medication, drugs or  
 other substances that would affect my ability to consider this action clearly and rationally.
