The purpose of the hearing is to inquire into evidence that Michele R. M. Davidson, R.N., may have violated certain laws and regulations governing nursing practice in Virginia, as more fully set forth in the Statement of Particulars below.

**STATEMENT OF PARTICULARS**

The Board alleges that Michele R. M. Davidson, R.N., may be in violation of § 54.1-3007(6) of the Code in that she may be unable to practice with reasonable skill and safety due to mental health issues.

Specifically, she suffered from postpartum depression following the traumatic birth of her fourth child, during which time she had a psychotic episode in which she held her former employer / physician at gunpoint, threatening to commit suicide. She was criminally charged with abduction and breaking and entering related to this incident, but was found not guilty by reason of insanity by an Order entered in the Circuit Court of Loudoun County, Virginia, on December 17, 2008.
