IN RE: CHANA MOLINI, C.M.T. APPLICANT

NOTICE OF HEARING

Pursuant to §§ 2.2-4020, 2.2-4024(F), and 54.1-2400(11) of the Code of Virginia (1950), as amended ("Code"), Chana Molini, C.M.T. Applicant, is hereby given notice that a formal administrative hearing will be held in the presence of a panel of the Board of Nursing. The hearing will be held on July 16, 2015, at 9:30 a.m., at the offices of the Department of Health Professions, Board of Nursing, Perimeter Center, 9960 Mayland Drive, Suite 201, Henrico, Virginia 23233, at which time Ms. Molini will be afforded the opportunity to be heard in person or by counsel.

At the hearing, Ms. Molini has the following rights, among others: the right to representation by counsel; the right to have witnesses subpoenaed and to present witnesses on her behalf; the right to present documentary evidence; and the right to cross-examine adverse witnesses. If Ms. Molini desires any witnesses to appear on her behalf, she must notify the Director of Administrative Proceedings, Department of Health Professions, 9960 Mayland Drive, Suite 300, Henrico, Virginia 23233, in accordance with the Instructions for Requesting Subpoenas.

The purpose of the hearing is to receive and act upon Chana Molini's application for certification by examination to practice as a massage therapist in the Commonwealth of Virginia, and to inquire into evidence that grounds may exist to deny said application, as more fully set forth in the Statement of Particulars below.

The burden rests upon Ms. Molini, as the applicant, to demonstrate that she meets the requirements of §54.1-3029 of the Code.

STATEMENT OF PARTICULARS

The Board alleges that Chana Molini, as evidenced in an Order of the Board entered July 27, 2011, may have violated §54.1-3007(3), (5) and (8) of the Code in that, during the course of her employment as a registered nurse with Maxim Healthcare Services, Charlottesville, Virginia, while assigned to provide care for a special needs child at North Fork Middle School, Quicksburg, Virginia, on or about February 10, 2011, Ms. Molini spoke harshly to and threatened the child, who had a difficult time holding his head up, and roughly pushed the child's head back. Additionally, while changing the child's diaper, Ms. Molini spoke harshly to him and roughly separated his legs with her hands. Furthermore, by her own admission, Ms. Molini grabbed the leg of another child and proceeded to drag him across the classroom floor and into the hallway.
