STATEMENT OF ALLEGATIONS

The Board alleges that grounds exist to refuse to reinstate the license of Janet Gardner Townley, R.N., to practice professional nursing in that:

1. Ms. Townley violated Virginia Code § 54.1-3007(7) in that on April 11, 2013, the Florida Board of Nursing suspended her license to practice professional nursing in the State of Florida. This suspension formed the basis for the mandatory suspension of her Virginia license by the Virginia Department of Health Professions.
2. Ms. Townley violated Virginia Code § 54.1-3007(5) and (6) in that, as found by the Florida State Board of Nursing, on or about June 26, 2012, she appeared for her shift at a healthcare and rehabilitation center in Florida in an intoxicated condition. By her own admission, she had consumed alcohol and Xanax (alprazolam, C-IV) before being driven to work by family members.
3. Ms. Townley violated Virginia Code § 54.1-3007(6) in that following the incident set out in Allegation No. 2, she entered into a monitoring agreement with the Florida Intervention Project for Nurses (“IPN”) wherein she agreed to attend AA/NA meetings and participate in individual therapy and medication management, among other terms. She was dismissed from the IPN on May 15, 2013, due to failure to comply with the terms of her monitoring agreement.
