VIRGINIA:

## BEFORE THE BOARD OF NURSING

IN RE:       **LAURA A. LARRICK, R.N.**  
              **License No.: 0001-089947**

**CONSENT ORDER**

The Virginia Board of Nursing ("Board") and Laura A. Larrick, R.N., as evidenced by her signature hereto, enter into the following Consent Order affecting Ms. Larrick's license to practice professional nursing in Virginia.

The Board adopts the following Findings of Fact and Conclusions of Law.

**FINDINGS OF FACT**

1.       Laura A. Larrick, R.N., was issued License No. 0001-089947 to practice professional nursing by the Virginia Board of Nursing on August 26, 1983. Said license expired on June 30, 2015. Her primary state of residence is Virginia.
2.       Ms. Larrick was hospitalized at CJW Medical Center, Richmond, Virginia, on June 9, 2014, for depression and alcohol dependence. At the time of her admission, Ms. Larrick reported drinking liquor on most days and that she had increased her drinking to almost two bottles of wine daily. She was discharged on June 12, 2014, and advised to continue seeing her psychiatrist at Tucker Psychiatric Clinic for medication management. She was also referred to the Family Counseling Center for Recovery ("FCCR") for outpatient substance abuse services. Ms. Larrick had a substance abuse evaluation at the FCCR on June 16, 2014. The evaluator recommended that Ms. Larrick enter an intensive outpatient treatment program; however, she failed to do so.
3.       During interviews with an investigator from the Department of Health Professions, Ms. Larrick reported that she was diagnosed with breast cancer in November 2013 and had multiple

postoperative complications following surgery. In the spring of 2014, Ms. Larrick briefly returned to work at the McGuire Veterans Administration Medical Center, where she was employed for 31 years. Ms. Larrick reported that she was too weak physically and mentally to perform up to her standards and she retired effective August 1, 2014. Ms. Larrick reported a sobriety date of June 16, 2014. She also reported that she was not receiving substance abuse treatment or attending Alcoholics Anonymous meetings.

4. By letter dated October 21, 2014, Ms. Larrick voluntarily surrendered her license to practice as a professional nurse.
