RE: VA License No.: 0002-067037  
Expiration Date: March 31, 2016

Dear Ms. Wilkinson:

This letter is official notification that an informal conference of the Virginia Board of Nursing (“Board”) will be held on **June 30, 2015, at 9:00 a.m.**, at the Department of Health Professions, Perimeter Center, 9960 Mayland Drive, Suite 201, Henrico, Virginia. In accordance with §§ 2.2-4019, 2.2-4021, and 54.1-2400(10) of the Code of Virginia (1950), as amended (“Code”), this informal conference will be held before an agency subordinate of the Board of Nursing. This informal conference will be convened as a public meeting pursuant to § 2.2-3700 *et seq.* of the Code. The agency subordinate will inquire into allegations that you may have violated certain laws and regulations governing practical nursing practice in Virginia.

Specifically:

1. You may have violated § 54.1-3007(2), (5) and (6) of the Code and 18 VAC 90-20-300(A)(2)(c) and (e) of the Regulations Governing the Practice of Nursing in that during the course of your employment at Lewis-Gale Physicians, Christiansburg, Virginia, by your own admission, from on or about December 10, 2012 to June 22, 2013, you phoned in and obtained fraudulent prescriptions for Lortab (hydrocodone, C-III) using your name, and the names of family members and friends, for your personal and unauthorized use. Further, you made false entries in your medical records documenting that the physicians authorized the medications.

2. You may have violated § 54.1-3007(4) of the Code in that on or about October 27, 2014, in the Circuit Court of Montgomery County, Virginia, you were convicted of five counts of obtaining drugs by fraud, a misdemeanor of moral turpitude.

3. You may have violated § 54.1-3007(6) of the Code in that:

a. You may be unsafe to practice nursing due to substance abuse and/or mental illness, as evidenced by the following: On or about October 9, 2013, you entered into a Participation Contract and on or about December 16, 2013, you entered a Recovery Monitoring Contract with the Health Practitioners' Monitoring Program ("HPMP") wherein you acknowledged that your alcohol and/or substance use disorder and mental illness may impair your ability to safely practice practical nursing. On or about March 10, 2014, you received a stay of disciplinary action regarding allegation #1. On or about November 24, 2014, the stay was vacated and on or about January 26, 2015, you were dismissed from the HPMP for failing to comply with the drug screening program and failing to submit monthly reports.

b. Please see Attachment A.

In its deliberations, the agency subordinate may use the Sanction Reference Points System, as contained in the Sanction Reference Manual. The manual, which is a guidance document of the Board, may be accessed at <http://www.dhp.virginia.gov/nursing>. Please click on *Guidance Documents*, then select #90-7. You may also request a paper copy from the Board office by calling (804) 367-4515.

After consideration of all information, the agency subordinate may:

- If the agency subordinate finds that there is insufficient evidence to warrant further action or that the charges are without foundation, notify you by mail that your record has been cleared of any charge which might affect your right to practice nursing in the Commonwealth;
- Recommend findings of fact, conclusions of law and a sanction, to include a reprimand, placing you on probation with terms, suspension or revocation of your license, or imposing a monetary penalty pursuant to § 54.1-2401 of the Code.

Further, the agency subordinate may refer this matter for a formal administrative proceeding pursuant to § 2.2-4020 of the Code.

### **Board's Review of Agency Subordinate's Recommended Decision**

If you **appear in person or by counsel at the informal conference**, the recommendation of the agency subordinate will be presented to a quorum of the Board. The Board may accept or modify the recommendation, or reject the recommendation and move the case to formal hearing. If you do not agree with the decision of the Board, you have the right to a formal administrative hearing before the Board.

If you **fail to appear in person or by counsel at the informal conference**, the recommendation of the agency subordinate will be presented to a quorum of the Board. The Board may accept or modify the recommendation, or reject the recommendation. The Board's decision

regarding the agency subordinate's recommendation is a final order that can only be appealed to circuit court as provided by Rule 2A:2 of the Supreme Court of Virginia.

You have the right to information that will be relied upon by the agency subordinate in making a decision. Therefore, I enclose a copy of the documents that will be distributed to the agency subordinate, and will be considered when discussing the allegations with you and when deliberating upon your case. **These documents are enclosed only with the original notice sent by certified mail, which you may be required to claim at the post office. Please bring these documents with you to the informal conference.**

To facilitate this proceeding, you should submit five copies of any documents you wish the agency subordinate to consider to the Board of Nursing, Perimeter Center, 9960 Mayland Drive, Suite 300, Richmond, VA 23233, by June 23, 2015. Your documents may not be submitted by facsimile or email.

You may be represented by an attorney at the informal conference. If you obtain counsel, you should do so as soon as possible, because absent good cause to support a request for a continuance, the informal conference will be held on June 30, 2015. A request to continue this proceeding must state **in detail** the reason for the request and must establish good cause. Such request must be made, in writing, to me at the address listed on this letter and must be received by 12 noon on June 23, 2015. Only one such motion will be considered. Absent critical circumstances, such as personal or family illness, a request for a continuance after June 23, 2015, will not be considered.
