Re: VA License No.: 0002-090474

Dear Ms. Love:

This is official notification that an informal conference will be held pursuant to §§ 2.2-4019, 2.2-4021, and 54.1-2400(10) of the Code of Virginia (1950), as amended (“Code”), on **December 7, 2015, at 9:00 a.m.**, at the Department of Health Professions, Perimeter Center, 9960 Mayland Drive, Suite 201, Henrico, Virginia 23233. You may be represented by an attorney at the conference. This informal conference will be convened as a public meeting pursuant to § 2.2-3700 *et seq.* of the Code.

The Special Conference Committee (“Committee”), which is comprised of at least two members of the Virginia Board of Nursing (“Board”), will receive and act upon your application for the reinstatement of your license to practice practical nursing in the Commonwealth of Virginia, which was suspended by an Order of the Board entered December 5, 2014, and will inquire into allegations that you may have violated certain laws and regulations governing practical nursing practice in Virginia.

Specifically:

1. You may have violated § 54.1-3007(6) of the Code in that you may be unsafe to practice practical nursing due to mental illness, as evidenced by multiple hospitalizations for psychosis and failure to comply with recommended treatment.

2. You may have violated § 54.1-3007(1) of the Code and 18 VAC 90-20-300(1)(b) of the Regulations Governing the Practice of Nursing in that on the application for reinstatement dated May 4, 2015, and the initial application for license by endorsement dated February 28, 2014, you answered “no” to the question, “do you have a mental, physical or chemical dependency condition which could interfere with your current ability to practice nursing,” when, in fact, you have been hospitalized for mental health treatment in New Jersey on numerous occasions since 2010.

3. You may have violated § 54.1-3007(7) of the Code in that your license to practice practical nursing in the State of New Jersey was suspended by an Order entered on July 7, 2015, by the New Jersey Board of Nursing, subsequent to the suspension of your license in Virginia.

The burden rests on you to demonstrate that you are prepared to resume the safe and competent practice of practical nursing.

Since the allegations listed above involve impairment, please be advised that you may make application to the Health Practitioners' Monitoring Program ("HPMP"), which is available to all health care practitioners licensed in Virginia. Information about the HPMP is enclosed. Should you enter into a written agreement with the HPMP prior to your informal conference, the Committee will take that into consideration when deciding your case.

After the informal conference, the Committee is authorized by § 54.1-2400(10) of the Code to take any of the following actions:

- The Committee may reinstate your license to practice practical nursing in the Commonwealth without restriction;
- The Committee may reinstate your license and place you on probation for such time as it may designate and subject to such terms and conditions as it may deem appropriate, reprimand you, or impose a monetary penalty;
- The Committee may deny your application for reinstatement of your license.

Further, the Committee may refer the case to the Board of Nursing or a panel thereof for a formal hearing.

If you fail to appear at the informal conference, the Committee may proceed to hear the case in your absence and may take any of the actions outlined above. At least ten days prior to the scheduled date of the conference, please inform this office at (804) 367-4515, or in writing at the address listed above, of your telephone number and whether you intend to appear at the informal conference.

To facilitate this proceeding, you should submit five copies of any documents you wish the Committee to consider to the Department of Health Professions, Board of Nursing, Perimeter Center, 9960 Mayland Drive, Suite 300, Henrico, Virginia 23233, by November 30, 2015. Your documents may not be submitted by facsimile or email.

You have the right to the information on which the Board will rely in making its decision. Therefore, I have enclosed a copy of the documents that will be distributed to the members of the Committee and will be considered by the Committee when discussing any allegations with you and when deliberating on your case. **These documents are enclosed only with the original notice sent by certified mail, which you may be required to claim at the post office. Please bring these documents with you to the informal conference.**

In the event of inclement weather, please be advised that Board of Nursing hearings will be held unless state offices are closed. Please listen to television or radio announcements to provide information about official state closings or delays. If there is a delayed opening, hearings will begin at the time of the agency opening. A recorded announcement pertaining to closings or delays will also be available by calling the main telephone number for the Department of Health Professions at (804) 367-4400.

Sincerely,
