CONSENT ORDER

The State of Tennessee, by and through the Office of General Counsel and the Respondent, Shannon B. Stanley, A.P.N., R.N., (Respondent), hereby stipulate and agree, subject to approval by the Tennessee Board of Nursing (Board), to the following:

I. Authority and Jurisdiction

The Board regulates and supervises nurses licensed to practice pursuant to Tennessee Code Annotated Section (TENN. CODE ANN. §) 63-7-101, *et seq.* (Code), including the discipline of licensees, as well as those who are required to be licensed, who violate the Code and the Rules promulgated by the Board, Official Compilation of Rules and Regulations of the State of Tennessee (TENN. COMP. R. & REGS.), 1000-01-.01, *et seq.* (Rules). The Board enforces the Code and Rules to promote and protect the health, safety and welfare of the public; accordingly, it is the policy of the Board to require strict compliance with the law and to apply the law to preserve the quality of nursing care provided in Tennessee.

II. Stipulations of Fact

1. Respondent has been at all times pertinent hereto certified by the Board as an advanced practice nurse in the State of Tennessee, having been granted certificate number 45701 on September 28, 2009 which currently has an expiration date of November 30, 2015. Respondent's advanced practice nurse certificate is active and valid in the State of Tennessee only.

2. Respondent has been at all times pertinent hereto licensed by the Board as a registered nurse in the State of Tennessee, having been granted license number 149043 on April 7, 2005 which currently has an expiration date of November 30, 2015. Respondent's registered nurse license is active and bears a multistate privilege to practice nursing in states which have entered into the Interstate Nurse Licensure Compact.

3. On or about May 13, 2013, in the Bristol General District Court of Virginia, the Respondent pled guilty to the misdemeanor offense of profane swearing or intoxication in public, a violation of VA. Code Ann. § 18.2-388, for which she was assessed a two hundred fifty dollar (\$250.00) fine and ordered to pay eighty-one dollars (\$81.00) in court costs.

4. On or October 3, 2013, the Respondent renewed both her registered nursing license and her advanced practice certificate. On her October 2013 renewal to the Board of Nursing, the Respondent was asked to circle whether, "I have been convicted of a crime and I have not previously notified the Board in writing of that action." The Respondent failed to circle "Yes" and to notify the Board of her May 13, 2013 conviction for public intoxication.

5. On or about March 18, 2014 in the Commonwealth of Kentucky Bell District Court, the Respondent pled guilty to driving while intoxicated, a violation of KY. Rev. Stat. Ann. § 189A.010. In return for her guilty plea, the Respondent received two (2) years of judicial diversion beginning March 18, 2014. If the defendant successfully completes the diversion agreement, the guilty plea is set aside and the DUI case is dismissed with an agreement that the dismissal will not be expunged for a period of two (2) years. The Respondent agreed to the following conditions as part of her judicial diversion agreement:

- a. To remain drug and alcohol free for the term of diversion (2 years);
- b. To submit to a random drug and alcohol screening as required by the Court during the term of diversion at defendant's expense;

- c. To not violate any law, traffic, or otherwise, during the term of diversion;
- d. Pay the routine costs of drug and alcohol testing ordered pursuant hereto;
- e. On or before any anniversary date of this agreement and within thirty (30) days thereof, furnish to the Court and County Attorney proof from the Transportation Department of Kentucky and any other state wherein she resides, during the term hereof, a copy of her driving record since the date hereof to establish that she has not violated any traffic laws;
- f. Defendant will also furnish to the Court or County Attorney a copy of a criminal history background check annually on or before the anniversary date to establish that she has not been convicted of any crime;
- g. Defendant shall pay all costs associated with this citation and agreement within sixty (60) days to include court costs of one hundred forty-three dollars (\$143.00);
- h. Defendant shall register for and complete the alcohol education program required of persons convicted of DUI in Kentucky within one hundred twenty (120) days of the execution of this agreement; or submit alcohol treatment and education completed in Virginia in lieu of Kentucky education program to be determined as sufficient by the county attorney.
- i. Defendant will submit to drug and alcohol assessment as directed by the Court;
- j. Defendant will complete fifty (50) hours of community service within three hundred sixty five (365) days at the Bradley Free Clinic, American Red Cross, New Horizons Healthcare Clinic, and various other free clinics offered to the public in Roanoke and Salem, VA. Proof of completion of the community service is to be submitted by the defendant to this Court.
- k. If defendant is cited for any violation of the law, defendant will notify the Court

and County Attorney within ten (10) days of said event and this matter shall be reviewed to determine if the facts require termination of the diversion agreement and immediate imposition of punishment;

- I. During the first thirty (30) days following the execution of this diversion agreement, defendant will operate a motor vehicle only as required to go to and from work, school, personal medical appointments, school and daycare drop off and pick up of small children, to fulfill custody agreements picking up children for exchange with other parent, medical or emergency visits for children, classes required by this agreement, screening meetings and evaluations, and church attendance. During this thirty (30) day period, defendant agrees not to drive for any social or other reason.

III. Stipulated Grounds for Discipline

The Stipulations of Fact are sufficient to establish that Respondent has violated TENN. CODE ANN. § 63-7-101, *et seq.*, for which disciplinary action by the Board is authorized.

6. The facts stipulated in paragraphs two (2) through five (5) constitute a violation of TENN. CODE ANN. § 63-7-115(a)(1):

(B) Is guilty of a crime.

7. The facts stipulated in paragraphs two (2) through five (5) constitute proof of Rule 1000-01-.13(1) of the TENN. COMP. R. & REGS, which defines "unprofessional conduct, unfitness or incompetency by reason of negligence, habits or other cause" as including, but not limited to:

(w) Engaging in acts of dishonesty which relate to the practice of nursing.

IV. Stipulated Disposition

8. For the purpose of avoiding further administrative action with respect to this cause, Respondent agrees to **VOLUNTARILY SURRENDER** her advanced practice nurse certificate, registered nursing license, and the multistate privilege to practice in any other party state, beginning the effective date of this Order. Respondent knows that a voluntary surrender has the same effect as a revocation.

V. Representations of Respondent

9. Respondent understands the allegations, charges, and stipulations in this Order.

10. Respondent understands the rights found in the Code, Rules, and the Uniform Administrative Procedures Act, TENN. CODE ANN. §§ 4-5-101 thru 4-5-404, including the right to a hearing, the right to appear personally and by legal counsel, the right to confront and to cross-examine witnesses who would testify against Respondent, the right to testify and to present evidence on Respondent's own behalf, as well as to the issuance of subpoenas to compel the attendance of witnesses and the production of documents, as well as the right to appeal for judicial review. Respondent voluntarily waives these rights in order to avoid further administrative action.

11. Respondent agrees that presentation of this Order to the Board and the Board's consideration of it and all matters divulged during that process shall not constitute unfair disclosure such that the Board or any of its members become prejudiced requiring their disqualification from hearing this matter should this Order not be ratified. All matters, admissions, and statements disclosed during the attempted ratification process shall not be used against the Respondent in any subsequent proceeding unless independently entered into evidence or introduced as admissions.

12. Respondent also agrees that the Board may issue this Order without further process. If

the Board rejects this Order for any reason, it will be of no force or effect for either party.

13. Respondent agrees that she has not received any threats or promises of any kind by the State or any agent or representative thereof, except such as is detailed herein.

VI. Notice

14. The voluntary surrender is a formal disciplinary action and will be reported to the National Practitioner Data Bank (NPDB).
