ORDER OF SUMMARY SUSPENSION

Pursuant to West Virginia Code §§ 30-1-4 and 30-7-4, and West Virginia
Legislative Rules § 19-3-14.4:

If the board finds that public health, safety and welfare requires
emergency action and incorporates a finding to that effect into its order,
the board shall order summary suspension of a license pending proceedings
for revocation of the license or other action. The board shall promptly institute
and determine further disciplinary action.

Information supporting this order is as follows:

On or about May 27, 2014 the Board received a Complaint Form (complaint)
from Berkeley Springs Rehabilitation and Nursing, Berkeley Springs, West Virginia. The
complaint specifically states Luttrell, "purchased prescription of Tramadol and Acet pills
(37 5/325) from another employee. Incident was witnessed on 5/27/14. Employee
suspended pending termination after investigation. RN Luttrell paid \$5.00 for said
bottle of pills. Transpired during working hours. Drug diversion."

The Board initiated a complaint against Luttrell's license that included referring
Luttrell to West Virginia Restore (the Board's recovery and monitoring program).
Luttrell completed the preliminary steps for participation in West Virginia Restore (WV
Restore).

By letter dated November 11, 2014 the Board was notified Luttrell's WV Restore case was closed due to failure to comply with the conditions of WV Restore participation.

Therefore, based on the foregoing, the Board finds that public health, safety and welfare are threatened and emergency action is necessary. The Board ORDERS that license number 62681 issued to Luttrell is herein SUMMARILY SUSPENDED. The Board ORDERS Luttrell to respond to the above allegations and have an evaluation performed by a Certified Addictions Counselor who has received a copy of Luttrell's Board file. The Board further ORDERS Luttrell to cause a copy of all documents resulting from her evaluation by the Certified Addictions Counselor be sent directly to the Board office by the Certified Addictions Counselor.

Such suspension shall become effective immediately upon Luttrell receiving notice of the suspension or two days after being mailed from the Board office, whichever occurs first.

A Reinstatement Application (application) will be considered once the Board receives all required information, which will include the application and appropriate fee.

Such suspension shall become effective immediately upon Luttrell receiving notice of the suspension or two days after being mailed from the Board office, whichever occurs first.

For your options please review the Board's law found in WV Code § 30-7-1 et seq., the State Administrative Procedures Act found in WV Code § 29A-5-1 et. .seq., the Contested Case Hearing Procedure in WV CSR § 19-5-1, and any other applicable laws and rules.
