Re: Virginia License No.: 0001-153646
Expiration Date: August 31, 2007

Dear Ms. Kunkle:

This is official notification that an informal conference will be held pursuant to §§ 2.2-4019, 2.2-4021, and 54.1-2400(10) of the Code of Virginia (1950), as amended ("Code"), on **February 7, 2007, at 1:00 p.m.**, at the Department of Health Professions, 6603 West Broad Street, Fifth Floor, Richmond, Virginia. You may be represented by an attorney at the conference. This informal conference will be convened as a public meeting pursuant to § 2.2-3700 *et seq.* of the Code.

The Special Conference Committee ("Committee"), which is comprised of at least two members of the Virginia Board of Nursing ("Board"), will inquire into allegations that you may have violated certain laws and regulations governing nursing practice in Virginia.

Specifically:

1. You may have violated § 54.1-3007(5) and (6) of the Code in that during your employment with the Pediatric Intensive Care Unit of Children's Hospital of the King's Arms, Norfolk, Virginia, you reported to work on September 13, 2006, with slurred speech and an inability to speak coherently. You were evaluated by the Occupational Health Department of the hospital and sent home. Later that day, you were hospitalized for respiratory difficulties stemming from improper mixing of pain medication.
2. You may be in violation of § 54.1-3007(6) of the Code in that, you have admitted to an investigator for the Department of Health Professions on October 27, 2006, that you take too much pain medication, have developed a dependence on pain medications, and have attended outpatient substance abuse treatment.

In its deliberations, the Committee may use the Sanction Reference Points System, as contained in the Sanction Reference Manual. The manual, which is a guidance document of the Board, may be accessed at <http://www.dhp.virginia.gov/nursing>. Please click on *Guidance Documents*, then select #90-7. You may also request a paper copy from the Board office by calling (804) 662-9909.

Since the allegations listed above involve impairment, please be advised that you may make application to the Health Practitioners' Intervention Program ("HPIP"), which is available to all health care practitioners licensed in Virginia. A brochure about the HPIP is enclosed. Should you enter into a written agreement with the HPIP prior to your informal conference, the Committee will take that into consideration when deciding your case.

After the informal conference, the Committee is authorized by § 54.1-2400(10) of the Code to take any of the following actions:

- If the Committee finds that there is insufficient evidence to warrant further action or that the charges are without foundation, the Committee shall notify you by mail that your record has been cleared of any charge which might affect your right to practice nursing in the Commonwealth;
- The Committee may place you on probation for such time as it may designate and subject to such terms and conditions as it may deem appropriate;
- The Committee may reprimand you;
- The Committee may impose a monetary penalty.

Further, the Committee may refer the case to the Board of Nursing or a panel thereof for a formal hearing. If the Committee is of the opinion that suspension or revocation may be justified, the Committee may offer you a Consent Order for suspension or revocation in lieu of a formal hearing.

If you fail to appear at the informal conference, the Committee may proceed to hear the case in your absence and may take any of the actions outlined above. At least ten days prior to the scheduled date of the conference, please inform this office at (804) 662-9950, or in writing at the address listed above, of your telephone number and whether you intend to appear at the informal conference.

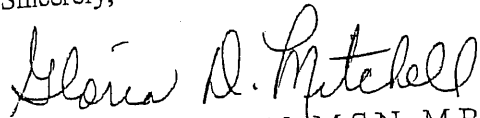

To facilitate this proceeding, you should submit five copies of any documents you wish the Committee to consider to the Board of Nursing, 6603 West Broad Street, Fifth Floor, Richmond, VA 23230-1717, by January 29, 2007. Your documents may not be submitted by facsimile or email.

You have the right to the information on which the Board will rely in making its decision. Therefore, I have enclosed a copy of the documents that will be distributed to the members of the Committee and will be considered by the Committee when discussing any allegations with you and when deliberating on your case. These documents are enclosed only with the original notice sent by certified mail, which you may be required to claim at the post office. Please bring these documents with you to the informal conference.

Also enclosed are copies of the relevant sections of the Administrative Process Act, which governs proceedings of this nature, as well as the relevant laws and regulations governing the practice of nursing in Virginia.

In the event of inclement weather, please be advised that Board of Nursing hearings will be held unless state offices are closed. Please listen to television or radio announcements to provide information about official state closings or delays. If there is a delayed opening, hearings will begin at the time of the agency opening. A recorded announcement pertaining to closings or delays will also be available by calling the main telephone number for the Department of Health Professions at (804) 662-9900.

Sincerely,

Gloria D. Mitchell, R.N., M.S.N., M.B.A.
