Expiration Date: September 30, 2017

Dear Ms. Rideout:

This letter is official notification that an informal conference of the Virginia Board of Nursing ("Board") will be held on **March 1, 2016 at 1:00 p.m.**, at the Department of Health Professions, Perimeter Center, 9960 Mayland Drive, Suite 201, Henrico, Virginia. In accordance with §§ 2.2-4019, 2.2-4021, and 54.1-2400(10) of the Code of Virginia (1950), as amended ("Code"), this informal conference will be held before an agency subordinate of the Board of Nursing, rather than before a Special Conference Committee. This informal conference will be convened as a public meeting pursuant to § 2.2-3700 *et seq.* of the Code. The agency subordinate will inquire into allegations that you may have violated certain laws and regulations governing nursing practice in Virginia.

Specifically, you may have violated § 54.1-3007(2), (5) and (8) of the Code and 18 VAC 90-20-300(A)(2)(f) of the Regulations Governing the Practice of Nursing in that during the course of your employment with Central State Hospital, Petersburg, Virginia, you made multiple medication errors, as evidenced by the following:

1. On or about October 14, 2014, you administered the wrong medication to a patient at the facility.
2. On or about November 20, 2014, you administered two Percocet (oxycodone, C-II) to a patient instead of their ordered tramadol (C-IV).
3. On or about February 15, 2015, you failed to administer Ativan (Lorazepam, C-IV) as ordered to a patient who suffered with paranoid schizophrenia.

The Board hereby offers to enter into the enclosed Consent Order with you in lieu of an informal conference in this matter. Please review this document, and should you consent to its terms, sign it in the presence of a notary public. In order for this Consent Order to become effective, you must return the entire document bearing your witnessed signature to the Board office on or before February 22, 2016. Upon its receipt in the Board office, the Consent Order will be entered upon approval by the full Board and the informal conference will be cancelled. You will receive a certified copy of the Consent Order, bearing the date of entry, shortly thereafter. Should the Board not receive this signed Consent Order from you by 5:00 p.m. on February 22, 2016, the Board will proceed with the informal conference as scheduled.

In its deliberations, the agency subordinate may use the Sanction Reference Points System, as contained in the Sanction Reference Manual. The manual, which is a guidance document of the Board, may be accessed at <http://www.dhp.virginia.gov/nursing>. Please click on *Guidance Documents*, then select #90-7. You may also request a paper copy from the Board office by calling (804) 367-4515.

After consideration of all information, the agency subordinate may:

- If the agency subordinate finds that there is insufficient evidence to warrant further action or that the charges are without foundation, notify you by mail that your record has been cleared of any charge which might affect your right to practice nursing in the Commonwealth;
- Recommend findings of fact, conclusions of law and a sanction, to include a reprimand, placing you on probation with terms, suspension or revocation of your license, or imposing a monetary penalty pursuant to § 54.1-2401 of the Code.

Further, the agency subordinate may refer this matter for a formal administrative proceeding pursuant to § 2.2-4020 of the Code.

Board's Review of Agency Subordinate's Recommended Decision

If you **appear in person or by counsel at the informal conference**, the recommendation of the agency subordinate will be presented to a panel of the Board. The Board may accept or modify the recommendation, or reject the recommendation and move the case to formal hearing. If you do not agree with the decision of the Board, you have the right to a formal administrative hearing before the Board.

If you **fail to appear in person or by counsel at the informal conference**, the recommendation of the agency subordinate will be presented to a panel of the Board. The Board may accept or modify the recommendation, or reject the recommendation. The Board's decision regarding the agency subordinate's recommendation is a final order that can only be appealed to circuit court as provided by Rule 2A:2 of the Supreme Court of Virginia.

The Board has previously provided to you the information on which the Agency Subordinate will rely in making a decision. These documents will be considered by the Agency Subordinate when

discussing any allegations with you and when deliberating on this case. **Please bring these documents with you to the informal conference.**

To facilitate this proceeding, you should submit five copies of any documents you wish the agency subordinate to consider to the Board of Nursing, Perimeter Center, 9960 Mayland Drive, Suite 300, Richmond, VA 23233, by February 25, 2016. Your documents may not be submitted by facsimile or email.

You may be represented by an attorney at the informal conference. If you obtain counsel, you should do so as soon as possible, because absent good cause to support a request for a continuance, the informal conference will be held on March 1, 2016. A request to continue this proceeding must state in **detail** the reason for the request and must establish good cause. Such request must be made, in writing, to me at the address listed on this letter and must be received by 12 noon on February 25, 2016. Only one such motion will be considered. Absent critical circumstances, such as personal or family illness, a request for a continuance after February 25, 2016 will not be considered.

Relevant sections of the Administrative Process Act, which govern proceedings of this nature, as well as laws relating to the practice of nursing and other healing arts in Virginia cited in this notice can be found on the Internet at <http://leg1.state.va.us>. To access this information, please click on the *Code of Virginia* for statutes and *Virginia Administrative Code* for regulations.

Please advise the Board, in writing, of your intention to be present. If you have any questions regarding this notice, please contact our office, at (804) 367-4502.

In the event of inclement weather, please be advised that Board of Nursing hearings will be held unless state offices are closed. Please listen to television or radio announcements to provide information about official state closings or delays. If there is a delayed opening, hearings will begin at the time of the agency opening. A recorded announcement pertaining to closings or delays will also be available by calling the main telephone number for the Department of Health Professions at (804) 367-4400.

Sincerely,
